DESCRIPTION	MODEL	SHIP WEIGHT	CUBE	LIST PRICE
Ganging Bracket, 2/Pack	**HECSG**	5	0.5	**$105**
Ganging Bracket Bulk Pack, 12/Pack	**HECSBG**	10	0.6	**$630**

NOTES:
- Ganging brackets used to provide alignment between adjacent pieces but can be easily removed and repositioned for reconfiguration.
- Two ganging brackets used per side; for example, if ganging a Stoop + Perch, specify one HECSG.
- Ganging brackets are unpainted anodized aluminum.

! Perch units automatically ship with ganging brackets and L-brackets required for proper stability.

	**Hanging Paper Shelf** 28¹⁄₁₆″W x 11⁷⁄₁₆″D x 4⁵⁄₁₆″H	**HHPS1**	7	2.9	**$278**	**$288**	**$300**

NOTES: Attaches quickly and easily (screws included). Maximizes worksurface space; de-clutters desktop while placing priority communications and active project folders within easy reach. Angled design allows contents to be distinguished at a glance. Mixed material styling features strong painted metal frame with a frosted shelf.
Attaches quickly and easily to laminate stack-on and wall mount storage models (except the 36″W Voi® overhead hutch with O-legs or panel mount brackets). Not for use with 38000 Series™ and Systems.
Specify: Model.Paint
SPECIFYING EXAMPLE: HHPS1.T1

	DESCRIPTION	MODEL	SHIP WEIGHT	CUBE	LIST PRICE BY PAINT GRADE P1	P2	P3
	**Desktop Paper Shelf** 28¹⁄₁₆″W x 11⅝″D x 5″H	**HDPS1**	7	2.9	**$278**	**$288**	**$300**

NOTES: Desktop Paper Shelf and Storage Terrace include protective, non-slip pads on the base. Paper Shelf can stack two-high. Organizer shelf provides a place and space for work-in-process and piling to keep worksurfaces neat and tidy. Convenient, scalable design with interlocking side supports allow two units to be stacked and integrated. Durable painted metal frame with a frosted shelf; mixed material styling matches hanging paper shelf.
Can also be used inside select overhead storage, including the following stack-on with clearance and hinged door models: 10500 and Valido 36″, 42″, 66″, 72″, 78″W.
Specify: Model.Paint
SPECIFYING EXAMPLE: HDPS1.T1

INTERLINK IQ ELECTRICAL

Specification guide for IQ Electrical on Training tables

Determine table width, the type of power access being used (3″ grommet or 4x8 pop-up) and the desired number per table (Columns 1, 2 or 3). The table will then identify the type and quantity of components needed per table along with the maximum table run. Note that this is in addition to the Power base in-feed which is needed for each run. For example, a 48″W table with two 3″ power grommets per table will require (1) HQH5-3 harness and (1) HQH1-3 harness per table with a maximum run of four tables.

Top Width	**POWER ONE (1) PER TABLE** 3″ ROUND POWER GROMMET		**POWER TWO (2) PER TABLE** 3″ ROUND POWER GROMMETS		**POWER ONE (1) PER TABLE** 4x8 POP-UP PORT	
36″	(1) HQH5-3	**8** Table Run Maximum	N/A	N/A	(1) HQH5-P	**8** Max Table Run
42″	(1) HQH5-3	**8** Table Run Maximum	N/A	N/A	(1) HQH5-P	**8** Max Table Run
48″	(1) HQH5-3	**8** Table Run Maximum	(1) HQH5-3 (1) HQH1-3	**4** Max Table Run	(1) HQH5-P	**8** Max Table Run
54″	(1) HQH5-3	**8** Table Run Maximum	(1) HQH5-3 (1) HQH1-3	**4** Max Table Run	(1) HQH5-P	**8** Max Table Run

Half-Round (all sizes)	(1) HQH1-3	**2** Tables Maximum	N/A	N/A	(1) HQH5-P	**2** Max Table Run
Trapezoid (all sizes)	(1) HQH5-3	**8** Table Run Maximum	N/A	N/A	(1) HQH5-P	**8** Max Table Run

NOTES:

- Interlink IQ Electrical is a pluggable, single circuit electrical system.
- All electrical models include wire management clips and hardware.
- Interlink IQ Electrical is non-sequential/non-directional.
- Interlink IQ Electrical is UL Recognized as a Powered Table System and meets the requirements of UL 962 when paired with Motivate® or Huddle tables.

! 40′ maximum run, or no more than 8 units, whichever comes first. Interlink IQ system will automatically shut off if maximum requirements are exceeded. Maximum run is based upon electrical harness width, not table width.

Current Manufacturer List Pricing Applies.

4-TRAC HARDWIRE ELECTRICAL SYSTEM

4-Trac Electrical System

The 4-Trac Electrical System is a UL-recognized Manufactured Wiring System that seamlessly passes power from one worksurface to another. This low-profile non-sequential electrical system allows tables to be "daisy-chained" together in any desired order and allows users to reconfigure quickly due to simple connectable/disconnectable links.

- Meets requirements of UL 183 and National Electric Code Article 604
- 4-Wires, 2-circuits, 20 Amps each (Circuit 1 and Circuit 2 only)
- 13 Duplex Receptacles per circuit, 26, 15 Amp Duplex receptacle per power in-feed
- Electrical system attaches directly to underside of worksurface with included brackets
- Up to twelve tables can be linked together

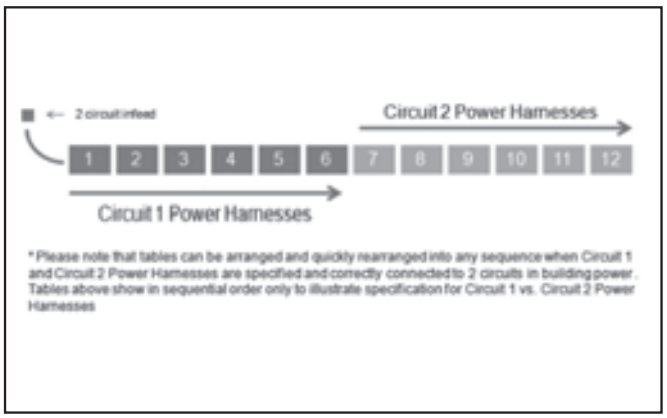
Power Entry Plate (ex: HMAPLATE) + Power Entry Cable (ex: HMACABLE) — For each power in-feed

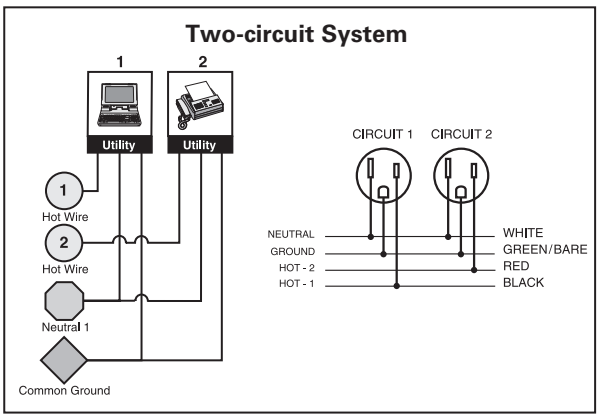
Circuit 1 or 2 Power Kit (ex: HMAPOWER48 or HMAPOWER482) + Ganging Hardware (ex: HMAGANG) — For each table in a row

Power Hub (ex: HGRMTAC) + Data Grommet (ex: HGRMTDATA) + Cable Trough (ex: HCTROUGH17) + Pop-up Port (ex: HTPWRGROM1) — Optional Accessories

Steps for Electrical Specifications:

- Determine how many rows of tables are needed and order the following:
  - One HMAPLATE per row (or power in-feed)
  - One HMACABLE per row (or power in-feed)
- Order one power harness per table in each row
  - For 1-6 tables in a row (see illustration 1)
    - Order Circuit 1 Power Harnesses (ex. If powering six 24x60 tables order six sets of HMAPOWER60)
  - For 7-12 tables in a row (see illustration 1)
    - Order Circuit 1 Power Harness for first six tables and Circuit 2 Power Harness for remaining tables (ex. If powering eight 24x60 tables, order six sets of HMAPOWER60 and two sets of HMAPOWER602)
- Order one set of ganging hardware per table (ex. HMAGANG)
- Determine which accessories are needed:
  - Power Hub model HGRMTAC — to access power at worksurface.
  - Data Grommet model HGRMTDATA — to access data at worksurface.
  - Wire Management strips model HBTMS — for vertical and horizontal wire management.





Current Manufacturer List Pricing Applies.

SEATING FUNCTIONS

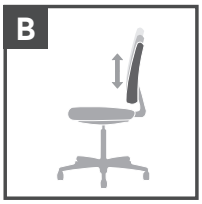
938

Work/task chairs need to be adjusted to deliver optimum support. Cross-reference the letter key below to identify the chairs in this section that best meet your needs.

PROPORTIONAL ADJUSTMENTS

These controls adapt the dimensions of the chair to fit the user.

A. Pneumatic seat height adjustment — Regulates height of chair relative to floor.



B. Back height adjustment — Positions lumbar support within a fixed range.

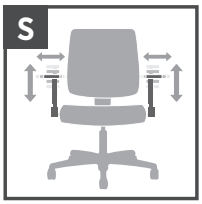
C. Seat depth adjustment — Positions chair back relative to seat.

D. Seat slide mechanism — Seat cushion travels forward and back, then locks into position.

ARM OPTIONS

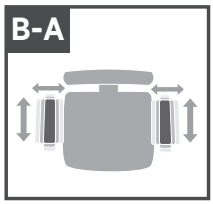
These adjustments accommodate different sized users and support keyboarding.

Q. Adjustable height arms — Provide improved upper-torso support. Can be adjusted periodically to relieve strain and provide variety.



S. Height and width adjustable arms — Controls both height and width of arms for optimum comfort.

T. Loop arms — Largely specified for aesthetics. Frequently used in management settings.



B-A. All-adjustable arms — Arms adjust in height, width, and depth.

Current Manufacturer List Pricing Applies.

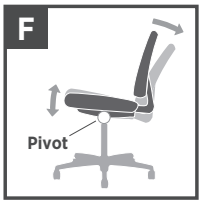
SEATING FUNCTIONS

939

POSTURE CONTROLS

The controls modify the position and angle of the seat and back to respond to changing tasks.

E. 360° Swivel



F. Tilt — Pivot point located directly above center of chair base.

G. Mid-range knee tilt — Pivot point located slightly ahead of center of chair base. Allows user to recline at a slightly more relaxed angle than conventional tilt.

H. Knee tilt — Pivot point located near front edge of chair. Allows user to keep feet flat on floor while chair reclines.

I. Synchronized knee tilt — Back reclines at a 2-to-1 ratio to seat angle. Pivot point located near front edge of chair.

J. Synchro-tilt — Back reclines at a 2-to-1 ratio to seat angle. Allows user to recline while keeping seat cushion relatively level to floor.

K. Tilt tension — Controls rate and ease of recline.

L. Tilt lock — Locks out tilt function.

M. Posture mechanism/ lock — Back angle adjusts independently of seat, and can be locked in an infinite number of positions within a fixed range.

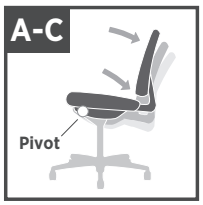
N. Multi-task control — Adjusts seat and back angles independently with a single lever (infinite locking within a fixed range).

O. Asynchronous control — High performance system with three levers to modify: angle of back relative to seat, tilt (free float or infinite locking) and forward tilt.

P. Weight-activated synchro-tilt — Back reclines at a 2 to 1 ratio to seat angle. Tilt tension automatically adjusts to user's body weight as user reclines.

W. Integral lumbar support — Easily adjusts to enhance comfort.

X. Dual-clutch posture control — Adjusts seat and back angles independently with two levers (infinite locking within a fixed range).



A-C. Synchronized tilt — Back reclines at a 2.5 to 1 ratio to seat angle. Variable lock.

A-D. Side tilt tension — Controls rate and ease of recline. Conveniently located on the right side.

A-E. Back reclines at a 2 to 1 ratio to seat angle. Back angle adjusts independently of seat and can be locked in infinite number of positions within a fixed range.

Current Manufacturer List Pricing Applies.

ORDERING INFORMATION

- Seating pages are now arranged in alpha, then numeric, order.
- **All specifications in this publication are based on the latest product information available at the time of print.**
- COM Ordering Information and pricing on page 13.
- Remember to add an FC to the base model number when fire code fabric is selected. See page 258 for available models/fabrics.
- Wood components are well-seasoned select hardwoods, chosen for their strength, their ability to machine well and their superior uniformity of stain and finish.
- Chairs with leather feature matching vinyl backs and vinyl seat bottom when applicable (Non-contact areas are vinyl).

Note: Gathers and creases may be more visible with AI and OP fabrics due to the inherent design and construction of these fabrics. Harvest, Cognac, Natural Maple, and Pinnacle de-emphasized for Park Avenue® and Pillow-Soft® Seating.

FIRE CODE/COMPLIANT SEATING

944

FIRE SAFETY

Definitive Protection — CAL TB 117-2013

- TB 117-2013 — The State of California, Department of Consumer Affairs, Bureau of Electronic and Home Appliance Repair, Home Furnishings and Thermal Insulation (BEARHFTI) Technical Bulletin (TB) 117-2013 is the industry flammability standard for upholstered furniture, and provides methods for smolder resistance of cover fabrics, barrier materials, resilient filling materials, and decking materials for use in upholstered furniture.
- The fabrics and resilient filling materials used in upholstered seating manufactured by The HON Company meet or exceed the flame retardant requirements of State of California TB 117-2013. The label attached to the seat bottom indicates compliance with these requirements.

Elevate Fire Safety to a Higher Standard — CAL TB 133

- The State of California announced in January 2019 that Technical Bulletin (TB) 113, The Flammability Test Procedure for Seating Furniture for Use in Public Occupancies has been repealed effective January 22, 2019.
- While the CAL 133 standard has been repealed, a select subset of The HON Company's most popular chair models are still available in an array of fabrics that include an advanced barrier of fire protection to help comply with CAL 133 requirements.
- To ensure that the chairs you order comply with CAL 133, specify one of the fabrics listed below. Then simply add "FC" to the model number when ordering one of the select available models. A standard upcharge of $90 will be applied per seat model for all single seat chairs.
- **SPECIFYING EXAMPLE: HIWMMFC.Y2.A.H.IM.CU10.NL.SB.T**

Accommodate® Café-Height Stools shown in Centurion Black.

ACCOMMODATE®

The key to designing a collaborative environment is to support productivity throughout the space. From waiting areas and cafés to meeting spaces and offices, Accommodate creates opportunities for people to get work done in a comfortable, casual setting. Cluster together. Form neat rows. Stack four high. With guest and bariatric chairs, as well as café and counter-height stools, Accommodate brings greater comfort, versatility and continuity throughout your space with a seating collection that adapts to your environment, people and budget.

FEATURES

- Thin profile seat cushion conforms to your body.
- Contoured back ergonomically supports the spine.
- Chairs can stack up to four high.
- Chairs can gang together to form neat rows.
- Waterfall seat edge enhances leg circulation.
- Lightweight frame is easy to move.
- Nylon glides slide effortlessly on hard surfaces.
- Tube rolled steel frame adds durability.
- Wall-saver design protects walls and cabinets.
- Warranted for users up to 300 lbs. (Models HSB50 and HSB50DF are warranted for users up to 500 lbs.)
- Available in Seated-, Counter-, and Café-heights.

Current Manufacturer List Pricing Applies.

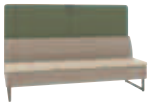
ASTIR™ COLLABORATIVE WORK SEATING

Want to see more? Scan here to check out hon.com.

Astir™ Collaborative Work Seating shown with Birk™ Tables and Acoustic Solutions by Unika Vaev.

ASTIR™

Astir™ Collaborative Work answers the call for soft seating solutions while providing separate work spaces and sturdy posture support for those looking to step away from their desks. The line provides a soft yet upright sit to keep employees engaged and working comfortably at a table setting. High-back and side options help keep private conversations private — so teams don't have to be confined in close quarters, such as a conference room. And a unique, single-seat style with high screens on three sides creates a quiet, secure, and comfortable space for individual focus.



FEATURES

- Seat height and back angle are scaled for more of an upright working posture.
- Choose from One+, Two-, or Three-Seat Lounges in low- or high-back options.
- High-back screens available in knit mesh or fabric options provide visual privacy on back and sides.
- Fabric high-back screen option available in cleanable fabrics (see HON's cleaning guide for instructions).
- Choose from three different leg styles to customize your look.
- Two- or Three-Seat Benches add extra seating for commons or reception areas.
- Pouf model functions as both impromptu seating and a place to kick up your feet.
- Replaceable seat cushion enhances comfort and cleanability, and allows for easy changing.
- With the multi-fabric options, seat cushion and frame can be specified in different fabrics for a modern aesthetic.
- Add an optional power module to route power directly underneath the seat.

Current Manufacturer List Pricing Applies.

MULTI-FABRIC COM YARDAGE

Due to fabric pattern nesting and potential reduction of fabric yield, some multi-fabric models may require more total yardage than standard models.

 SIN 33721	**Vesta Mobile Power Station** • Includes 10′ retractable cord with three-prong plug. • 3 AC, 1 Dual USB-A, 1 USB-C at top • Specify Paint and Plastic. **SPECIFYING EXAMPLE: HPWRMOB1.BLK.STRM**	**HPWRMOB1**	14	3.3	**$1357**
	**Triplex Electrical Harness**				
	48″W, Circuit 1	**HTPKIT48**	5	0.3	**$267**
	60″W, Circuit 1	**HTPKIT60**	5	0.3	**$272**
	72″W, Circuit 1	**HTPKIT72**	5	0.3	**$280**
	48″W, Circuit 2	**HTPKIT482**	5	0.3	**$267**
	60″W, Circuit 2	**HTPKIT602**	5	0.3	**$272**
	72″W, Circuit 2	**HTPKIT722**	5	0.3	**$280**
	**Triplex Corded In-Feed**				
	48″W Corded In-feed	**HTPCIF48**	5	0.3	**$346**
	72″W Corded In-feed	**HTPCIF72**	5	0.3	**$366**
	NOTES: Corded in-feed ships with (1) 4-way splitter, (1) 4-way splitter mounting bracket, (1) conduit clip, and (1) in-feed. Utilizes standard 3-prong plug for easy setup and installation. Use with circuit 1 harnesses only. Corded in-feed not UL listed.				
	**Triplex Hardwire In-Feed**				
	48″W Hardwire In-feed	**HTPHWIF72**	5	0.3	**$298**
	NOTES: Hardwire in-feed ships with (1) 4-way splitter, (1) 4-way splitter mounting bracket, (1) conduit clip, and (1) in-feed. Hardwire in-feed must be installed by a licensed electrician.				
	**Triplex 4-Way Splitter**				
	4-Way Splitter	**HTPSPLIT**	5	0.3	**$91**
	NOTES: 4-way splitter utilized in instances where one power harness feeds into 2-3 power harnesses.				

NOTES:
- Triplex is a 4-trac system with 3 connected simplexes per harness.
- Choose either a corded or hardwire in-feed.
- UL listed as a manufactured wiring system (UL 183) when hardwire in-feed is used.
- cUL Certified for Canada with hardwire in-feed.
- Hardwire in-feed complies with municipal standards such as in New York, Los Angeles, and San Francisco. However, it is customer's responsibility to verify local code compliance.
- Plug in any standard 2- or 3-prong plug accessory to triplex simplexes to get power to where you need it most.

Cambia Upholstered Back Guest Chairs shown with Preside® table.

CAMBIA™ 2160 SERIES

Cambia's comfort and style is a warm invitation for any guest or coworker. With two back variations and arm options, this is a guest chair collection designed to adapt. Each back option offers a choice of a wood slat design or upholstered panel to suit any space or personal taste. Choose from eight rich hardwood finishes and hundreds of quality HON fabrics to express your style and reflect your brand.

FEATURES

- Wood slat back panel complements a variety of surroundings.
- Upholstered seat and back features cushioning for additional comfort and support.
- Personalize your space with a choice of back styles.
- Fixed arms provide support and take pressure off the upper body and shoulders.
- Solid hardwood in one of eight attractive finishes.
- Available in hundreds of quality HON fabrics.
- Warranted for users up to 250 lbs.

Cipher™ Seating.

CIPHER™

From important client consultations to project planning to impending deadlines, busy professionals are required to meet more than a few expectations throughout the day. That's why easy support and intuitive performance should be status quo when it comes to your office chair — and Cipher™ seating goes above and beyond. With intuitive functionality and customizable controls, this smart, streamlined seating solution lets you focus on the task at hand instead of distracted by clumsy mechanisms and constant adjustments. A thoughtful natural leader, Cipher™ moves with you to meet the demands of the day so you can concentrate on what lies ahead.

FEATURES

- Crack the code to productivity with intuitive functionality and thoughtful design.
- Keep things simple with an integrated weight-activated control that automatically adjusts to you as you move.
- Personalize your sit with independently adjustable lumbar support, customizable for user height and pressure preferences.
- Add a pop of color with nine Colorwav™ accent options.
- Get the look you want with nine contrast stitching color choices or a fabric-matched stitch.
- Elevate your aesthetic with a thin, modern profile and open back design.
- Find the right fit for your space with three different cylinder height options.
- Stay cool with 4-Way Stretch Mesh flexes in every direction to dynamically move with you — available in 7 colors.
- Choose from 3 frame options: Salt, Charcoal, and Black.

Cliq™ Seating shown with Preside® Table and Credenza.

CLIQ™

Some of the best work results from a collaborative effort. That's why Cliq brings people together. Designed with a weight-activated control that responds to your body and its movements, Cliq just gets you — providing instant comfort without a lot of adjustments. It's light-scaled for a modern look that's also easy to maneuver around wherever the group discussion takes you. Available as a task chair or stool, Cliq features a wide selection of fabric choices and frame and mesh colors. Intuitive, stylish, and supportive — it just clicks with any collaborative environment.

FEATURES

- Intuitive functionality and design provides comfort and support without the need for multiple adjustments.
- Weight-activated control automatically adjusts to you as you sit.
- Thin profile offers a modern aesthetic, while a wide range of fabric choices ensures the perfect look within any space.
- 4-Way Stretch Mesh flexes in every direction to dynamically move with you — available in 7 colors.
- Choose between fixed arms or armless to get exactly the look you want.
- Task Chairs are available with a conference cylinder or task cylinder so you can choose the chair that best fits your space.
- Task Stools feature an adjustable footring for additional lower body support.
- One-touch seat height adjustment easily moves the seat up and down.
- Choose from 3 frame options: Black, Titanium, and Designer White.

COFI™

You never get a second chance to make a first impression — so why not make a memorable one with Cofi™? This eye-catching seating solution supports individual needs throughout the day with its upscale design and easy control mechanisms. Fine stitching, premium materials, and endless customization options make it easy to celebrate your unique style — and with its thoughtful detailing, and contemporary back, finish, and fabric choices, closing the deal has never been more stylish or sophisticated.

FEATURES

- Get your choice of an Executive or Managerial back.
- Amp up your aesthetic with three different back stitch details — Channel, Quilt, or Solid.
- Color your world with nine contrast stitching color choices.
- Elevate the look with polished aluminum arm and base options.
- Get comfortable with height and width adjustable arms or all-adjustable arms for additional pivot support.
- Make the most of your conference room meetings with simple functionality and comfort.
- Go contemporary with a thin, tapered profile.
- Achieve a signature look with premium detailing and elevated design.
- Find your ideal sit and fit with three handy control mechanisms.
- Clean things up with a fabric-matched thread option.
- Add a little luxury with multi-fabric and contrast stitching choices.

Convergence® Task Chairs shown with Empower® Height-Adjustable Workstations.

CONVERGENCE®

What happens when support and affordability come together? Convergence. This is the task chair that is as attainable as is it comfortable with customizable features. Lumbar support that adds a little extra lower back comfort. Thick seat cushions to take the stress off the lower body throughout the day. Arm choices that let you decide how much upper body support you want. A breathable mesh back that flexes and responds to your movements. Convergence puts all the features you're looking for into one low-priced task chair.

FEATURES

- Choice of swivel tilt or synchro-tilt control with seat slide.
- Black mesh back is breathable for all-day comfort and support.
- Comfort options include adjustable lumbar support, adjustable arms, seat glide and synchro-tilt.
- Three arm options.
- Two control options.
- Integrated handle on the back makes it easy to move and reposition the chair.
- Hard casters move effortlessly on any surface.
- Black frame sits atop a durable five-star base.
- Warranted for users up to 275 lbs.
- 3″ thick seat cushion.

Flexion™ Seating shown with Empower® Workstation and Contain® Mobile Pedestal.

FLEXION™

Multiple meetings and hands-on project planning requires hassle free seating — you need a chair that moves and adapts to your body and your day. Flexion™ features a versatile seat for versatile work. With a clean, nimble aesthetic and straightforward mechanisms, this flexible seating solution supports an on-the-go workstyle, with minimum adjustments and ample comfort.

FEATURES

- Get comfortable with weight-activated flex functionality that responds and adapts to you as you sit.
- Move around freely with 4-point seat suspension that allows for dynamic postures.
- Maximize your back and shoulder support with a back frame designed with torsion in mind to move and flex with you.
- Find the right fit with one-touch seat height adjustment.
- Take your pick of adjustable arms, fixed arms, or an armless aesthetic.
- Meet the needs of your space with 3 different cylinder height options.
- Stay cool with 4-Way Stretch Mesh — available in 7 colors.
- Choose from 3 frame options: Salt, Titanium, and Black.

Flock® Seating and Tables.

FLOCK®

Break away. Come together. Wherever people migrate within a space, Flock is designed to support their needs. With a full collection of modular and comfortable seating elements and coordinating collaborative tables that work seamlessly together, you can make the most of every square inch of your space. Modular lounge chairs and ottomans stand alone or combine to create large arrangements. Multi-purpose stools and chairs add comfort to open spaces. Collaborative tables bring the whole group together. Flock helps people interact with each other, challenge one another, and receive the support they need.

CHAIR FEATURES

- Round and square lounge chairs are fully upholstered.
- The contemporary aesthetic easily matches a variety of surroundings.
- Support everything from one-on-one conversations to large meetings.
- Choose from four leg options — standard, tapered round, tapered square, hard casters, or a 4-star base.
- Swivel, X-, or 4-star base options include return-to-center feature.
- 4-Leg guest chairs and counter- and bar-height stools available with both metal and wood legs.
- Available in hundreds of quality HON fabrics.
- Warranted for users up to 300 lbs.

COLLABORATIVE TABLES

- Choose from round, square, rectangle, or racetrack shaped table tops.
- Optional grommets neatly route cords.
- Bases available in disc, T-leg, and X-leg styles.
- Choose bases with or without footrings.

Gateway™ Chairs shown with Huddle Tables.

GATEWAY™

So you need a new chair, but it has to look as cool as it is comfortable. We've got you covered. Gateway takes the complexity out of finding the perfect chair by focusing on exactly what you're looking for. Cool, breathable mesh. Personalized seat fabrics. Targeted back support. Just what you need. Nothing you don't. All at a price you'll have to look at twice to make sure it's not a typo.

FEATURES

- Seat has comfortable, waterfall edge.
- Mesh back material flexes for a relaxed fit.
- Adjustable lumbar.
- Adjustable tilt to recline based on body type.
- Three arm options.
- Carton is 2 cubic feet smaller than the industry average.

Grove® Lounge shown with Flock® Table.

GROVE®

Find a comfy place to put your feet up, huddle up, and power up. Grove is versatile lounge seating designed to help you greet, meet, focus, relax, and accomplish more. This change-of-pace collection delivers the comfort people crave, while encouraging focus and interaction throughout the workplace. Grove's attractive design is rivaled only by its flexibility. Models include a single seat, two-seat, three-seat, and two-seat with table — all with three arm style and two leg style options, as well as accessories that support connectivity and collaboration. Grove has the look you're going for, and the comfort and versatility people have been waiting for.

FEATURES

- Each model can be combined to create arrangements suitable for any space.
- Optional integrated worksurfaces create more personal space and provide a convenient worksurface.
- Design complements Flock ottomans and tables.
- Integrated power grommets keep laptops and phones powered up anywhere.
- The multi-fabric option coordinates two high-quality HON fabrics for a contemporary look.
- Choose from Single Seat, Two-Seat, Three-Seat Lounge, or Two-Seat with Table options.
- Choose from 3 arm options — Armless (N), Straight Arms (A), or Tapered Arms (B).
- Table available with two grommets and an accessory port option.
- Offers a table between the seats that provides separation and a usable worksurface.
- Warranted for users up to 300 lbs.

For a complete list of fabrics, including partnership fabrics, go to hon.com/fabricsandfinishes.

Reference Fabric Color Combinations on pages 20-25 for color codes and legend on page 21 for lead times. For additional HON to Supply COM fabric grade pricing, go to **honready.hon.com** and click on the HON to Supply COM link.

For more details on Upholstery Pattern Match for this series, please see page 14.

Due to the inherent characteristics of upholstery materials, the seat of Grove® may become more relaxed to show wrinkles over time.

MULTI-FABRIC COM YARDAGE

Due to fabric pattern nesting and potential reduction of fabric yield, some multi-fabric models may require more total yardage than standard models.

	Frame/ Arms	Back/Seat Cushions
2	**$65**	**$91**
3	**$130**	**$182**
4	**$179**	**$250**
5	**$227**	**$318**
6	**$276**	**$386**
7	**$324**	**$453**
8	**$372**	**$521**
9	**$421**	**$589**
10	**$469**	**$657**
11	**$518**	**$725**
12	**$566**	**$793**
L	**$539**	**$754**

For multi-fabric models, start with the base price, then add the additional amount for the back and seat from the corresponding matrix to determine the final list price. Choose any combination of fabric grades for the back and seat.

Example: HML2SDF base price ($3078) + Grade 2 frame/arms fabric (add $65) + Grade 4 back/seat fabric (add $250) = Total $3393 List
HML2SDF base price ($3078) + Grade 5 frame/arms fabric (add $227) + Grade 3 back/seat fabric (add $182) = Total $3487 List

HON Recommendation: HML2SDF.A.PNS__.PNS__.TS.P7A - List Price $3558

Ignition® Seating.

IGNITION®

People come in all shapes and sizes, which is why Ignition does as well. From guest and lounge chairs to executive seating, Ignition allows you to mix and match adjustment features, back height, lumbar, and other options to fit your chair to your needs. It's the easy, affordable way to furnish an entire workplace in style and comfort. Ignition fits who you are, where you work and how you work.

FEATURES

IGNITION® 2.0

- Choice of upholstered, 4-Way Stretch mesh or ReActiv® back options.
- ReActiv® back features zonal comfort that delivers optimal support and flexibility.
- The unique hammock-like inner support allows the upholstered back version to feature a slim profile and provide built-in comfort.
- Optional adjustable lumbar allows users to tailor their support.
- 8 different adjustable lumbar colors available on 4-Way Stretch mesh and ReActiv® task chair models.
- Passive movement back adjusts with you.
- Multiple arm options to accommodate user requirements.
- Available in 7 colors of 4-Way Stretch mesh and 3 ReActiv® colors.
- Molded foam seat for better support and added comfort.
- Black, Titanium, and Designer White frame.
- Mesh seat option with waterfall seat available to reduce pressure points and provide breathability.
- Warranted for users up to 300 lbs., 450 lbs. for Big & Tall.

IGNITION®

- Ignition Series seating addresses the needs of the total office with Executive, Task, Stool, Guest and Lounge Seating Solutions.
- Three different back sizes, three different controls and multiple arm options to fit you and how you work.
- Back height adjustment moves the back up or down to fit various body sizes.
- Contoured back on multi-purpose seating offers greater comfort than typical stack chairs or stools.
- Warranted for users up to 300 lbs., 450 lbs. for Big & Tall.
- Multi-purpose chair stacks four high.

MATTER™

Want to see more? Scan here to check out hon.com.

Matter™ Upholstered Chair with 5-Star Base with Preside® Table.

MATTER™

This modern take on the traditional task chair combines the comfort of a lounge chair and posture of a task chair. The swivel-tilt control allows you to find that reclining position that's just right for you, and the five-star base lets you move around effortlessly. This cool twist on the traditional guest chair puts the comfort of a lounge chair right on top of a traditional four-leg base.

FEATURES

- Brings a modern design aesthetic into any reception or guest area.
- Available in a 5-star base and 4-leg natural wood base. Hardwood legs in Harvest.
- Swivel-tilt mechanism offers a full range of reclining positions.
- Chrome base provides a contemporary accent.
- 360-degree swivel.
- Easily assembled in minutes.
- Backed by **HON 5-Year Limited Warranty**.

MAV™

Want to see more? Scan here to check out hon.com.

Mav™ Single Lounge shown with West Hill™ Seating and Scramble™ Coffee Table.

MAV™

With plenty of base, back, and seat options offset with mid-century flair and richly colored fabrics, the Mav Single Lounge Series is designed to function well in virtually any space. Whether it's configured for a multi-use zone, in a private office, or to stand alone as a statement piece, Mav is an ideal place for impromptu or collaborative gatherings, a quick break, or focused, heads-down work.

FEATURES

- Subtle seat and back contours and refined details create an inviting, contemporary aesthetic.
- Choose from a mid-back or high-back option.
- Contoured arms provide support and create a striking look.
- Armless models offer a range of seated postures.
- High-back models available with a 4-star metal base with return-to-center, 4-leg wood base, or 5-star base with swivel knee tilt.
- Mid-back models offered in 4-star metal base with return-to-center, 4-leg wood base, wire sled base, or 5-star base with swivel knee tilt.
- Multi-Fabric option — seat cushion and frame can be specified in different fabrics for a modern aesthetic.
- Ottoman lets you kick up your feet or use as impromptu seating.
- Seat cushion attaches with Velcro for easy cleaning or replacement.
- Available in a wide range of cleanable fabrics to achieve the perfect look (see HON's Cleaning Guide).
- Choose from 10 wood base or 4 metal base finish options.

Current Manufacturer List Pricing Applies.

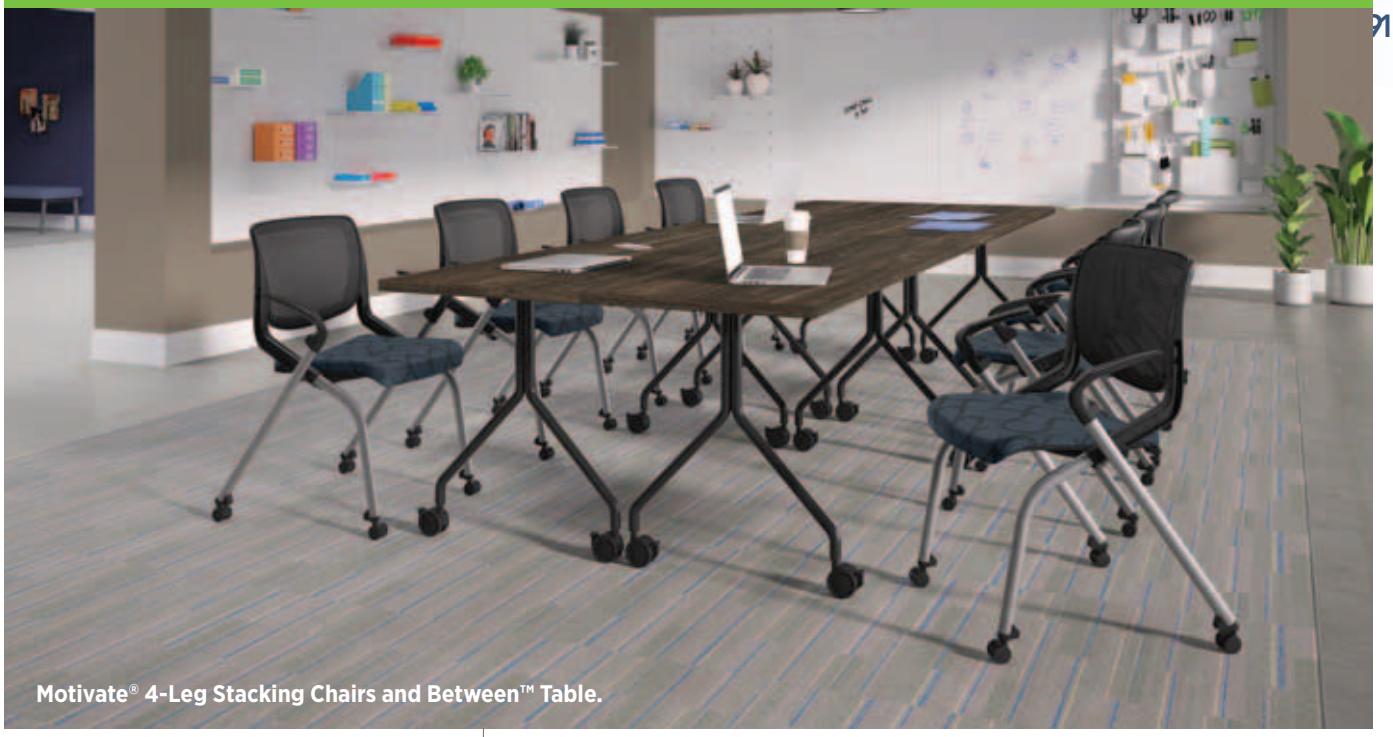
MOTIVATE® CHAIRS

Want to see more? Scan here to check out hon.com.



Motivate® 4-Leg Stacking Chairs and Between™ Table.

MOTIVATE® CHAIRS

A presentation in the morning. A training session in the afternoon. Today's multi-purpose spaces are in constant flux, and need an adaptable seating solution that delivers instant comfort for all, while easily moving around to support various activities. Motivate task chairs, stacking/nesting chairs and guest chairs create a streamlined collection of seating that intuitively responds to your body's natural movements and curves. Whether sitting for five minutes or five hours, when you Motivate your team you put everyone at ease.

FEATURES

- Choose plastic, upholstered or 4-Way Stretch mesh back.
- Easily move chairs around the space for quick rearrangement.
- HMN1 nesting/stacking chairs stack four high on the floor.
- HMS1 sled base chairs stack 12 high on the floor or 40 high on a cart.
- HMS2 sled base chairs stack six high on the floor.
- Dynamic flex-zone motion in seat and back provides balance and lumbar support.
- Model HMT5 task stool features an adjustable footring.
- Plastic shell is available in 13 colors.
- Available in hundreds of quality HON fabrics.
- Warranted for users up to 300 lbs.

TASK CHAIR FEATURES

- One-touch seat height adjustment easily moves the seat up and down.
- 360-degree swivel provides freedom of movement in any direction.
- Warranted for users up to 300 lbs.

Nucleus® Task Seating shown with Voi® Desk and Storage.

NUCLEUS®

Experience comfort from the inside out. Nucleus® puts the science into seating, combining a sophisticated, high-tech aesthetic with meticulously researched ergonomic support. The 4-Way Stretch Mesh back flexes with the spine while the seat cradles you like a hammock, creating your very own custom fit with targeted support. The modern style features an organic, rounded look, making Nucleus® the family of seating that brings cool and comfortable together.

FEATURES

- Advanced suspension material in the seat combines with molded foam to create unparalleled support.
- 4-Way Stretch Mesh flexes in every direction to dynamically move with you — available in 7 colors.
- Choose between armless, fixed arms, height and width adjustable, or all-adjustable arms.
- Task chairs are available in three different cylinder height options so you can find your perfect fit.
- Optional adjustable lumbar allows users to tailor their support — available in 8 colors.
- Choose from 3 frame options: Black, Titanium, and Designer White.
- Task Stools feature an adjustable footring for additional lower body support.
- Stacking chairs stack up to four high on the floor.
- Guest chairs are available with glides, hard, or all-surface casters.
- Warranted for users up to 300 lbs.
- Guest back pivots for added comfort.

HIGH-DENSITY OLSON STACKER® 4040 SERIES

Want to see more? Scan here to check out hon.com.

Olson Stacker.

HIGH-DENSITY OLSON STACKER® 4040 SERIES

Adaptable spaces such as multi-purpose and training areas demand a chair equally flexible. Olson stacking chairs fit that bill with a lightweight frame that is easy to move throughout a space. Chairs stack up to 12 high on the floor or up to 40 high on their specially designed cart to maximize floor space when not in use. A convenient cutout in the back makes it easy to pick up and move, while the molded seat shells deliver surprising comfort. Olson stacking chairs ship in sets of four to accommodate large groups. With Olson, the benefits really stack up.

FEATURES

- Chairs ship four per carton.
- Contoured seat and back shell provide targeted support.
- Integrated lumbar support delivers long-lasting comfort.
- Integrated handle makes chair easy to carry.
- Optional ganging brackets connect chairs to form neat rows.
- Stacks up to 12 high on floor.
- Stacks up to 40 high on cart.
- Shell colors are CA Technical Bulletin 133 compliant.
- Warranted for users up to 300 lbs.

Current Manufacturer List Pricing Applies.

Parkwyn™ Lounge Seating shown with Occasional Tables.

PARKWYN™

The Parkwyn™ series offers soft, comfort, ample support, and clean lines in a cozy reception area to welcome guests or in a shared space for collaboration. With a choice of a club chair, loveseat, sofa, and coordinating ottoman, this soft seating collection provides smart sophistication with a budget-friendly bottom line.

FEATURES

- Parkwyn's soft, contoured profile allows it to work in many settings including reception lobbies, collaboration areas, and private offices.
- Models include single-seat club chair, two-seat loveseat, three-seat sofa, and coordinating ottoman.
- Choice of black polyurethane with black metal legs or gray fabric with medium oak wood legs.
- Back cushions attach with integrated Velcro to maintain user support and comfort and retain long-term structure.
- Back cushions are removable for easy cleaning.
- Tall legs offer a contemporary look while making it easy to clean underneath.
- Simple, toolless assembly with the legs screwed in by hand, and easy movement with lightweight construction.
- Club chair and ottoman are small-package shippable.

PILLOW-SOFT® 2090 SERIES

Want to see more? Scan here to check out hon.com.

Pillow-Soft® Seating shown with 10500 Series™ desking.

PILLOW-SOFT® 2090 SERIES

Pillow-Soft chairs combine comfort, style and selection to deliver the ultimate seating experience. Each executive chair in the collection combines thick memory foam cushioning with built-in lumbar support to reduce fatigue and increase comfort. Besides the full body support, it adds an authoritative presence to the office. The plush tufted leather or fabric will add a touch of sophistication to your office.

FEATURES

- Responsive memory foam eliminates pressure points and provides lasting comfort.
- Loop arms relieve stress on the shoulder and neck.
- Fully-upholstered outer back.
- Memory foam seat cushion reduces pressure points and responds to contours of the body for lasting comfort.
- Task chairs come standard with pneumatic seat height adjustment, tilt, tilt tension and tilt lock.
- Dual-wheel casters roll effortlessly and silently.
- Warranted for users up to 300 lbs.
- H2095 model warranted for users up to 275 lbs.

Ruck™ Seating shown with West Hill™ Casual Lounge, Scramble™ Occasional Tables, and Unika Vaev Screens.

RUCK™

Easy on the eyes and even easier to move and stack, Ruck™ seating brings effortless style to working alone or together. Available in a variety of finishes in both seated and stool heights, Ruck clicks with its surroundings — whether that's in a collaborative area, café setting, or as a side chair in a private office. Crafted with gentle, molded contours, Ruck makes being on the edge of your seat a more comfortable place to be.

FEATURES

- Available in both a seated and stool-height option.
- Lightweight frame can be easily moved to rearrange seating configurations.
- Waterfall seat edge promotes better leg circulation.
- Glides move effortlessly on hard surfaces.
- Both the chair and stool stack six high on the floor to maximize space.
- Single-piece shell can be quickly wiped down for easy maintenance.
- Choose from 6 laminate and 4 veneer shell colors.
- Legs are available in a variety of finish options to match or complement other HON product lines.
- Backed by HON's industry-leading Lifetime Warranty.

Current Manufacturer List Pricing Applies.

Skip shown with Flock® Cylinder Table.

SKIP

It's hard to get creative when you're feeling all buttoned up. That's why workplaces are adding less formal, more dynamic spaces to foster greater creativity and connection between workers. Designed to put the fun back in functional, Skip seating offers an engaging, active sit that lets you rock a meeting — literally. When it comes to casual and collaborative seating that's as lively as it is practical, this chair doesn't Skip a beat.

FEATURES

- Built-in handle makes it easy to move around.
- Textured finish is durable, easy to clean, UV resistant, and suitable for outdoor sitting.
- Optional cushion stays in place but is not permanently affixed.
- Cushion fabric is easy to wipe clean.
- Hard plastic frame is multicolored.

SoCo™

Want to see more? Scan here to check out hon.com.

SoCo™ shown with Sculpt™ Tables.

SoCo™

Today's busy professionals are taking meetings and project planning in a variety of different ways and places. SoCo™ is an intuitive modular lounge series designed to encourage the ease of both collaborative and individual work while supporting how people like to sit and get comfortable. Multiple shapes come together to create a wide range of configuration possibilities, from understated and sophisticated to fun and playful. Power is cleanly integrated within the design and is located where multiple users can access and utilize its functionality to stay connected. SoCo™ offers soft, comfortable support and a tailored aesthetic in spaces that allow you to get away from the workstation throughout the day.

FEATURES

- SoCo™ supports dynamic collaboration and casual focused work with a soft, organic, tailored aesthetic that delivers comfort for a variety of sitting postures.
- Seven modular shapes work together to create unlimited linear and curvilinear configurations.
- A fully upholstered design with a multi-fabric seat/back option softens the corporate aesthetic.
- Optional plug-in or hardwire electrical is available on select shapes and supports both USB-A and USB-C compatibility.
- Dual-purpose glides allow two functions: without glide caps furniture stays in place; with glide caps furniture easily moves for reconfiguration.

Current Manufacturer List Pricing Applies.

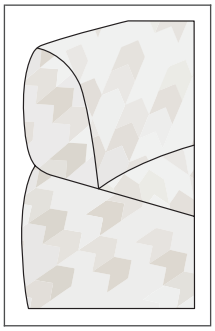
Reference Fabric Color Combinations on pages 20-25 for color codes and legend on page 21 for lead times.

Upholstery Expectations

Solid, non-patterned fabrics are recommended due to SoCo's curvilinear profile. HON does not pattern match fabrics that have a distinct linear or repeating pattern. It is recommended to choose from one of HON's many standard non-patterned fabrics. For more details on Upholstery Pattern Match for this series, please see page 14.



*Due to the inherent characteristics of upholstery materials, such as coated textiles and stiffer fabrics, and the curved nature of SoCo™, fabric may show some wrinkles along seams and may become more relaxed to show additional wrinkles over time.

SOLVE®

If you want to make a powerful statement, simply have a seat. With three back materials and an optional adjustable lumbar support, Solve answers the need for a higher level of personalization. Solve task chairs feature a geometric ReActiv® back to create a contemporary look, while the 4-Way Stretch mesh back offers a softer, more relaxed feel. The synchronized seat and back move in harmony with the user to provide continuous comfort that can be customized. Helping anyone achieve optimal balance, proper alignment and lumbar support, Solve is an ideal solution for everywhere and everybody.

FEATURES

- Synchronized seat and back create continuous comfort.
- Waterfall seat edge encourages leg circulation.
- Optional seat depth adjustment adapts to users of various heights.
- ReActiv® back design moves with your body to provide continuous support and airflow for lasting comfort.
- Available with three control types — synchro-tilt, synchro-tilt with seat slider and advanced synchro-tilt.
- Choose from four different arm options — armless, fixed, height- and width-adjustable or all-adjustable arms.
- Optional lumbar support delivers long-lasting comfort.
- Available with bell glides, hard casters or all-surface casters.
- Upholstered ReActiv® back offers all the benefits of the ReActiv® back with a fabric cover for additional comfort.
- Back upholstery available in one of six attractive fabrics.
- Choose from 3 frame options: Black, Titanium and White.
- Available in seven mesh back and seven lumbar colors and thousands of fabrics.
- Warranted for users up to 300 lbs.

Soothe Guest Chairs and Tables.

SOOTHE®

Soothe offers the comfort and versatility to support a variety of healthcare and waiting environments. This family of patient and guest seats is constructed from durable materials and thoughtfully designed to be easily cleaned. The entire collection maximizes comfort along the patient's journey to recovery, enhances functionality for the caregiver, and creates the versatility required to deliver a higher level of care.

FEATURES

- Available in Charcoal Urethane arm caps.
- Wipeout space at the back of the seat allows for easy maintenance.
- Bench seating is available in two-seat or three-seat options.
- Choose one of eight frame finishes.
- Multi-fabric option offers endless color combinations.
- Chairs can be ganged together to create straight rows.
- Warranted for users up to 350 lbs. (Model HHCG50 bariatric chair warranted for 750 lbs.)
- Wall-saver design protects walls and cabinets.

Volt® Task Chairs and Stools shown with Voi® Desks.

VOLT®

Customizable comfort, distinctive styling and an affordable price point make Volt the family of task seating that supports your body and your budget. The stylish V-shaped back design can be specified in fabric, leather or breathable mesh, giving you more control over your look and feel. The personalized controls and generously proportioned seat and back deliver greater comfort, and are designed support to a wider variety of users. Volt delivers the look you desire, the comfort you demand, and the quality you expect. That's the power of practicality.

FEATURES

- Optional synchro-tilt control provides a smooth, natural recline.
- Optional height-adjustable arms provide a custom fit.
- Optional mesh back offers breathable support.
- Task stools feature an adjustable footring for additional lower body support.
- One-touch seat height adjustment easily moves the seat up and down.
- Tilt tension controls the rate and ease of recline.
- Tilt lock allows the user to lock out the tilt function.
- 360-degree swivel provides freedom of movement in any direction.
- Select models available in hundreds of quality HON fabrics.
- Warranted for users up to 275 lbs.

Current Manufacturer List Pricing Applies.

WEST HILL™ CASUAL LOUNGE SEATING

Want to see more? Scan here to check out hon.com.

West Hill™ Casual Lounge Seating shown with Scramble™ Coffee Table.

WEST HILL™

Whether you're a thought leader, innovator, or highly motivated team player, West Hill casual lounge creates an inviting space that inspires relaxed productivity, sustains concentration, and sparks creativity.

With solid construction, a multitude of back cushion styling, seating options from a single seat to three or more, and choices in leg styles, fabrics, and configurations, West Hill makes it easier to make your space exceptional.

FEATURES

- Contoured seat cushion design brings living room comfort to the work space.
- Choose between a Square Back or sink into a comfy Pillow Back cushion.
- Semi-attached back and seat cushions make replacement easy.
- Square, welted back cushion creates a modern look while providing casual comfort.
- The multi-fabric option allows you to specify up to three fabrics on one model.
- Select one of two square metal leg options or hardwood cone feet in one of 10 finishes.
- Order an optional Throw Pillow to add a little extra comfort or a splash of color.
- Cushion packs available in both Standard and Pillow Back, apply to both side and back applications.
- Each seat is warranted for users up to 300 pounds.
- Pair with Scramble™ Occasional Tables to complete the modern aesthetic.

For a complete list of fabrics, including partnership fabrics, go to hon.com/fabricsandfinishes.

Reference Fabric Color Combinations on pages 20-25 for color codes and legend on page 21 for lead times.

*Because of the differing upholstery process for the standard back and pillow back options, these fabrics are not available as an option for the pillow back. Contact your HON representative for questions.

For more details on Upholstery Pattern Match for this series, please see page 14.

Due to the inherent characteristics of upholstery materials and the casual nature of West Hill™, fabric may relax to show wrinkles over time especially on the pillow back options.

MULTI-FABRIC COM YARDAGE

Due to fabric pattern nesting and potential reduction of fabric yield, some multi-fabric models may require more total yardage than standard models.

INFORMATION ON ORDERING PARTS

1204

When parts are needed to repair HON products, the following guidelines should be followed to expedite the process.

1. Warranty orders are submitted on HON Ready via the Quick Claim tool.
2. There are no discounts applied to parts. Pricing quoted is the net value. Parts pricing is subject to change without notice.
3. For a part not covered by warranty applicable shipping charges will apply.
4. All keys are $6.00 each plus a shipping and handling fee of $3.00 per shipping location.
5. Parts may be paid for with an approved credit card. Approved Cards: MasterCard, VISA and American Express.
6. Payment terms for invoiced parts are Net 30 days.
7. Due to short leadtimes on parts, no changes will be accepted after the order has been placed.
8. When placing a **warranty** parts order:

   If the product is under warranty, the product serial number must be provided. Most finished goods products have a serial number placed on them at the factory. The label containing the serial number is located:

   Vertical Files — right side of the uppermost drawer

   Lateral Files — left side of the uppermost drawer or shelf

   Desk Towers — outside of top drawer

   Desks, Credenzas, & Returns — on the outside, kneespace side of the top drawer. Fully extend the drawer to find it.

   Desks, Credenzas, Corner Units, Bridges, Peninsulas & Returns without drawers — underside of top

   Tables and Stands — underside of the top

   Table Trucks — underside of side rail

   Cabinets & Bookcases — left inner side of the case

   Modular Component Top and Backs — underside of top

   Modular End Panels — top inside surface

   Reception Stations — top inside surface of back panel

   Organizers — top inside surface of left end panel near back panel

   Vertical Paper Manager — back panel inside surface near top

   Pedestals — bottom drawer right side exterior

   Seating — underside of the seat

   Panels — underside of the top cap

   Hutches, Storage Units, Overhead Storage — underside of the shelf

   Hanging Bookshelves — underside of shelf

NOTE: Removal of the serial number tag from the product voids the warranty.

An important note regarding Product Serial Numbers:
HON desks, tables, chairs, files and systems components are tagged with a serial number. This number helps us identify *when and where your product was made,* and to identify and correct the root causes for the problem. NEITHER THE DEALER NOR THE CONSUMER SHOULD REMOVE THIS TAG UNDER ANY CIRCUMSTANCES. To do so immediately voids your Warranty coverage for that particular item *and prevents us from further identifying it.* Instead, please transcribe the number and call your Dealer.

Updated: 12/8/23

2024 MASTER PRICE LIST

Effective December 1,2023 - May 30, 2024

Prices Subject to Change Without Notice

TABLES

TC-65 Table / Seating Units with attached ABS Stools, U/L Listed, Chrome is standard.

Model Number	Description	List Price	Weight
STTA514?A??	4' Associate, Rectangle Top, 4 stools (round or comfort). Specify Height, Laminate, Armor Edge, Stool and Leg color.	$ 2,068.00	81 lb. (36.7 kg)

Model Number	Description	List price	Weight
EDCT11A1-1A?????	A-Frame Community Table 30W X 82L 30H (46cm x 208cm x 46cm) 1-1/4" Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 2,719.00	
EDCT11A1-1B????	A-Frame Community Table 30W X 82L 30H (46cm x 208cm x 46cm) 2" Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 3,224.00	
EDCT11A1-1C?????	A-Frame Community Table 30W X 82L 30H (46cm x 208cm x 46cm) 1-1/4" Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 3,156.00	
EDCT11A1-2A?????	A-Frame Community Table 30W X 106L 30H (46cm x 269cm x 46cm) 1-1/4" Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 2,878.00	
EDCT11A1-2B????	A-Frame Community Table 30W X 106L 30H (46cm x 269cm x 46cm) 2" Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 3,337.00	
EDCT11A1-2C?????	A-Frame Community Table 30W X 106L 30H (46cm x 269cm x 46cm) 1-1/4" Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 3,351.00	
EDCT11A2-1A?????	A-Frame Community Table 30W X 82L 42H (46cm x 208cm x 107cm) 1-1/4" Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 2,866.00	
EDCT11A2-1B????	A-Frame Community Table 30W X 82L 42H (46cm x 208cm x 107cm) 2" Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 3,371.00	
EDCT11A2-1C?????	A-Frame Community Table 30W X 82L 42H (46cm x 208cm x 107cm) 1-1/4" Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 3,305.00	
EDCT11A2-2A?????	A-Frame Community Table 30W X 106L 42H (46cm x 269cm x 107cm) 1-1/4" Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 3,560.00	

EDCT11A2-2B????	A-Frame Community Table 30W X 106L 42H (46cm x 269cm x 107cm) 2" Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 3,520.00	
EDCT11A2-2C?????	A-Frame Community Table 30W X 106L 42H (46cm x 269cm x 107cm) 1-1/4" Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 3,534.00	1211
EDCT11B1-1A?????	Harbor Springs Community Table 30W X 82L 30H (46cm x 208cm x 46cm) 1-1/4" Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 2,590.00	
EDCT11B1-1B????	Harbor Springs Community Table 30W X 82L 30H (46cm x 208cm x 46cm) 2" Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 3,688.00	
EDCT11B1-1C?????	Harbor Springs Community Table 30W X 82L 30H (46cm x 208cm x 46cm) 1-1/4" Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 3,029.00	
EDCT11B2-1A?????	Harbor Springs Community Table 30W X 82L 42H (46cm x 208cm x 107cm) 1-1/4" Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 2,736.00	
EDCT11B2-1B????	Harbor Springs Community Table 30W X 82L 42H (46cm x 208cm x 107cm) 2" Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 3,240.00	
EDCT11B2-1C?????	Harbor Springs Community Table 30W X 82L 42H (46cm x 208cm x 107cm) 1-1/4" Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 3,174.00	
EDCT11B1-2A?????	Harbor Springs Community Table 30W X 106L 30H (46cm x 269cm x 46cm) 1-1/4" Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 2,745.00	
EDCT11B1-2B????	Harbor Springs Community Table 30W X 106L 30H (46cm x 269cm x 46cm) 2" Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 3,205.00	
EDCT11B1-2C?????	Harbor Springs Community Table 30W X 106L 30H (46cm x 269cm x 46cm) 1-1/4" Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 3,217.00	
EDCT11B2-2A?????	Harbor Springs Community Table 30W X 106L 42H (46cm x 269cm x 107cm) 1-1/4" Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 2,924.00	
EDCT11B2-2B????	Harbor Springs Community Table 30W X 106L 42H (46cm x 269cm x 107cm) 2" Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 3,384.00	
EDCT11B2-2C?????	Harbor Springs Community Table 30W X 106L 42H (46cm x 269cm x 107cm) 1-1/4" Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 3,397.00	
EDCT11C1-1A?????	X-Frame Community Table 30W X 82L 30H, Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 2,611.00	
EDCT11C1-1B???	X-Frame Community Table 30W X 82L 30H, Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 2,704.00	
EDCT11C1-1C??????	X-Frame Community Table 30W X 82L 30H, Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 2,782.00	
EDCT11C1-2A?????	X-Frame Community Table 30W X 106L 30H, Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 3,415.00	
EDCT11C1-2B???	X-Frame Community Table 30W X 106L 30H,Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 4,866.00	
EDCT11C1-2C??????	X-Frame Community Table 30W X 106L 30H, Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 3,470.00	
EDCT11C2-1A?????	X-Frame Community Table 30W X 82L 42H,Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 2,703.00	
EDCT11C2-1B???	X-Frame Community Table 30W X 82L 42H, Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 2,744.00	
EDCT11C2-1C??????	X-Frame Community Table 30W X 82L 42H, Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 2,822.00	
EDCT11C2-2A?????	X-Frame Community Table 30W X 106L 42H, Laminate top with Armor Edge. Specify Laminate, Armor-Edge and Powder Coat Finish	$ 3,509.00	
EDCT11C2-2B???	X-Frame Community Table 30W X 106L 42H, Laminate top with Plywood Sealed Edge. Specify Laminate and Powder Coat Finish	$ 4,933.00	
EDCT11C2-2C??????	X-Frame Community Table 30W X 106L 42H, Laminate top with PVC Edge Band. Specify Laminate, PVC Edge Band and Powder Coat Finish	$ 3,534.00	
EDAC11A1-3????	Alliance Collaboration Table 30W X 60L 30H w/Glides, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 4,935.00	

EDAC11A1-3??AC??	Alliance Collaboration Table 30W X 60L 30H w/Glides, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,146.00	
EDAC11B1-3????	Alliance Collaboration Table 30W X 60L 30H w/Casters, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,407.00	
EDAC11B1-3??AC??	Alliance Collaboration Table 30W X 60L 30H w/Casters, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,640.00	
EDAC11A1-1????	Alliance Collaboration Table 30W X 76L 30H w/Glides, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,116.00	
EDAC11A1-1??AC??	Alliance Collaboration Table 30W X 76L 30H w/Glides, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,273.00	
EDAC11B1-1????	Alliance Collaboration Table 30W X 76L 30H w/Casters, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,828.00	
EDAC11B1-1??AC??	Alliance Collaboration Table 30W X 76L 30H w/Casters, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,985.00	
EDAC11A1-2?????	Alliance Collaboration Table 30W X 96L 30H w/Glides, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,353.00	
EDAC11A1-2??AC??	Alliance Collaboration Table 30W X 96L 30H w/Glides, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,509.00	
EDAC11B1-2?????	Alliance Collaboration Table 30W X 96L 30H w/Casters, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,687.00	
EDAC11B1-2??AC??	Alliance Collaboration Table 30W X 96L 30H w/Casters, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,842.00	
EDAC11A2-3????	Alliance Collaboration Table 30W X 60L 42H w/Glides, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,146.00	
EDAC11A2-3??AC??	Alliance Collaboration Table 30W X 60L 42H w/Glides, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,462.00	
EDAC11B2-3????	Alliance Collaboration Table 30W X 60L 42H w/Casters, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,775.00	
EDAC11B2-3??AC??	Alliance Collaboration Table 30W X 60L 42H w/Casters, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,956.00	
EDAC11A2-1?????	Alliance Collaboration Table 30W X 76L 42H w/Glides, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,345.00	
EDAC11A2-1??AC??	Alliance Collaboration Table 30W X 76L 42H w/Glides, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,500.00	
EDAC11B2-1?????	Alliance Collaboration Table 30W X 76L 42H w/Casters, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,672.00	
EDAC11B2-1??AC??	Alliance Collaboration Table 30W X 76L 42H w/Casters, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,828.00	
EDAC11A2-2?????	Alliance Collaboration Table 30W X 96L 42H w/Glides, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,555.00	
EDAC11A2-2??AC??	Alliance Collaboration Table 30W X 96L 42H w/Glides, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,711.00	
EDAC11B2-2?????	Alliance Collaboration Table 30W X 96L 42H w/Casters, Laminate w/ Armor Edge and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 5,889.00	
EDAC11B2-2??AC??	Alliance Collaboration Table 30W X 96L 42H w/Casters, Laminate w/ PVC Edge Band and Waterfall Edges. Grain to run length of top & sides to run vertical	$ 6,046.00	
EDAC11B1-1?????-??	Alliance Collaboration Table 30W X 76L 30H w/Casters, Top & outside waterfall panel Laminate w/ Armor Edge, Inside Panel: Laminate w/ Armor Edge Grain to run length of top & sides to run vertical	$ 7,311.00	
EDAC11A1-1?????-??	Alliance Collaboration Table 30W X 76L 30H w/Glides, Top & outside waterfall panel Laminate w/ Armor Edge, Inside Panel: Laminate w/ Armor Edge Grain to run length of top & sides to run vertical	$ 7,523.00	
EDAC11A1-1??AC??-??	Alliance Collaboration Table 30W X 76L 30H w/Glides, Top & outside waterfall panel Laminate w/ PVC Edge, Inside Panel: Laminate w/ PVC Edge. Grain to run length of top & sides to run vertical	$ 8,387.00

SNM213DB	X-Press Frame 3' x 8' 24"-30"-36" high - adjustable glide	$ 1,537.00	
SNM212AB	X-Press Frame 4' x 6' 6" high	$ 840.00	
SNM212BB	X-Press Frame 4' x 6' 12" high - adjustable glide	$ 1,561.00	

SNM212CB	X-Press Frame 4' x 6' 18" - 24" high - adjustable glide	$ 1,572.00	
SNM212DB	X-Press Frame 4' x 6' 24"-30"-36" high - adjustable glide	$ 1,584.00	
SNM214AB	X-Press Frame 4' x 8' 6" high	$ 865.00	
SNM214BB	X-Press Frame 4' x 8' 12" high - adjustable glide	$ 1,572.00	
SNM214CB	X-Press Frame 4' x 8' 18" - 24" high - adjustable glide	$ 1,584.00	
SNM214DB	X-Press Frame 4' x 8' 24"-30"-36" high - adjustable glide	$ 1,678.00	
SNM21AAB	X-Press Frame 3' Trapezoid Pie shape: 6" H (Tier 1)	$ 855.00	
SNM21BAB	X-Press Frame 4' Trapezoid Pie shape: 6" H (Tier 1)	$ 902.00	
SNM21CBB	X-Press Frame 3' Trapezoid Pie shape: 12" H (Tier 2)	$ 1,039.00	
SNM21DBB	X-Press Frame 4' Trapezoid Pie shape: 12" H (Tier 2)	$ 1,062.00	
SNM21ECB	X-Press Frame 3' Trapezoid Pie shape: 18" H (Tier 3)	$ 998.00	
SNM21FCB	X-Press Frame 4' Trapezoid Pie shape: 18" H (Tier 3) RH	$ 1,031.00	
SNM21GCB	X-Press Frame 4' Trapezoid Pie shape: 18" H (Tier 3) LH	$ 1,031.00	
SNM21HDB	X-Press Frame 3' Trapezoid Pie shape: 24" H (Tier 4) RH	$ 1,038.00	
SNM21JDB	X-Press Frame 3' Trapezoid Pie shape: 24" H (Tier 4) LH	$ 1,038.00	
SNM21KDB	X-Press Frame 4' Trapezoid Pie shape: 24" H (Tier 4) RH	$ 1,056.00	
SNM21LDB	X-Press Frame 4' Trapezoid Pie shape: 24" H (Tier 4) LH	$ 1,056.00	

X-Press Steps

Model Number	Description	List Price	Weight
SAS21A??U	2-Step Rise (for 12"-18" stages) w/rails & wheels	$ 1,894.00	
SAS21C??	3-Step Rise (for 12"-24" stages) w/rails & wheels	$ 2,965.00	
SAS31F??	4-step Rise (for 18"/24"/30 stages) w/rails & wheels	$ 4,730.00	
SAS31G??	5-step Rise (for 24"/30/36" stages) w/rails & wheels	$ 4,850.00	

X-Press Guardrails

Model Number	Description	List Price	Weight
SGU11BBB	3' Guardrail	$ 1,284.00	
SGU11DBB	4' Guardrail	$ 1,365.00	
SGU11FBB	6' Guardrail	$ 1,488.00	
SGU11GBB	8' Guardrail	$ 1,547.00	

X-Press Drapes

Model Number	Description	List Price	Weight
SDN218A1???	96"w x 6" L performance drape. Specify color.	$ 683.00	
SDN214B1???	48"w x 12" L performance drape. Specify color.	$ 492.00	
SDN218B1???	96"w x 12"L performance drape. Specify color.	$ 947.00	
SDN214C2???	48"w x 18"/24" L performance drape. Specify color.	$ 671.00	
SDN218C2???	96"w x 18"/24" L performance drape. Specify color.	$ 1,285.00	
SDN218D3???	96"w x 24"/30"/36" L performance drape. Specify color.	$ 1,710.00	
115233	Single clip for drapes	$ 13.00	

X-Press Chair/Table Stops

Model Number	Description	List Price	Weight
SAX11CS3	3'w Chair / Table Stop	$ 311.00	
SAX11CS4	4'w Chair / Table Stop	$ 322.00	
SAX11CS5	5'w Chair / Table Stop	$ 354.00	
SAX11CS6	6'w Chair / Table Stop	$ 366.00	
SAX11CS8	8'w Chair / Table Stop	$ 375.00	
116443BS1	Storage Posts for Chair Stops (this is price per, purchase in pairs)	$ 344.00	

X-Press Storage Carts

Model Number	Description	List Price	Weight
1413-002BS1	Chair/Table Stop Rack (fits 1416-001B)	$ 2,365.00	
SAC11NMB	Holds 8 - 4' x 8' decks and frames	$ 1,803.00	
SAC11NM3	Holds 8 - 3' x 8' Decks & frames	$ 1,926.00	
SAC11NM36	Holds 8 - 3' x 8' Decks & 6" frames	$ 2,771.00	
SAC11NM6	Holds 4' x 8' Decks/ 6" frames	$ 2,771.00	
SAC11NM4BS1	Holds 8 Special length 4' w units up to 8' long	$ 3,159.00	
1416-001B	Combination Guard Rail/Drapery Truck. Capacity: up to 16 ea. 8' Rails	$ 3,341.00	

Variable Terrain Folding Leg Stages/Risers

VT Stages/Risers for indoor use.

GENERAL SALES POLICY

ORDERING PROCEDURES:

The customer should place their order on their own numbered order form, indicating the quantity, model number, catalog number, top color, stool color, height, shipping method and preferred routing. Written orders confirming phone orders must be marked "confirming" otherwise the customer may be liable for the cost of recovering duplicate shipments.

PRICES:

Prices are based on specifications as shown in our literature and as described in this price sheet. Any deviation must be repriced from the factory. We reserve the right to substitute materials if materials are not available, and to make design changes which, in our opinion, improve the product. Prices are subject to change without notice.

STANDARD PRODUCTS:

SICO® standard products are produced to fulfill specific order requests, therefore, no standard product will be accepted for return unless a SICO America Inc. representative provides written consent and the customer approves and returns the "SICO Return Material Authorization Request" form.

Standard products that will be given consideration for return must meet the following conditions:

*Not older than 60 days from the shipment date.
*The standard product(s) must never have been used.
*The standard product(s) must be able to be returned in their original packaging material.

In addition, the following applies if consent is provided for the return of standard product(s):

*A 25% handling charge will be made on all returns.
*The customer is accountable for the cost of freight "there and back" to the specified SICO America Inc. location.
*If the standard product(s) is damaged when received by SICO America, Inc., the customer will not receive any credit for the standard product(s) return.

NON-STANDARD PRODUCT(S) ARE NOT ACCEPTED FOR RETURN UNDER ANY CONDITIONS.

TAXES: Unfortunately, sometimes the collection of taxes is imposed on the manufacturer. Therefore, there shall be added to the sale price, any excise, sales, occupation, use, or any other tax imposed upon the manufacturer incident to this sales unless otherwise noted on the order.

CREDIT: All orders will be subject to the approval of the SICO credit department.

TERMS: Net 30 days.

TRANSPORTATION RESPONSIBILITY: SICO products are shipped F.O.B. factory either from Minneapolis, Minnesota, Conway, Arkansas or Belleville, Wisconsin. This means that the buyer, and not the seller, owns the goods and carries all the risk of loss or damage after the goods leave the factory. It is the buyer's responsibility to inspect the shipment upon delivery before accepting delivery in good condition. Any damage, visible or concealed, must be noted on the carrier's delivery receipt in the presence of the driver. This should be done before signing the bill of lading accepting the goods in good condition. If concealed damage is suspected, the merchandise should be uncartoned and inspected within 5 days after delivery. Save all cartons and request an inspection from the freight company within that same period. The customer is responsible to file a freight claim. SICO will assist in filing loss or damage claims upon receipt of proper documents, but cannot be responsible for the actual collection of claims or replacement of order.

DELIVERY: SICO assumes no liability for damages on account of delay in delivery resulting from any cause whatsoever beyond its reasonable control.

Prices Effective December 1, 2023 through May 30, 2024 **Prices are subject to change without notice.**

WE **SERVE** OUR PEOPLE AND CUSTOMERS BY **INSPIRING** HEALTHY, SAFE, AND ADAPTABLE ENVIRONMENTS THAT **CREATE** SPACE FOR EVERYONE TO **CONNECT** AND **BELONG.**

Soft seating is all we do, and foam is all we do it with. It's what makes us the foam experts! Our expertise in foam is unmatched, and we take pride in our unique single-cut foam construction that not only makes our furniture more sustainable and cost-effective but also ensures its durability under high usage. With hundreds of color options in fabrics and vinyl, as well as other finishing options, you can be sure our furniture will fit your unique needs. No other company creates quality, stylish, comfortable soft seating backed by a lifetime warranty* like we do at Fōmcore. Give us a chance to prove ourselves and experience the transformation Fōmcore soft seating can bring to your space.

SO MUCH MORE THAN JUST AN OTTOMAN

CUSTOMIZATION VS. MODIFICATION

CUSTOMIZATION

- Work with our design and engineering team to create a completely custom design
- Create or design any shape, even abstract (ex. dolphin, airplane, star, etc.)
- Typically, there is no extended lead time for custom orders once the drawings have been approved

MODIFICATION

- Modify any of our standard pieces by altering the height or width
  **In many cases there is no additional charge to make this change.*
- Other modifications available:
  - Thread/zipper color
  - Glides, legs, casters
  - Power options
  - TFL work surface
  - Embroidery
  - Weather resistant
  - Textile option and placement

CONSTRUCTION

- Solid foam construction means there is no internal wood frame
- Foam fabrication is done in-house with 600lb buns of foam
- Each product is sewn with double seams to ensure the strength and integrity
- Marine grade nylon thread is not only strong, but it also holds up to both light and moisture
- The rounded edge on our wood base protects the textile from cracking or ripping
- With each shipment, you receive a custom-made Klever Kutter to cut open packaging - not your product
- Machines are not creating our product - people are! We have a robust training program to ensure each team member is a true craftsman in their department
- All promoted textiles are tested and approved for use
- Engineers are in-house and hands-on; they develop and test products to make sure they meet BIFMA standards
- Our precision cutting equipment allows for endless shapes, sizes, and customization
- We stand behind our products with a lifetime warranty* *See page 65 for details*

ZIPPERED VS. UPHOLSTERED

ZIPPERED

- Solid foam construction
- No wood base
- No pinch points
- Zipper sealed from the inside, so fabric won't come undone
- Can be utilized in multiple ways

UPHOLSTERED

- Solid foam construction
- Upholstered to wood base with rounded edges to protect textile
- High-quality black fabric with black staples to cover the bottom
- Allows for the modification of legs, glides, casters, and power

OTTOMAN & BENCH SERIES

The Ottoman and Bench Series takes flexible seating to the next level. With a lightweight, solid foam structure, it's easy to create exactly what you need. Whether you are looking to create a personal space or collaborative environment, you can do it quickly and efficiently with pieces from the Ottoman and Bench Series.

THE STORY BEHIND THE NEST DESIGN

Inspiration can be found in numerous ways and from countless sources. One can find inspiration in a conversation with a friend, a song that pops up on our playlist, or from a walk outside. The students at Desert Hot Springs HS in Desert Hot Springs, California, particularly inspired us. Together with one of our dealer partners, we collaborated with a Career Tech class of Juniors at DHSHS for our first-ever "For Students by Students" project. We had a simple premise: Connect with students and staff at a local school and craft a tailor-made curriculum, allowing students to design a unique piece of furniture that serves a purpose in their classroom. We were amazed by the students' creations! Under the guidance of their Career Tech teacher, Stacy Ward, the students had to come up with "mindful" designs of furniture that would help students relax and realign. For three months, students worked in teams, thinking about the construction and design elements, along with engaging in philosophical conversations about how space affects our emotions, and the purpose furniture should serve in such spaces.

At the end of three months, students presented their ideas and, in the end, landed on the "NEST", a versatile piece that lets students either interact with a group or have a moment of quiet. The students received a NEST for their school, a $1,000 grant, and they were given the opportunity to learn and discover with a real-world application.

CAMPFIRE COMBO

EDUCATIONAL STORY

The new Campfire Combo is a perfect arrangement for students to gather for group time and shared learning. By design, the Campfire Combo draws students in; gathering them around a shared "Foam Flame" focal point. With 3 different colors of foam triangles, the Foam Flame serves as an interactive instructional tool for facilitating a group. Teachers can quickly split students up to gather around one of the 3 flames for group break outs (ex: "Red Flames, let's gather on this side of the campfire; Yellow Flames, over on the other side").

Other possibilities include the flexibility it gives teachers in providing directives based on what color flame a student is holding (ex: "When the Orange Flame is passed to you, share a time something made you laugh. When you receive the Yellow Flame, turn to the person next to you and give them a compliment"). Further, the Log Ottomans are constructed of solid foam making them lightweight and durable, perfect for students to rearrange yet strong enough for the demands of the classroom.

Log Ottomans are displaying our custom Tree Bark & Rings textile.

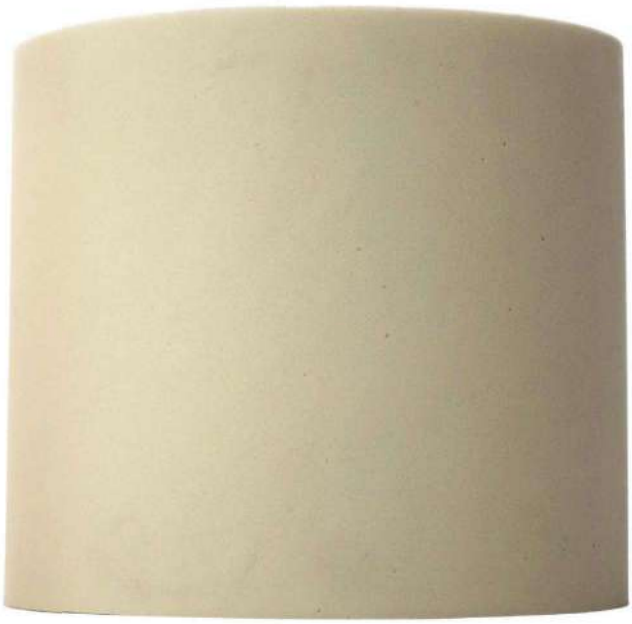
WHY FOAM?

SEE THE DIFFERENCE.

NOT-SO "SOFT SEATING"

FŌMCORE



LIFETIME WARRANTY

Our craftsmanship and attention to detail is what allows us to offer a lifetime warranty.* While other products deteriorate over time due to poor structure, our high-quality foam guarantees your Fōmcore products will withstand the test of time.

QUALITY FOAM AND DENSITY

When thin, cheap foam is wrapped around a wood base, it will deteriorate quickly causing puddling. We use the highest quality, 35#, 70#, and 100# foam possible and have formulated our own proprietary formula for maximum durability.

*See page 65 for lifetime warranty details.

Current Manufacturer List Pricing Applies.

SOLID FOAM vs. WOOD FRAME

While most of our competitors use a wood frame covered by thin layers of foam, our use of solid foam allows for better durability and flexibility. Adapt the space in any environment with ease while at the same time knowing it won't lose its shape over the years.

NO PINCH POINTS

There's no need to worry about squishing any fingers or toes with any of our fully zippered pieces, making our active seating a fun and safe choice.

CUSTOM SHAPES

Because we use solid foam construction, we are able to create and cut an endless variety of custom shapes on our foam saws. From dolphins to dog bones, our team is ready to bring any idea to life.

LIGHT vs. HEAVY

Our lightweight foam construction allows for adaptability in a variety of environments. Other not-so soft seating can be heavy and bulky and difficult to re-arrange quickly and efficiently.

SOFT EDGE vs. HARD EDGE

When fabric is stretched around a thin layer of foam and wood frame, you can feel it! With solid foam construction you will never feel a hard edge no matter how hard you push into the top of the furniture, making it a safe option for virtually any environment.

WATCH A VIDEO ABOUT HOW OUR FOAM COMPARES WITH THE COMPETITION.

CUSTOMER SERVICE

INFORMATION & MORE

PURCHASE ORDERS

Be sure to include:

1. Quantity
2. SKU Number
3. Description
4. Pattern name and color choice
5. Color guide for items requiring one
6. Price for each item

Fōmcore accepts orders via:

- Email: sales@fomcore.com
- Contact your regional sales director

Modification of orders must be submitted to Fōmcore in writing within 48 hours of initial sales order acknowledgment. In some cases, a change order fee may be charged if work is in progress or custom products are involved.

TERMS

Invoice terms for credit accounts are Net 30 days. Orders are invoiced on day of shipment. New customers and international customers are cash in advance.

SHIPPING - LEAD TIMES

All furniture is made to order. Shipping date is confirmed upon receipt of order. Every attempt will be made to meet that shipping date, however, it is subject to change without prior notification. Fōmcore reserves the right to discontinue products and change product specifications and prices. Fōmcore delivers to all 48 contiguous states. All orders delivering to other states and international locations are FOB Muskegon (zip code 49442), Michigan.

WARRANTY

Product manufactured by Fōmcore is warranted to be free of defects in material and workmanship under normal use for the lifetime of the product, unless otherwise noted.* Product must be properly cared for, maintained, and in use by its original owner. This warranty is non-transferrable, and damage/defects that occur in transit or by acts negligence, abuse, abnormal usage, misuse, accidents, or alterations nullify the warranty. Conditions resulting from the normal aging and wear of textile(s), filling material(s), and finish(es) are excluded from this warranty. As Buyer's sole remedy under this warranty, Fōmcore, at its option, will credit, repair, or replace damaged product at no charge to the original owner of record provided the replacement or return has previously been authorized by Fōmcore under terms of this warranty. It is expressly agreed that this remedy of repair, replacement, or credit, at Fōmcore's option, is Buyer's exclusive remedy under this warranty. This warranty is non-transferrable. In no event shall Fōmcore be liable for consequential damages.

Weather resistant product is warranted for three (3) years from the date of product shipment.

OUR COMMITMENT TO THE ENVIRONMENT AND SUSTAINABILITY

As the foam experts, our unique foam life cycle represents our continued commitment to the care and health of our environment and customers.

Our shop begins with selecting high quality materials to produce your customizable pieces. One of our steps in eliminating ALL waste is efficiently cutting into the foam bun the shapes and sizes. The excess from

our Amoebas, Rounds, and Lily Pads, for example, is shredded and recycled for products such as carpet padding and insulation.

An additional way we care about you and our environment includes exceeding the expectations and standards in the furniture industry. We earned the Clean Air Gold Certification for our foam and fabric. This means our products have been independently tested by industry leaders for emissions into the ambient air. What does this mean for you? You can breathe easy in your workplace.

BOOK STORAGE

Tesco offers four series each with unique features to fit your needs.

Current Manufacturer List Pricing Applies.

AURA SERIES

Tesco's Aura Series of Book storage products feature a combination of Maple or Oak solid wood and wood veneer elements. Choose from seven maple and ten oak standard stain options or custom match the stain to fit the exact design elements of your media center space.

VERSA SERIES

Tesco's Book Storage solutions in the Versa series feature the use of matching High Pressure Laminates and Thermally Fused Laminates on all exposed parts to complement a more contemporary design element.

FUSION SERIES

Tesco's book storage solutions in the Fusion series feature vertical panels utilizing a wide selection of laminates combined with Maple or Oak stained wood components.

PATRIOT SERIES

The Patriot Series of book storage products feature Solid Oak Vertical Panels and uses more solid oak than any shelving product on the market. This construction technique and the materials used allows us to offer an unprecedented twenty year warranty.

1376 AURA SERIES

Single Side, Run of 3

Radiused Double Side Starter,
Hidden Caster Unit

Double Side Units without Backs,

cef

INNOVATE.CREATE.REPEAT.

Located near Hickory, North Carolina, the heart of the furniture belt, CEF (Custom Educational Furnishings) has been hand assembling furniture for over 40 years. CEF offers an award winning and innovative product line that accommodates virtually all areas of a school. We are a leader in creating Makerspace & STEM focused furniture which has expanded into the classroom, media centers, common areas, and more. Additionally, we have years of experience in manufacturing charging and media carts, computer tables, and lecterns; each thoughtfully designed with both teacher and student in mind.

At CEF, we take great pride in producing makerspace, classroom and technology furniture that accommodates specific needs, and is built with quality and functionality in mind. We have a trained and dedicated team that carefully assembles all offered products while providing convenient lead times.

We are proud of our product line and the employees that make CEF a driven, genuine company. Our showroom and factory doors are always open for site visits, and we invite you to experience the success that is Custom Educational Furnishings.

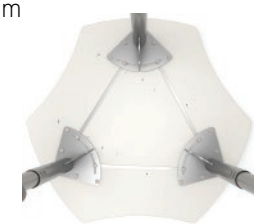
HIGH-PRESSURE LAMINATE WITH COLORED T-MOLDING

Our high-pressure laminate tops with a substrate of particle board core are offered in 12 colors of T-Molding and 14 colors of HPL allowing for pops of color in the classroom and endless color palette ideas. They feature an integrated X pattern support frame that fits flush to the bottom of the desk and is secured alongside each leg assembly. This frame offers reinforced strength and quality and is pre-installed by CEF to help save time on installation.



Integrated Steel Frame
*Only on HPL Tops with Colored T-molding

FENIX® INNOVATIVE MATERIALS ON BALTIC BIRCH

Award-winning Fenix offers premium smart innovative material. Fenix Innovative Surfacing is a soft to the touch, anti-fingerprint, ultra-matte surface. Its premium make up creates a surface that is highly resistant to scratches, abrasion, and repeated cleaning. This smart material also boasts thermal healing of superficial micro-scratches.

Scan QR to watch!

HIGH-PRESSURE LAMINATE ON BALTIC BIRCH

Our high-pressure laminate tops with a substrate of Baltic Birch requires no T-molding or edge banding. The edge is exposed layers of wood that are sealed with a conversion varnish, providing a smooth durable satin finish, which offers beautiful aesthetics and a seamless edge around the desktop. Durability with texture that creates a warm environment.

*Additional sizes available upon request and project size.

ALL INCLUSIVE - Introduced in 2017, CEF's award-winning Original ED Table quickly became sought after by schools across America for designs in classrooms, makerspaces, studios, and more, with two other popular iterations following soon after. This ground-breaking line of tables was designed with maximum efficiency for custodial staff, teachers, and students alike. Featuring mobility, ample storage, and integrated electrical, this table has everything you need - and it all comes standard for one all inclusive price.

Available in 36" & 42" heights

Schools are fortunate to have such a thoughtful and detailed furniture manufacturer for all types of learning spaces in CEF. High quality products and they have a great team to work with!
- Crimson, CEF Dealer

GENERAL INFORMATION & TERMS OF USE

BECOME A DEALER:

CEF does not sell direct to schools, so we are always looking to partner with dealers who value a genuine relationship and want to add our innovative products to their offerings. To become a dealer, please call us at l-800-255-9189.

PRICING & TERMS:

CEF makes every effort to give our dealers advance notice on any price changes. However, prices could be subject to change without notice. Freight is calculated upon request for quote and honored for 30 days from the date the quote is created. Our credit terms for invoice amounts are NET 30. Invoices are generated on the same day that product is shipped out. New customers who have not submitted proper credit references will be required to pay before product is shipped. CEF accepts Visa, MasterCard and American Express.

PURCHASE ORDERS

Please send purchase orders to cef@cefinc.com. Please include quantity, part number, description, color selections for all products, ship-to address along with consignee name and phone number.

FREIGHT:

All pricing reflects FOB Taylorsville, NC-28681. Although we take every precaution to avoid shipping damages, unfortunately damages still take place. It is important that our freight damage guidelines are followed in order to have the best possible outcome. Failure to follow these guidelines could result in additional costs to our dealers or end users. Packages MUST be inspected carefully & thoroughly by the consignee. If there is any damage or question of damage, the consignee must ask the delivery driver to remove the packaging and inspect the product before leaving. The consignee should request the delivering carrier to record on the delivery receipt any damages to product or packaging at the time of delivery.

Additionally, any shortages should be noted on the delivery receipt. If further damage is found after delivery, the delivering carrier must be notified at once of concealed damage and there should be an immediate inspection by the delivering carrier. Cartons must be held by the consignee for carrier inspection, which expires after 15 days. CEF will assist to obtain claim settlement, but the consignee must take the necessary steps to obtain proof of loss and damages. NOTE: Carriers are not responsible for damage or shortage after the delivery receipt is signed without a damage or shortage notification! If a customer selects a freight carrier, the customer is responsible for any freight damage claims.

RETURNS:

Returns must be requested and authorized within 7 business days and are subject to a 25% restocking fee plus return carrier fees. Custom products are not eligible for return under any circumstances. Item(s) must be undamaged and in their original state.

LEAD TIMES:

CEF strives to exceed customer expectations where lead times are concerned. All of our product is made to order, and hand-assembled by our talented manufacturing team.
Off-peak season (November-April) 4-6 weeks or less
Peak season (May-October) 8-10 weeks or less
A shipping date will be assigned within 2 business days upon receipt of order. Every effort will be put forth to meet the assigned shipping date. However, there are occasional unforeseen events that can delay shipments. As a result, CEF will not pay for split shipments.

WARRANTY:

At the discretion of CEF, we ensure to replace or repair product which proves to be defective in original workmanship or manufacturing in which becomes evident within the first 12 years from the date of purchase. In order for CEF to honor this warranty, all products must be housed in an environment of controlled temperature and humidity, and the proper guidelines must be followed for care and cleaning.

EXCEPTIONS:
Treated Butcher Block and Tough Tops- 5 years.
Untreated Butcher Block Tops – 1 Year
Casters (Charging Carts, STEM Carts, Tables) - 5 years
Metal Stools - 5 years
Electrical components on all furniture & charging carts - 3 years limited lifetime*
Dry Erase/Marker board Surface Laminate - 1 year
Articulating, Fixed or Clamp-on Mounted Monitor Arms - 1 year
Locks - 1 year
Pneumatic Sit to Stand Height Adjustable Base - 1 year
Glass Tabletops - 1 year

EXCLUSIONS:
CEF warranty does not apply to:
Product that has not been properly cared for per care & use instructions.
Normal wear and tear.
Abnormal or abusive use of product.
Transit damage caused by freight carriers other than CEF truck and trailer. Please see separate guideline around freight damages.
Modifications to product that are not approved by CEF engineering.
Products that were not assembled properly, used, or maintained in accordance with product instructions and care guidelines.

** Limited lifetime; provided by the surge protector manufacturer. Surge protectors are designed to sacrifice themselves in order to save equipment connected to them in the event of a power surge. Consequently, a surge protector that has experienced a surge and no longer conducts A/C power has performed its duty protecting connected equipment.*

Protocol Safety Station

Complete all-in-one safety unit with built-in shower and eyewash station.

Features

Base: Constructed of oak or maple hardwood and veneers with an earth-friendly UV finish
Storage: Includes ample locking storage for other safety equipment; ADA-complaint with room for wheelchair and lever-controlled fixtures
Eyewash Station: Detachable eyewash mounted to back panel and can be pulled up to 12' away from station; Eyewash paddle handle activates stay open valve for hands-free usage
Shower: Shower head has high-volume continuous water flow featuring pull handle that activates stay open valve
Other Features: High-pressure laminate (HPL) top with stainless-steel bowl and 4" chase behind to allow plumbing to run

FULLY ASSEMBLED

Item #	Product	Overall Size
6950_	Safety Station	48"W x 22"D x 84"H

_ Hardwood Option: M - Maple or K - Oak

Cabinets should be secured to the wall for safety. Mounting hardware is not included.

Protocol Fume Hood Cabinet

Versatile fume hood that can be used in multiple classrooms.

Features

Base: Constructed of oak or maple hardwood and veneers with an earth-friendly UV finish
Storage: Two drawers (two pull-out lipped shelves lined with chemical-resistant liner)
Fume Hood: Ductless unit enclosed by 5/16" acrylic; Metallic parts are anti-corrosion metallic alloy protected by thermo-hardened anti-acid polymer coating; Comes standard with internal light fixture and mounted to cabinet (25-1/4"D x 32-3/8"W x 36"H)
Electric: Does not require ducting (saves energy) and plugs into ordinary outlet
Smart Technology™: Features smart-light communication – soft band of light to let you know unit is operating safely and will pulse for compromised airflow, fan failure or when it's time to change filters; Includes chemical sensors, real-time status and eGuard app
Filter: Includes one all-inclusive filter (2-year average life) that handles liquids, gases and solid chemicals; Filter type determined by results of Valiquest Chemical Questionnaire*
Other Features: Air flow meter, flow monitor, sampling port, programmable timer, energy ports and list of approved chemicals
Feet: 4" casters
Overall Dimensions: 32-3/8"W x 27-1/4"D x 81-1/2"H; Internal hood dimensions: 30-1/8"W x 23"D x 32"H; External hood dimensions: 31-1/2"W x 25"D x 45-1/4"H

ASSEMBLY REQUIRED

Item #	Product
1800_-GF4AS	Fume Hood with VOC Carbon Filter
1800_-GF4BE	Fume Hood with Broad Range Filter
1800_-GF4F	Fume Hood with Formalin Carbon Filter
1800_-GF4K	Fume Hood with Carbon Filter
253560-GF4 HEPA	HEPA Filter

_ Hardwood Option: M - Maple or K - Oak

*Erlab hoods require filters to be selected according to individual applications (Must get the Valiquest Chemical Questionnaire form completed prior to purchase to determine which model you will receive. On rare occasions, results may also require purchase of an HEPA filter). Your specifications will be analyzed and validated by Erlab's PhD chemist, ensuring your safety. Please contact customer service with questions.

Front Panel

1800K-GFAS

See p.123 for goggles and glasses.

Protocol Eye Safety Cabinet

Secure storage cabinet to keep safety eye-wear clean and protected.

Features

Base: Constructed of 24-gauge white enameled steel with locking doors featuring tamper-resistant latches; Wall or shelf mountable with 7' grounded electric cord; Weighs 45 lbs
UV Germicidal Storage: Average kill rate of 99.2% with monitor providing protection during five-minute cycle controlled by timer (shuts off automatically if doors are opened); Pilot light confirms UV lamp is in use and germicidal lamp has 20-year limited warranty; Holds six glasses or five goggles to a shelf on eight shelves
Not Included: Glasses and Goggles
Underwriters Laboratories Inc. Listed: File #E140818

Lab Hand

Designed to provide a safe, convenient surface for laptop, tablets or books in a laboratory setting. The Lab Hand is mounted on a solid plastic rod which fits securely into standard rod sockets. The platform is made of powder coated steel to create a surface that will withstand the typical chemicals found in today's laboratories. The Lab Hand holds laptops and books off the work surface protecting them from spills and increasing the amount of work space available. Unit has 12" square platform with 5 ½"rod for mounting.

Warranty

Warranty Promise

Diversified Spaces promises to repair or replace any Diversified Spaces brand product or component that is defective in material or workmanship under normal use for as long as the Original Purchaser owns it. This is the sole and exclusive remedy for Diversified Spaces products to be found defective. This warranty applies to Diversified Spaces products from the date of delivery to the Original Purchaser and is non-transferable. This Warranty is subject to limitations, exclusions or other provisions detailed below. Original Purchaser implies the final purchasing entity acquiring the product from a Diversified Spaces Authorized Dealer for the purchaser's use and not for resale, remarketing or distribution.

Limited Lifetime Warranty Terms

Limited Lifetime Warranty — Diversified Spaces warrants that its products shall be free of material defect and/or faulty workmanship from the date of delivery. This warranty is subject to the limitations and exclusions indicated below

12 Year Warranty — Diversified Spaces warrants that its laminate tops, butcher block tops, phenolic tops, epoxy tops, stainless steel tops, high wear, and moveable parts (ie: casters, glides, etc.) shall be free of substantial defects in original material and workmanship for twelve (12) years from the date of delivery.

1 Year Warranty — Diversified Spaces warrants that all wood veneer, electrical components, and dry erase markerboard surfaces are free of substantial defects in original materials and workmanship for one (1) year from the date of delivery.

6 Month Warranty — Diversified Spaces warrants that all hand sanitizers and dispensers are free of substantial defects in original materials and workmanship for six months from the date of delivery.

Warranty Exclusions and Limitations

Exclusions — This warranty is considered null and void by the following:

- Abnormal defects caused by abuse or unruly use, modification, or alteration of product
- Any damage caused in transit by the carrier (Contact Diversified Spaces Customer Service to address carrier damage.)
- Ordinary wear and tear (including but not limited to: scratching of laminate, phenolic, epoxy and butcher block tops; ghosting on dry-erase markerboard; chips caused by the moving of epoxy tops)
- Products installed, used, or maintained without adherence to product specifications, assembly instructions or Diversified Spaces' recommendations and warnings
- Product exposure to water or dense humidity

Caution is advised when abutting epoxy surfaces, as chipping and cracking may occur when an epoxy edge is bumped into another. Chipping and cracking caused by bumping of epoxy surfaces is not covered under the Diversified Spaces Warranty.

Warranty Limitations

This warranty is provided only to the initial purchaser, is non-transferable and is valid strictly for as long as the product is owned by the original purchaser. To be protected under this warranty, all products must be stored in areas of controlled temperature and humidity, and periodic regular scheduled maintenance must be performed. See separate Care and Maintenance documents for further detail.

Any incidental or consequential damages, including but not limited to business losses, personal property damage, and third-party liabilities are hereby expressly excluded.

Diversified Spaces shall repair or replace, at its discretion, any portion of the product which proves to be defective under the terms of this warranty. Diversified Spaces may elect to substitute a reasonably comparable product, or a cash refund of the original purchase price (less reasonable depreciation) in the event the original warrantied product is no longer manufactured at the time the warranty is exercised. Liability is limited to replacement parts and labor.

Freight and installation costs are excluded from Warranty consideration and are the sole responsibility of the Purchaser.

Diversified Spaces products are not recommended or warranted for outdoor use.

Some natural color variations occurring in wood, veneer, plastics, laminates, paints, or other natural materials are inherent to their character and cannot be avoided, and Diversified Spaces does not consider these variations to be defects. Colorfastness and variation of colors, grains or textures of such materials are not warranted. There are no implied warranties of fitness or merchantability, and there are no other warranties beyond the warranties expressed here.

Purchase Orders
Purchase Orders will be accepted only from authorized Diversified Spaces dealers, and must be submitted in writing or electronically. Acceptance of orders is the sole discretion of Diversified Spaces. Delivery is FOB Suring, WI 54174.

Pricing & Payment Terms
Prices are subject to change without notice and Diversified Spaces is not responsible for typographical errors. Quoted prices do not include federal, state, or local taxes. Sales Tax is required for deliveries to Wisconsin and Michigan and will be added to the invoice unless resale certificate applies. Standard payment terms are 1% 10/Net 30 days.

Handling Fee
In some cases, extra fees may apply to your order that are not indicated on the individual pricing pages. Contact your Diversified Spaces Project Manager or Estimating Team for applicable fees.

Any special delivery services, including but not limited to lift gate and inside delivery, will incur upcharges.

Cancellation and Change Policy
Customer is responsible for all costs incurred by Diversified Spaces prior to receipt of any change or cancellation. Orders for custom products may not be canceled.

Returns
Returned Merchandise will not be accepted unless authorized in writing prior to return. Contact our Customer Service Department for a Return Materials Authorization (RMA) number. Standard product returns are subject to a 25% restocking charge, and must be freight prepaid.

Freight Damage
Note: A clear receipt for a shipment that contained damaged merchandise or a shortage relieves the carrier of further responsibility. Check all deliveries for damage, and note any damage or shortage on the delivery receipt.

Merchandise Title passes from Diversified Spaces to the consignee upon delivery to the Carrier. It is the Customer's responsibility to submit a freight claim, including the cost of the shipment, for any damaged merchandise. Customer failure to follow the below instructions may result in added costs to Customer for delivery and replacement for damaged goods.

All Deliveries: Count and thoroughly inspect all items for shipping damage before accepting delivery. If it appears that damage could be possible, insist that the carton be opened and contents inspected by Driver. If damage has occurred, report damage to Diversified Spaces immediately. Recipient has the right to accept partial shipments and refuse the remaining damaged units. Refuse shipments of severely damaged items. If there is a shortage, note the shortage on the delivery receipt. .

Motor Freight Deliveries: Inspect the shipment for damage immediately following delivery. Driver must note all damaged cartons or shortages on the Bill of Lading and/or delivery receipt prior to acknowledgment of shipment delivery.

UPS or FedEx Deliveries: Inspect the shipment for damage immediately following delivery. Note all damage on the receipt and have Driver initial acknowledgment of damage before signing receipt. Do not remove any damaged merchandise from the original carton until an inspection has been made or waived by the shipping company.

Product Suitability
Many states and localities have codes and regulations governing sales, construction, installation and/or use of products for certain purposes, which may vary from those in neighboring areas. While Diversified Spaces attempts to assure that its products comply with such codes, it cannot guarantee compliance, and cannot be responsible for how the product is installed or used. Before purchase and use of product, please review the product application, and national and local codes and regulations, and be sure that the product, installation and use are in compliance with all applicable codes.

OSHA Hazardous Substance & California Prop 65 Product Information
Material Safety Data Sheets (MSDS) for OSHA defined hazardous substances and a list of products known to the State of California to cause cancer or reproductive harm are available. For details, contact:

Diversified Spaces
300 Krueger Street
Suring, WI, 54174
Phone 877-842-5420
Fax 920-842-5420

The information and recommendations contained on the MSDS supplied by the manufacturer is considered to be accurate and reliable. However, Diversified Spaces makes no warranty with respect to the accuracy or reliability of the information or the suitability of the recommendations.

2024 Diversified Spaces Catalog

Introduction

Pricing
The prices shown are list prices, please call to confirm your discount. Shipping is not included in our product price. We will provide a freight quote for you upon request based on the specifics of your order. Due to fluctuating costs of raw materials, prices are subject to change. Please contact our Customer Service Department to confirm your pricing.

Payment & Terms
Pre-Payment is standard for all customers. For customers who purchase on a regular basis, we may be able to extend terms subject to credit approval. Please ask for details.

Lead Time
All of our products are made to order, please call for accurate lead times.

Cancellations / Changes / Returns
Any cancellation or change is subject to approval, and may result in charges to the customer. No merchandise may be returned for credit without our previous written agreement. A restocking fee may apply for items accepted for return.

Assembly
Table Bases require assembly, and also need to be attached to the table tops. Instructions and hardware are provided.

Product and Color Accuracy
Colors shown in our catalog may not accurately represent the actual colors. If needed, we can provide color samples for sign-off when your order is placed. Note: Manufacturing processes may change over time. As a result, purchased product may look different than what is shown in the catalog or on the Web site.

Color Matching
Custom colors are available for most products. Please provide us with a physical sample or color standard (preferred standards are: Pantone® color, Wilsonart® laminate chips, Sherwin Williams® colors) to match, and we will create a sample for strike-off.

Re-Orders
Colors may vary on re-orders. Please let us know if you are expecting a new order to match a previous order. We will do our best to match colors from previous orders, though colors naturally vary from batch to batch.

Warranty
FurnitureLab warrants its standard products against manufacturing defects for 10 years (unless otherwise stated). Warranty does not apply to any product that has been altered or subjected to misuse, negligence, accident, or wear and tear. All items are intended for indoor use only. Fabrics and upholstery materials are not covered by this warranty.

FurnitureLab's obligation under this warranty is limited to the original purchaser for repair or replacement of the defective item. This warranty applies only to products sold within the United States.

Copyright
All products, patterns and designs are Copyright 2024-2025 Rapp Productions, Inc DBA FurnitureLab. They may not be copied without our written permission.

Introduction

Care & Maintenance:

Wood Tops
Wood Tops can be cleaned with any non-abrasive cleaner such as Windex® or Formula 409®. As with any wood surface, water spills should be wiped off immediately. Do not use bleach or a bleach-water solution to clean the table top as this will damage the finish. Wood surfaces should not be subjected to extreme temperatures or moisture.

Laminate Tops
Laminate Tops and EnduraCore Tops can be cleaned with any non-abrasive cleaner such as Windex® or Formula 409®. Remove stubborn stains with a damp paste of baking soda. Leave on for a minute, then blot away (do not scrub).

NeoCast Urethane Edge Tops
Urethane edges are generally stain resistant. Avoid any exposure to staining bacteriostatic agents such as iodine and betadine. Do not use harsh cleaners with abrasive additives, bleach, sharp metal objects, sandpaper, or hard bristle brushes to clean the edge. These can cause permanent damage and will void the warranty.

Clean ordinary soiled edges caused by normal use with a damp cloth or sponge and Clorox Clean-Up Cleaner with Bleach® or Formula 409®. For stains, use soft bristle scrub brushes only to prevent scratching. Successive cleanings may be required using a soft bristle brush and 70% Isopropyl Alcohol. Failure to follow the above protocols may result in a "sticky" edge. Over time, the edge may harden again if the use of harsh chemicals is discontinued; however, this is not guaranteed.

EverCore Solid Surface Tops
To clean solid surface, use soap and water, apply with sponge and towel dry to eliminate water spots. For stubborn stains – use a bleaching nonabrasive cleaner, like Soft Scrub®, and a white Scotch-Brite® pad. To remove cuts and scratches, sand with a block using 150 then 280 grit sandpaper until cuts are gone, blend the sanding so the repair cannot be seen, restore finish with a nonabrasive cleaner and a white Scotch-Brite® pad.

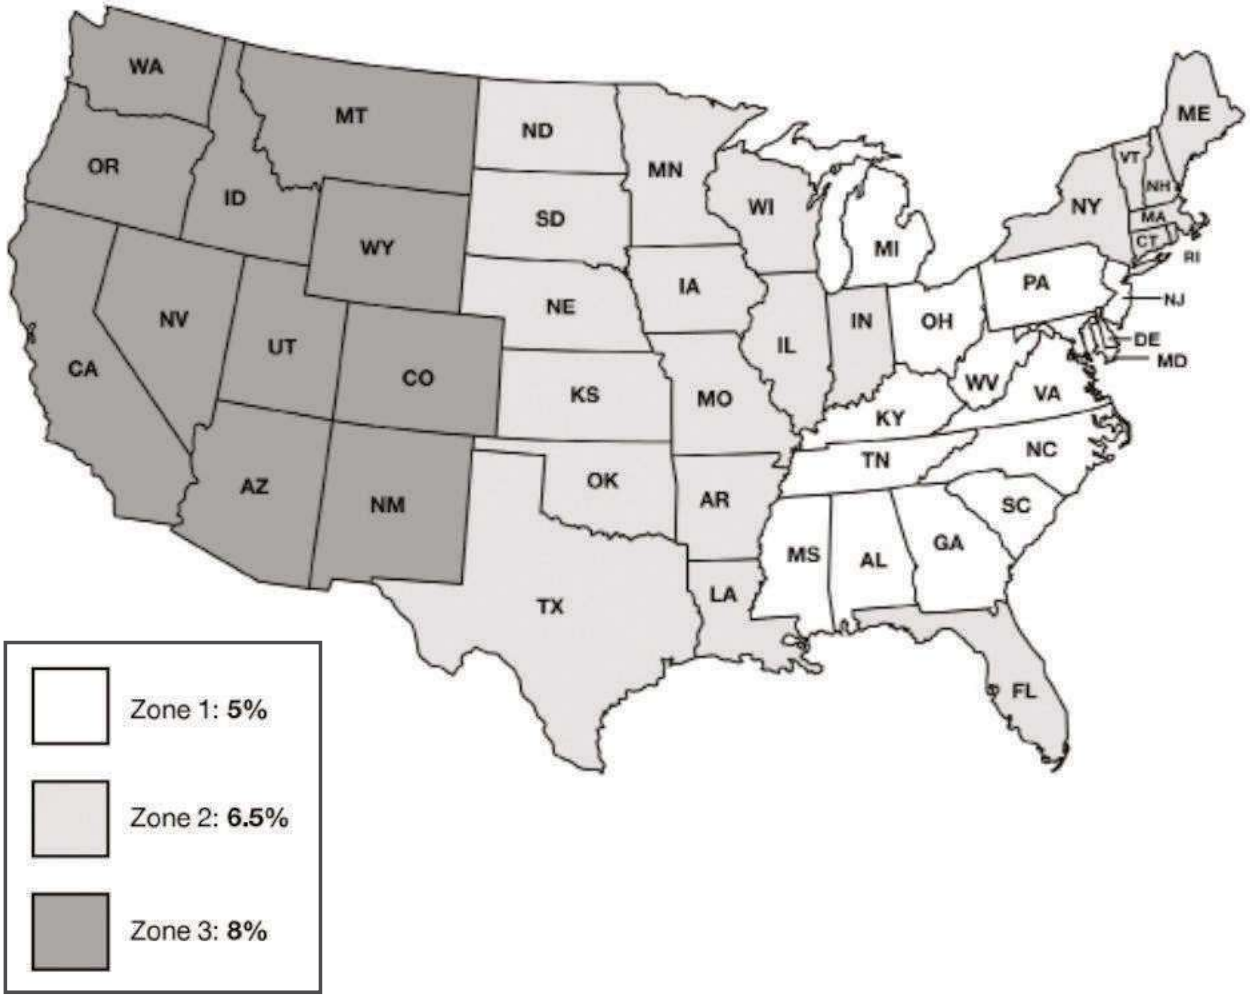
Chairs
We recommend that chairs and stools be inspected on a regular basis for wear and tear. Wood Chairs can be cleaned with a liquid cleaner-wax polish combination. We recommend Old English® Dark Oil on dark woods and Lemon Oil® on all woods with a light finish. Water spills on the surface should be wiped off immediately. Do not use abrasive household solvents. To repair scratches, use a wax repair stick. Wood products should not be subjected to extreme temperatures or moisture.

Metal Finishes
Clean wrinkled powdercoat surfaces by wiping with a damp cloth. Brush the surface with a soft bristled dry brush to remove dirt. For smooth powdercoats, wipe with a damp cloth. Use soap and water for stubborn stains. Clean chrome with an automotive chrome cleaner to maintain a bright finish. Use a rust-inhibiting chrome spray paint to touch up any area of finish which has been damaged. Clean aluminum using a soft cloth with water or mild soap.

Vinyl Upholstery
Clean with a mild soap and water solution or a good grade automotive vinyl cleaner. Quickly remove any spills, as some stains may become permanent if allowed to set.

Fabric Upholstery
Gently clean with a mild soap and water solution.

Freight Program



Calculate freight:

Multiply the Total List price for the order by the zone percentage shown above.

- If Total List amount is less than $3,000, add $150 to the calculated freight.
- If Total List amount is greater than $20,000, contact customer service for a quote.

Example:

A quote with a Total List price of $2500 that is shipping to Zone 2 would be calculated as follows:
$2500 x 6.5% = $162.50 + $150 = $312.50

Seating

An inspiring chair can be the seed that blossoms into a beautifully designed space. Like everything else we craft, FurnitureLab's diverse offering of chairs and stools are designed to withstand the toughest, most demanding environments. Every single model is thoughtfully built and finished to your specifications.

Whether you want wood or metal, something with a contemporary or a classic vibe, or even a modern, rustic industrial style, our seating line has something to suit any scheme.

Arca Series

A striking curve, an electrical charge, a celestial path. Arca's unique lines evoke some of the more dramatic mysteries of our natural world, with a dash of midcentury modern for good measure. Sculptural, strong, and unique.

Ventura Series

The retro style of the Ventura evokes the nostalgia of our atomic age, the heyday of diner culture. Its straightforward form and simple proportions make it a American classic. Chrome only.

Booths

It's just a fact: comfortable, durable soft seating makes any space a bit more special and inviting.

Mercury. Jupiter. Titan. Venus. Our booths are a blank canvas for you to apply your creativity with color, stain, laminate and fabrics. Any shape or height, any leg or base type, any tufting style you want, with optional Partitions to create privacy and absorb noise. Constellation--our modular booth--works in any dining, multipurpose, or collaborative environment.

All standard and custom models are intensely engineered to last for the duration of our 10-year warranty and beyond.

Mercury Booth, 36” Height, Plain Back

There’s a reason the Mercury booth is our most popular style.

Booth Leg Options

Metal: Cylindrical (Adjustable)

Metal: Tapered (Adjustable)

Wood: Cylindrical

Wood: Square-Tapered

Wood: Traditional

Power Units for Booths

Who can even remember a time we weren't tethered to our devices? These stylish power units keep everything juiced and ready to connect.

Ships assembled.

Standard Double Outlet - Black

Standard Double Outlet - White

Standard Double Outlet - Silver

Receptacle / USB Combination - Black

Our power receptacle units are available in Black, White and Silver finish. They are available with a standard double 120V outlet or a combination that includes a single 120V outlet and a pair of USB chargers.

They can be placed in the front and/or on the sides of the booth in either the skirt (just under the seat) or the base as shown below. Power units come with a 10' cord and need an electrical outlet in close proximity.

Pricing includes assembly in booth

Standard Double Outlet: **$679 in BLACK (call for Silver/White pricing)**

Receptacle / USB Combination: **$827 in BLACK (call for Silver/White pricing)**

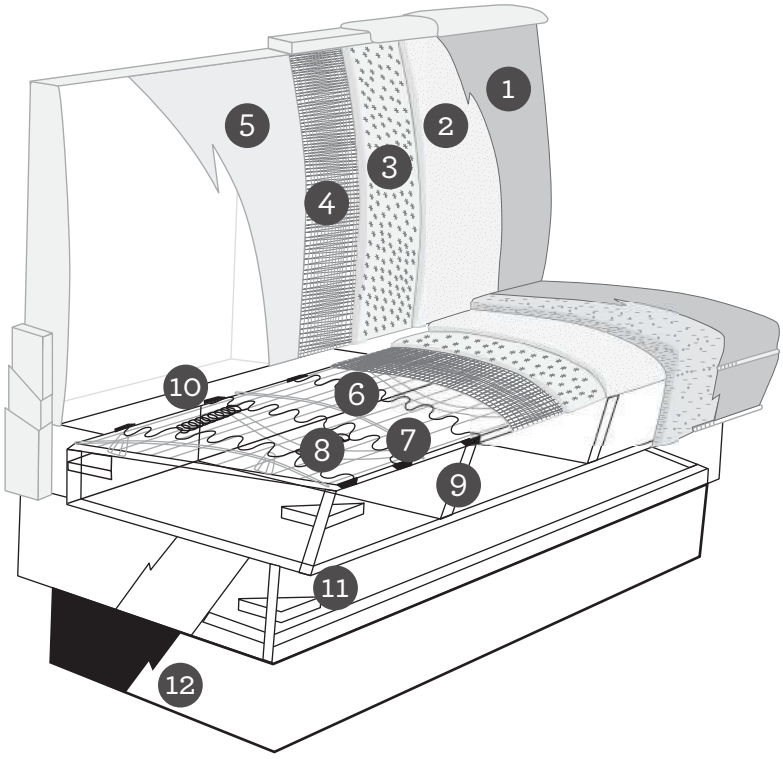
Booth Construction

Our superior booth engineering ensures a supportive, firm, comfortable booth seat from day 1 to day 3,000--and beyond. You'll feel the difference.



1. Fabric or vinyl surface

2. Polypropylene fiber batting

3. Poly foam

4. Cloth layer

5. Pressboard over solid wood frame

6. Links tie the springs together laterally so they act as a group, giving uniform resistance

7. No Sag Springs® are spaced at tight intervals, creating a firm, non-sagging seat

8. Flex-O-Lator® creates another soft structural layer to transfer weight more evenly to the springs

9. Kiln dried 7/8" hardwood is used for its unmatched strength. Where other booth makers use particleboard, we use solid poplar

10. Helical coils are set on the ends of the booth to ensure more support in the areas that get the most use

11. Corner bracing, made from solid poplar, is glued & nailed in place to give the frame an added layer of rigidity

12. Thick black vinyl is used on the base to resist daily wear, durable metal or wood legs are optional upgrades

Booth Space Planning

The illustration below shows how all the different types of booths can work together in your dining area. This example uses 30″ wide tops, a common size for most applications. The table top overhangs the front of the booth seat by 2″. The depth of each of our booth models is detailed in the chart below. If you happen to specify a top with a different width, you would need to adjust the numbers below accordingly. The half-round and three-quarter round booths are standard in size.

Booth Anatomy

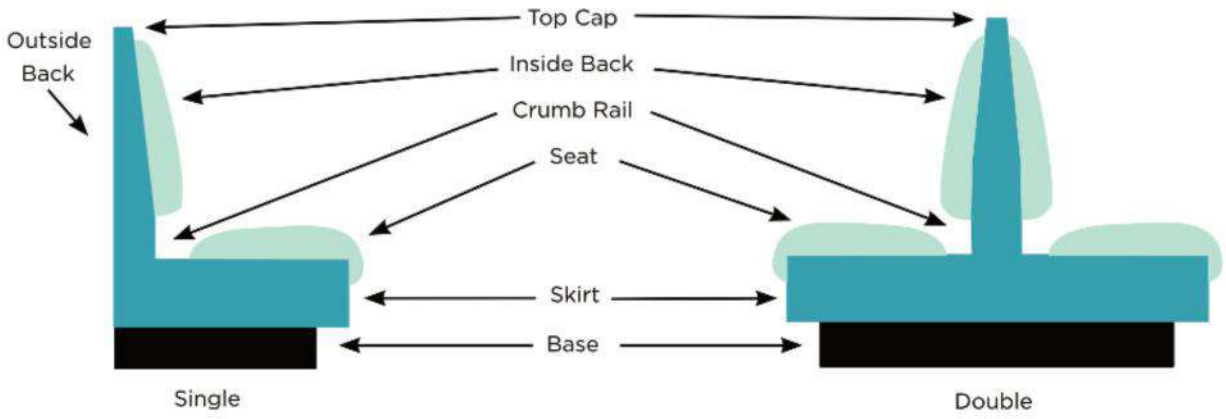

Table Tops

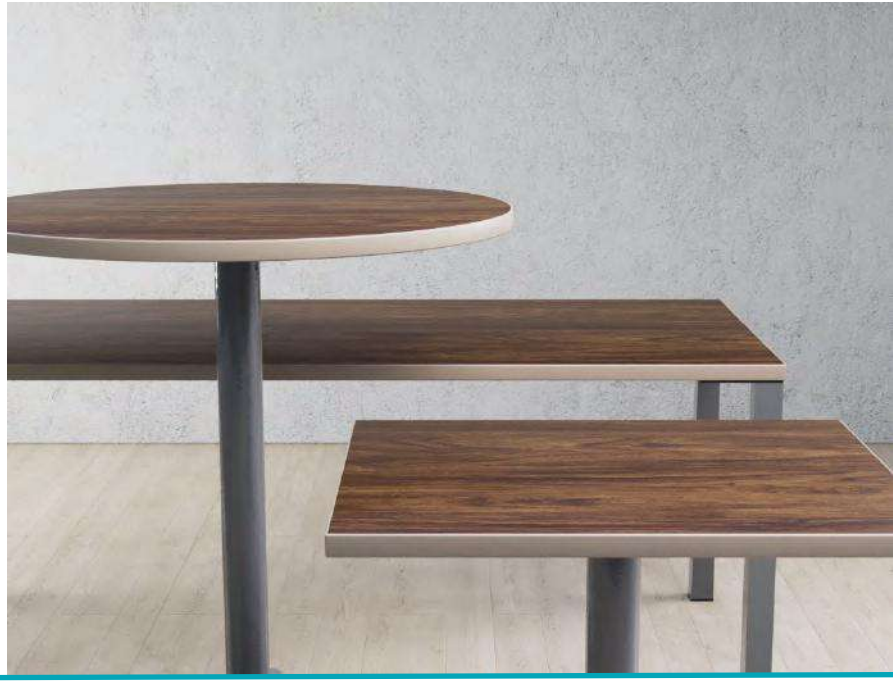
We have tabletops surfaces for every aesthetic.

Laminate is our most popular surface, and we have special graphic laminate options unlike any other company in the world. We offer standard Wilsonart & Formica patterns, an assortment of Deluxe laminates, or upgrade to our specialty OpenStudio Patterns. Even design your own pattern and we will make it! Apply solid wood edges, either contrasting or matching PVC edge banding, classic t-mold, recyclable aluminum edge, or the most durable, seamless, antimicrobial urethane edge.

Our Solid Wood conveys a natural warmth, and is protected with a contract-grade finish. Solid phenolic is non-porous and nearly indestructible. We even make tabletops out of renewable solid surfaces.

RightEdge: PVC Edge Laminate Table



Ideal for every high-traffic dining environment, our laminate surface, PVC-edge option is a perennial bestseller due to its simplicity, sturdy construction, and clean lines.

Available with Standard, Deluxe, OpenStudio™ patterns, or design your own Custom laminate. All surface selections are shown on our website. If you want a different pattern not shown in our finish library, we will happily grade it in. Select from many color and wood grain PVC options for the edge to coordinate or contrast with your laminate choice.

RightEdge tops are 1.25" thick, composed of high-pressure laminate (0.045" thick), mounted on a 1-1/8" particleboard core with a phenolic backer. Custom shapes and sizes available upon request.

NeoCast Urethane Edge Laminate Table Tops

These tops have a durable laminate surface with a resilient edge that can withstand even the highest-traffic use. The bonded edge is fused seamlessly to resist moisture and prevents accumulation of food debris or bacteria. The bumper edge can take a beating and won't harm your chairs.

Available with Standard, Deluxe, OpenStudio™ patterns, or design your own Custom laminate. All surface selections are shown on our website. If you want a different pattern not shown in our finish library, we will happily grade it in.

NeoCast™ Tops have a high-pressure laminate surface that is bonded to a 1-1/8" particleboard core with a backer sheet for stability. Available with custom or standard urethane color options, shown on our website, to coordinate or contrast with your laminate choice. A 3" radius is standard on all corners. These tops can be produced in limited sizes and shapes. Please call if the size you need is not shown in our specs.

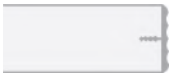
StreamLineMetal Edge Laminate Table Tops

The fluted aluminum edge evokes a mid-century, retro aesthetic. These tops deliver durability and style to any dining environment.

Available with Standard, Deluxe, OpenStudio™ patterns, or design your own Custom laminate. All surface selections are shown on our website. If you want a different pattern not shown in our finish library, we will happily grade it in. Metal edge is made from a minimum 50% recycled content.



Edge Profile

Composed of a high-pressure laminate surface that is bonded to a 1-1/8" particleboard core with a backer sheet for stability and are fitted with an aluminum T-edge. A 2" radius is standard on all corners.

MultiPly Plywood Edge Laminate Table Tops

MultiPly Tops offer both sleek looks and high performance. The exposed multi-layered plywood edge evokes 20th century innovations in furniture design while remaining always on-trend. A clever way to incorporate a subtle wood accent into any space.

Available with Standard, Deluxe, OpenStudio™ patterns, or design your own Custom laminate. All surface selections are shown on our website. If you want a different pattern not shown in our finish library, we will happily grade it in.

A high-pressure laminate surface is bonded to a 1" thick Baltic Birch plywood core with a backer sheet for stability. MultiPly™ edges can be finished in a variety of standard or custom stains and shaped in a number of profiles. Table edges are protected with 2 coats of catalyzed vinyl sealer and 4 coats of catalyzed conversion varnish, semi-gloss. All finishes are contract-grade.

ArborEdge Laminate Tops, Standard Wood Edge

ArborEdge Tops combine a durable laminate surface with a beautiful natural wood edge. Strong enough for high-traffic settings the solid wood accent adds both substance and design dimension. Contrast or coordinate the wood stain with your desired laminate.

Available with Standard, Deluxe, OpenStudio™ patterns, or design your own Custom laminate. All surface selections are shown on our website. If you want a different pattern not shown in our finish library, we will happily grade it in.

A high-pressure laminate surface is bonded to a 1-1/8" particleboard core with a backer sheet for stability. The 1 x 1-1/4" solid wood edges can be finished in a variety of standard or custom stains and are protected with 2 coats of catalyzed vinyl sealer and 4 coats of catalyzed conversion varnish, semi-gloss. All finishes are contract-grade.

Pricing shown here is for Standard Edge Profiles.

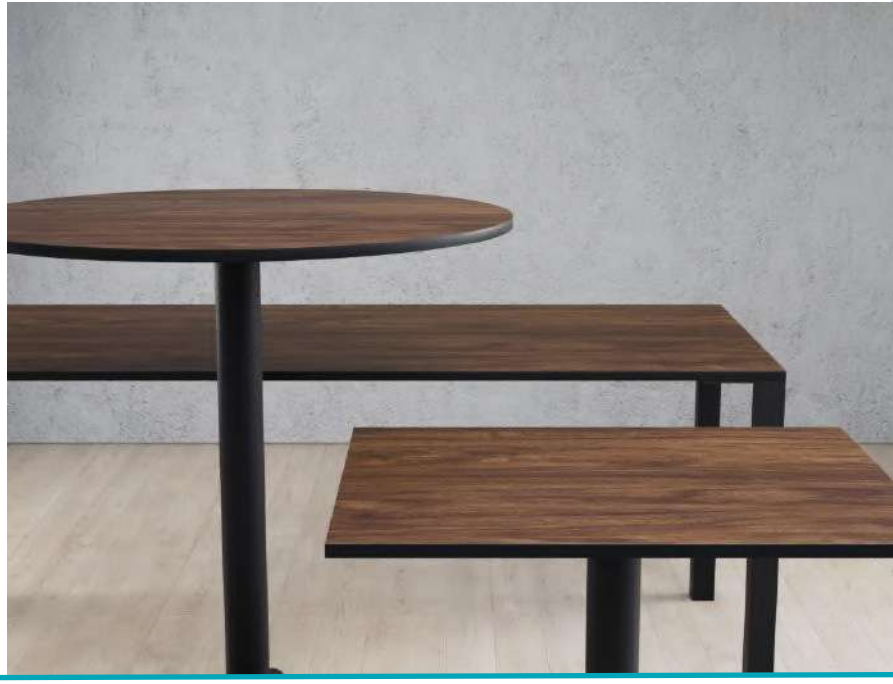
EnduraCore Solid Phenolic Table Tops



Slim and sturdy, these extremely tough tops with a solid black core are ideal for healthcare or any space with heavy-duty needs.

The unique seamless construction requires no applied edge. It resists moisture and prevents accumulation of food debris or bacteria.

Available with any standard Wilsonart® laminate. Surface selections are shown on our website.

Edge Profile

EnduraCore™ Table Tops are made by fusing an image layer between a protective clear overlay and a 3/4" thick solid core phenolic base under heat and pressure. A 3/4" exterior grade plywood mounting plate is bonded underneath.

EverCore Solid Surface Tops

Solid surface is infinitely renewable, recyclable, and easy to refinish or repair.

The unique seamless construction requires no applied edge. EverCore's acrylic content resists moisture and prevents accumulation of food debris or bacteria.

Can be made with most market solid surface offerings, including Wilsonart® Solid Surface, Samsung Staron®, Formica® Solid Surface, Corian®, LG HI-MACS®, Hanex®, Durat®, and Avonite®. With a 1-1/2" built-up edge profile, all tops have a 3/4" marine grade plywood blank bonded to the underside to attach any size pedestal base.

Note: FurnitureLab cannot manufacture concrete, natural stone, engineered stone, terrazzo, nor quartz products.

FiberCore MDF Table Tops

Our FiberCore Tops feel warm to the touch like wood, but come at a lower cost. The exposed fibers in the surface give these tops a “recycled” aesthetic. This material absorbs stain evenly and thoroughly, which gives it an appearance of both consistency and depth.

FiberCore Tops are made from solid 1-1/8" Medium Density Fiberboard (MDF) with a flat eased edge. They can be finished in a variety of standard or custom stains.

Flat Eased Edge

Table tops are protected with 1 coat of catalyzed vinyl sealer and 2 coats of catalyzed conversion varnish, semi-gloss. All finishes are contract-grade.

Constructed of 100% recycled wood fiber.

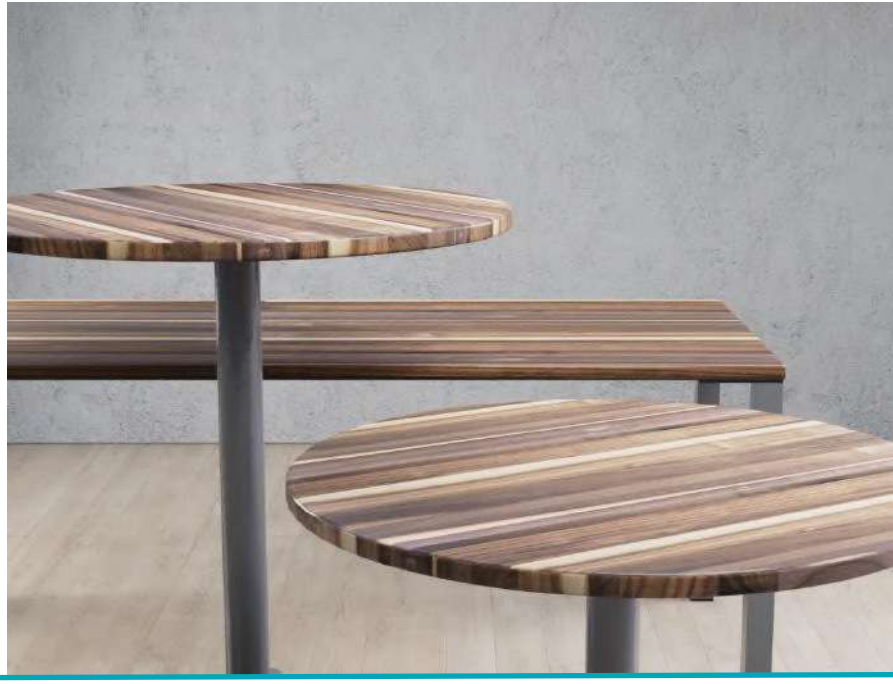
TruePlank Plank Style Tops- Walnut Heartwood & Sapwood



Our sturdy TruePlank table tops are built with select American grown walnut hardwood. Varying plank widths truly showcase the rich character of walnut grain.
A mix of heartwood and sapwood show off the contrasting tones of natural walnut.

Each top is 1-1/4" thick and made of wood strips that run the length of the table top in widths that vary from 1-1/2 to 4", protected with 2 coats of catalyzed vinyl sealer and 4 coats of catalyzed conversion varnish, semi-gloss. We offer a natural clearcoat finish only for this product. These tops can be produced with Standard or Designer edge profiles.

The pricing below is for mixed walnut heartwood and sapwood.

TruePlank Plank Style Tops-Walnut Heartwood

Our sturdy TruePlank table tops are built with select American grown walnut hardwood. Varying plank widths truly showcase the rich character of natural walnut grain.
Our heartwood option has a darker, more consistent appearance.

Each top is 1-1/4" thick and made of wood strips that run the length of the table top in widths that vary from 1-1/2 to 4", protected with 2 coats of catalyzed vinyl sealer and 4 coats of catalyzed conversion varnish, semi-gloss. We offer a natural clearcoat finish only for this product. These tops can be produced with Standard or Designer edge profiles.

The pricing below is for walnut heartwood only, no sapwood.

TrueColor™: Painted MDF Tops

Add a pop of unique color to any space! Our TrueColor™ Tops deliver a one-of-a-kind super saturated satin acrylic surface. Easily cleanable and scratch-resistant, TrueColor™ is durable, seamless, and show-stoppingly great looking. Match your branding, wall paint, wallpaper, or textiles with table tops that are truly you!

TrueColor™ Tops are made from solid 1-1/8" Medium Density Fiberboard (MDF) with a flat eased edge. They can be finished in Pantone, Benjamin Moore, Sherwin Williams, or a custom match--truly any color under the sun!

Flat Eased Edge

Tops are protected with a color-infused urethane coating, along with a commercial-grade acrylic topcoat in a satin finish. Constructed of 100% recycled wood fiber.

Note: Color sample included in below pricing. Sample approval is required prior to production.

Minimum order of 4 table tops per color (various sizes OK).

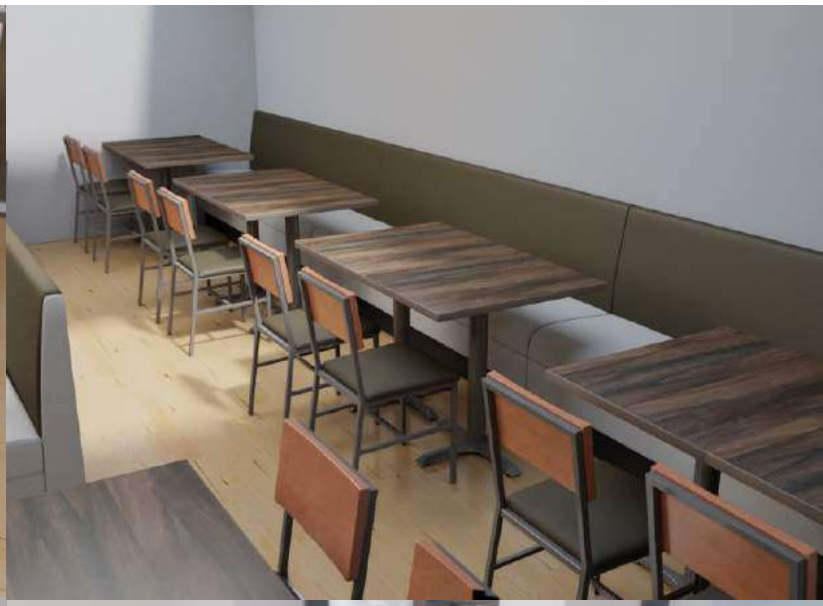
Deluxe Laminates

Yes, you can have the warmth of vintage and salvaged wood--now without the splinters! These textural, hyper-realistic, dimensional laminates are inspired by rustic, antique, and repurposed wood design trends.

Deluxe looks and feels like the real thing, and FurnitureLab is the only table manufacturer that offers these fully graded-in.

Visit furniturelab.com/products/deluxe-laminates for texture options.



OpenStudio Laminates

Can't find a mass-market laminate to your liking? Tired of seeing the same old laminates in every space? Problem solved!

This stunning, FurnitureLab-proprietary line of laminate designs is unlike anything else on the contract furniture market. Discerning, design-minded decision-makers can now take full control of their laminate surfaces.

Change the scale, rotate the pattern, match it to your textiles and wall coverings, or even pull tones from a brand or school logo. Anything is possible!

Full details and our interactive app can be found at **furniturelab.com/products/openstudio-patterns**

A small sampling of patterns:

Custom Laminates

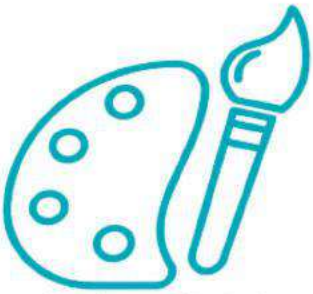
Company logos, original artwork, large-scale photography, school mascots, cool repeating patterns--anything you can imagine can become content for your laminate table tops!

There's no better way to create a unique and welcoming space than when everything, including the table tops, are custom crafted to fit.

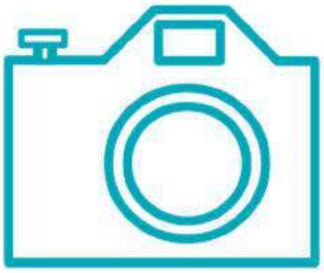
Custom Laminates - Create Your Own Unique Surface Design

Use any creative software (Illustrator, Photoshop, Affinity) to create something unique for your tables--or source stock imagery. If you need design help to manipulate existing artwork or create something from scratch, we have an in-house design team that can help from start to finish!

Use a team or company logo



Use unique graphic artwork



Use beautiful photography

Use YOUR creative idea

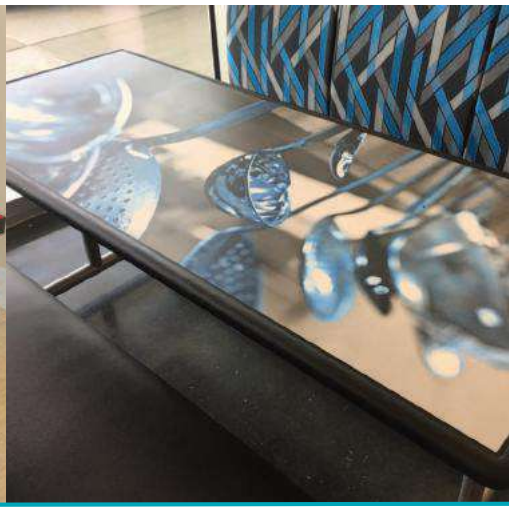


Table Bases

Far from an afterthought, our table base offering has something for every style and price point. Rely on the durable craftsmanship and express yourself with the assortment of standard and custom finishes available.

Need to roll, flip, or adjust your table height? We have a few options for that too, to maximize versatility in a multipurpose space.

Whether you want something simple or sculptural, we have a base tailored to fit every tabletop and taste.

Cantilever Table Support

Wall-mounted base used primarily for booth seating and counters.

Trash Receptacles

Commercial spaces require commercial solutions. Trash, recycling, or compost containers should never be left to chance--you need an expert like FurnitureLab to supply you with reliable, sturdy solutions.

A cohesively, thoughtfully designed environment is really about these types of details. Coordinate the rest of your interior plan with any of our hundreds of standard or custom laminate options. Engrave a message of your choice on the swinging door.

All trash receptacle models are designed and built to endure for the entirety of our 10-year warranty and beyond.

Bedford
Trash Receptacle

Bedford is a tidy and spare waste solution in sturdy laminate & melamine, built to withstand anything that's thrown its way.

The plastic 32-gallon garbage can is included, perfectly tailored to fit. Easy to clean and maintain. Can be bolted side-to-side with other Bedford units.

Surface: Available with any standard Wilsonart® laminate, OpenStudio™ patterns, or design your own Custom laminate. Laminates are shown on our website. If you don't see the laminate you want, ask and we will grade it in!
Construction: High-pressure laminate mounted to a particle board cabinet with white melamine on the inside.

ORDERING INFORMATION

All orders should be emailed to **neworders@indianafurniture.com**.
Orders can be faxed to 812-482-9035 or mailed to:

Indiana Furniture
P.O. Box 270, 1919 Hospitality Dr., Ste. A
Jasper, IN 47547-0270

ORDER PROCEDURE

All orders must include purchase order number, billing address, ship-to address and phone number, and any special instructions.

When ordering casegoods or tables, give complete quantity, model number, finish and any other options.

When ordering seating, give complete quantity, model number, finish, fabric and any other options.

Within each series, an example of "How to Order" is illustrated at the beginning of each series section. For further clarification of order procedure, contact Customer Service.

PRICING

All prices shown are suggested retail prices F.O.B. Point of Origin, freight prepaid and allowed to one continental US destination. Prices, specifications and materials are subject to change without notice. Possession and/or distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Indiana Furniture dealers. Orders will be billed at prices prevailing at time of shipment, unless acknowledged prior to the effective date of the price change, in which case billing will be at the price acknowledged.

ACKNOWLEDGMENT

All orders will be acknowledged promptly, showing how the order was entered, its approximate shipping date and other pertinent information. This acknowledgment is the final agreement between the customer and Indiana Furniture and is the exclusive statement of the terms thereof. Please examine this acknowledgment carefully and advise Indiana Furniture immediately of any discrepancies.
Note: Shipping fees will not be listed on the acknowledgment.

BUYER'S OBLIGATION: RIGHTS OF SELLER

If Indiana Furniture shall at any time doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. Remedies provided herein shall be in addition to, and not in lieu of other remedies. Buyer agrees to abide by payment terms as listed on invoice. Buyer shall pay all reasonable costs and expenses, including attorney and collection fees, and late fees, incurred by Seller in connection with any amounts due for goods ordered.

CANCELLATIONS AND CHANGES

Due to immediate production on build-to-order items, all orders are considered firm and are not subject to cancellation or change without approval from Indiana Furniture. All approved changes are subject to additional charges and revised lead times.

PRODUCT DESIGN AND SPECIFICATION CHANGES

Indiana Furniture reserves the right to make changes in design and construction or discontinue products without prior notice.

REPAIR CHARGES

Indiana Furniture will only pay repair charges if Customer Service gives prior written authorization. No repair charge will be paid without advance approval at which time you will be issued a repair authorization number that will allow you to invoice Indiana Furniture for the completed work.

WAREHOUSE STORAGE CHARGES

If a shipment is held beyond 14 calendar days at your request, **a .084% per calendar day** (2.52% per month) storage charge will be assessed. The effective date will be 14 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED MERCHANDISE

The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

Obvious Damage/Missing Cartons — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered ⅓ by the carrier and ⅔ by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

RETURN MERCHANDISE

Merchandise will not be accepted for return without a RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGA's for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a $300 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a $600 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Shipments totaling less than $3000 (net value, product only) will be assessed a small order fee of $300 net per shipment. This fee will be reduced for items shipped via small package carriers. For order shipments of $100 or less, shipped by small package carrier, the fee is $18. For order shipments over $100, shipped by small package carrier, the fee is $40. All shipping fees will be added at the time of invoicing.

BIFMA AND ANSI TESTING

Indiana Furniture is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by the BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, Indiana Furniture products within this price list have been tested by an independent verifying body and meet or exceed applicable BIFMA and ANSI standards.

Warranty

Subject to the limitations set forth in this warranty, Indiana Furniture Industries, Inc. ("**Indiana Furniture**") warrants to the original purchaser all product in this price list ("**Product**") to be free from defects in material and workmanship given normal use for a 12-year period from the date of manufacture. During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (in Indiana Furniture's sole discretion) any Product, part, or component covered by this warranty and sold after November 27, 2023, which fails under normal use as a result of a defect in material or workmanship. Normal use is defined as the equivalent of a single shift, 40-hour work week. Indiana Furniture will repair or replace the defective Product, part, or component with a comparable Product, part, or component.

Warranty periods are limited for certain Products and parts as follows:

12-year Warranty (from the date of manufacture)
- Seating Mechanisms
- Veneers
- Laminates
- Casters and Glides

7-year Warranty (from the date of shipment)
- Pneumatic Table Lift
- Electric Table Lift

5-year Warranty (from the date of manufacture)
- Triple Play Series
- Electrical Components
- Pneumatic Cylinders
- Textiles, Foam, and Decorative Trim
- Swivel Arm Pads
- Keyboard Kits
- Lighting
- All Height Adjustable Mechanisms

3-year Warranty (from date of shipment)
- Dock 950 Wireless Charger
- Dock 150 Wireless and USB Charger

THIS WARRANTY DOES NOT COVER:
- Damage caused by a carrier or third party
- Normal or routine wear and tear
- Appearance, durability, quality, behavior, colorfastness, or any other attribute of customer's own materials or any non-standard Indiana Furniture material (including CF Stinson, Maharam, Momentum, Mayer, UltraFabrics, Architex, and other alliance programs) specified by the customer and applied to a Product
- Color, grain or texture of wood, laminate and other covering materials
- Changes in wood or fabric color due to aging or exposure to light

As the manufacturer of the Product, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to reasonably resolve, as quickly as possible, any problems you may have with the Product within the terms and conditions of this warranty.

If you encounter a defect covered by the foregoing warranty, contact the dealer from whom you purchased the Product. If the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the Product.

INDIANA FURNITURE IS NOT PROVIDING, AND SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTIES FOR THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INDIANA FURNITURE SHALL NOT BE LIABLE TO THE PURCHASER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR SPECIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF OR RESULTING IN ANY MALFUNCTIONS, DELAYS, LOSS OF PROFIT, INTERRUPTION OF BUSINESS, PERSONAL INJURY, BODILY INJURY, DEATH, DISMEMBERMENT, OR PROPERTY DAMAGE.

General Seating Information

GRADED-IN PROGRAMS

As a special service to our customers, Indiana Furniture has graded-in upholsteries from multiple fabric partners.

For the entire list of graded-in patterns, memo sample information and contact information, please see the list below and the COM/COL Graded-In seaction for more details.

- Anzea
- Arc-Com
- Architex
- CF Stinson
- Camira
- Carnegie
- Concertex
- Cortina
- Designtex
- Guilford of Maine
- Green Hides
- KnollTextiles
- Maharam
- Mayer
- Momentum
- Pallas Textiles
- Spradling
- Ultra Fabrics

PHOTOGRAPHIC FABRIC CARDS

The fabrics represented on Indiana Furniture photographic cards were reproduced using the finest technology available. Each Indiana Furniture photo card has an 800 phone # for your use while ordering free fabric swatches or samples. Please verify your desired fabric before ordering as such orders are not subject to return to Indiana Furniture.

FABRIC REPEATS

Indiana Furniture will make every attempt to match obvious patterns within a single chair from the seat to the back, vertically and horizontally.

Matching fabric patterns from chair to chair may require extra yardage and must be noted on the order to avoid delays in shipments. If the order will require COM to be matched from chair to chair, please contact Customer Service at 800-422-5757 to optimize the yardage for multiple quantities and pattern matching.

FRAMES & GLIDES

All wood frame chairs feature kiln-dried hardwoods which are double-doweled, securely glued, and screwed for maximum joint stability.

Guest chairs ship with nylon glides as standard. Felt glides (FELT) are also available on many of our wood Guest Chairs at no additional charge. Must be specified on the order.

UPHOLSTERY FOAM

All Indiana Furniture chairs consist of a high grade polyurethane foam that meets CAL 117-2013.

FINISH

Indiana Furniture standard seating finishes correspond to casegoods and conferencing finishes and laminates. Minor variations in finish color and value may occur due to the natural characteristics of wood. Consult this price list for specific finish availability within each series.

Special Finishes: Indiana Furniture is able to accommodate our customer's needs for specific finish matches. Please submit a 3"x5" sample panel to Customer Service for quotation and lead time.

FINISH CONTINUED

All Indiana Furniture Chairs feature a catalyzed varnish finish which offers lasting beauty and resistance to normal wear.

Tables will feature our UVAdvantage finish or a catalyzed varnish finish. See individual series for specific information.

An overview of our finishes and laminate options can be found on the inside of the back cover of this price list.

CASTERS & NAIL TRIM

Indiana Furniture contemporary swivel chairs are standard with black hooded dual wheel carpet casters.

All Indiana Furniture traditional seating has brass accents (casters and nail trim) where applicable. Silver accents are available. Please specify (SLVR) at no additional charge.

In addition, some of our traditional seating is available with no nail trim as requested (NONT) at no additional charge. Must be specified on order.

CONTROL OPTIONS

See individual series within this price list for control options and pricing.

Knee-Tilt Control
The Knee-Tilt control features a heavy-duty torsion bar or a spring tension control which allows variable tension for different body sizes and weights, and minimal rise of the seat's front edge. This allows the user's feet to remain planted while reclining to a relaxing position.

CAL 133 CERTIFICATION

California Technical Bulletin 133 (TB133 or CAL133) is a composite fire test for fully-assembled seating manufactured for use in certain public buildings. As such, the certification is specific to the fabric that is used in conjunction with the frame and the barrier. Many Indiana Furniture seating products, in combination with some of our standard fabrics, can be manufactured to meet the requirements for certification. Depending on the frame style, a fire-retardant barrier or fire-retardant foam will be incorporated in the chair construction to provide the best opportunity for a successful CAL133 burn test.

The cost of the test is $1052 (net) which includes the test, freight to the test facility and the fully-assembled test sample. Once payment has been made, please allow approximately 6–8 weeks for the production of the chair and the completion of the test. Once we receive the successful certification, the order may be placed allowing for 1 week extra lead time using the "CAL" prefix on the model number with an upcharge of $159 list per chair. Please contact Customer Service at 800.422.5727 to order the test.

If you do not need the actual Certification, but wish to have the chairs manufactured to meet the regulation, we can upholster the chair using the fire-retardant components at the $154 list upcharge per chair. Please order the appropriate frame allowing for 1 week extra lead time, using the "CAL" prefix in front of the model number.

CAL	California Test Cost (NET)	$ 1084
	Up Charge Per Chair	$ 164

Please note that if you wish to have Certification on a COM material, Indiana Furniture must approve the fabric according to the COM policy as well.

Indiana FURNITURE

AMERY™

SWIVEL + GUEST SEATING (150 SERIES)

Alluring curves, optional tufted craftsmanship, intricate wood detailing, and precisely placed trim 175 nails make Amery a showpiece of fine traditional design. Swivels feature swivel-tilt control with pneumatic height adjustment. Solid hardwood frames provide for a smooth and radiant finish.

CONSTRUCTION

- Exposed wood components are manufactured using select maple and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- If applicable, caster options include hooded casters available in black, brass and silver or choose black soft casters for hard surfaces
- High Grade Polyurethane Foam, 1½" thick in the seat and back
- Textiles are sewn with double stitch seams
- High quality sinuous springs with weight distribution rods ensure a comfortable seating application
- Rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

BAILEY

SWIVEL, GUEST + TABLES (720 SERIES)

From lounge areas to private offices to conference settings, the Bailey Collection can make a statement. Single seat chairs are available with a pedestal base, swivel base with casters, and four leg base. Bailey tables are offered in a wide range of veneers and laminates with two edge profiles, while seating options are available in contrasting upholsteries. The stylish ottoman finishes out the collection.

CONSTRUCTION

- High Grade Polyurethane Foam, 2¼" thick in the seat and 1 - 1¼" in the tapered back
- Bases for both seating and tables are manufactured using steel frames with a chrome finish
- The wood veneer tops are made of select grade sliced Black Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- Veneer tops are ¾" with 1mm veneer edge bands
- Laminate tops are ¾" with 1mm PVC edge bands; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims
- Chairs rated for users up to 275lbs
- Chairs and tables ship fully assembled

Indiana FURNITURE

BAKERSTREET
LOUNGE SEATING (400 SERIES)

Bakerstreet Lounge boasts a traditional rolled arm design that will complement a variety of working styles. The thick seat cushion coupled with high quality resilient sheet webbing makes this series extraordinarily comfortable, while the welt cord and nail trim showcase the detail and craftsmanship that goes into every model. Whether you looking to outfit the front entrance, an executive office, private nook, or anything in between, Bakerstreet portrays the level of distinguished sophistication you are looking for.

CONSTRUCTION

- Frames are kiln-dried hardwoods and structurally engineered hardwood plywood
- Exposed wood frame members are selected from the highest grades of hardwoods and are free of spirits, discoloration, pits, shakes, and wormholes; European Beech on legs
- Joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- High Grade Polyurethane Foam, 3¼" thick in the seat and 2" in the back
- Non-marring adjustable nylon guides included in each leg at floor level
- High quality resilient sheet webbing ensures a comfortable seating application
- Features nail trim on front and back side of arm
- Rated for users up to 275lbs
- Ships fully assembled

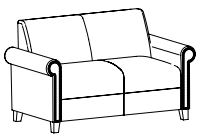
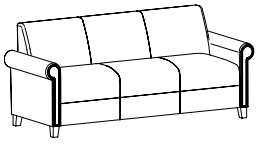
UPHOLSTERY OPTIONS

Available in single upholstery in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

Some upholsteries are considered directional, such as stripes, patterns and plaids. Each upholstery is reviewed by production for the best application. Some upholsteries may require the pattern to be cut up the roll, which create additional seams in the seats and backs of select units. See the COL/COM Form for additional details.

Additional seams for the 4002 Settee and 4003 Sofa when upholstery is cut up the roll.





WOOD FINISHES

Indiana Furniture uses a multi-step, hand finishing process on all exposed wood frames.

Chairs feature a catalyzed varnish finish which offers durability, lasting beauty, and resistance to normal wear.

Indiana FURNITURE

BLISS™
LOUNGE SEATING (375 SERIES)

The Bliss lounge collection introduces purity in shape and geometric form. This urbanized lounge collection features an optional tablet and provides a relaxed atmosphere for casual meetings. All pieces rest on exposed wood or polished chrome and are available in both fabric and leather. 176

CONSTRUCTION

- Frames are kiln-dried hardwoods and structurally engineered hardwood plywood
- Exposed wood frame members are selected from the highest grades of hardwoods and are free of spirits, discoloration, pits, shakes, and wormholes; European Beech on legs and arm caps
- Joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- High Grade Polyurethane Foam, 3¼" thick in the seat and 2" in the back
- Non-marring adjustable nylon guides included in each leg at floor level
- High quality resilient sheet webbing ensures a comfortable seating application
- Rated for users up to 275lbs
- Ships fully assembled

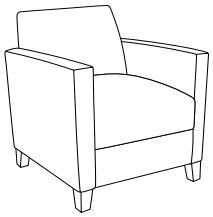
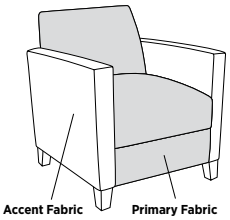
UPHOLSTERY OPTIONS

Available in single or contrasting upholsteries in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

Single Upholstery

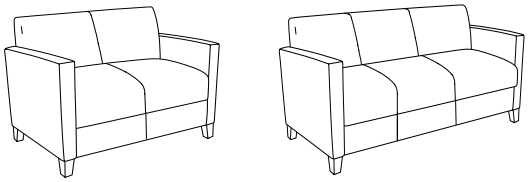


Contrasting Upholstery



UPHOLSTERY OPTIONS CONTINUED

Some upholsteries are considered directional, such as stripes, patterns and plaids. Each upholstery is reviewed by production for the best application. Some upholsteries may require the pattern to be cut up the roll, which create additional seams in the seats and backs of select units. See the COL/COM Form for additional details.



Additional seams for the 3772 Settee and 3773 Sofa when upholstery is cut up the roll.

Indiana FURNITURE

BOW TIE™

GUEST SEATING + STOOLS (170 SERIES)

The Bow Tie collection harmonizes classic design with modern panache. Combining elegance and grace with scale, proportion, and functionality, these stackable guest chairs are offered in a wood slat back, half upholstered back, and a fully upholstered back with the ability to stack 4 chairs high. The companion counter height and bar stools are offered in the wood slat back with optional scuff plates in aluminum or black on the footrest.

CONSTRUCTION

- Exposed wood frames are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 1½" thick in the seat and 1" thick in the back
- Textiles are sewn with double stitch seams
- High quality resilient sheet webbing ensures a comfortable seating application
- Rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

BRITTA™

GUEST, LOUNGE + TABLES (230 SERIES)

The Britta Collection showcases a Mid-Century Scandinavian aesthetic with an appealing contemporary feel. The guest, single lounge, and settee all feature a wall-saver design. Choose from an open or closed arm in an array of wood finishes, with complementing tables available in two edge styles, to create an inviting space with warm and energetic sensibility.

CONSTRUCTION

- High Grade Polyurethane Foam, 1¼- 2½" thick in the seat and 1½ -2½" in the tapered back
- The wood veneer table tops are 1" thick and are made of select grade sliced Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- The knife edge profile features a 5-ply balanced construction with a solid hardwood rim; the square edge profile features a 3-ply balanced construction with a 3mm veneer edge band
- The aprons and legs are solid maple hardwood and ship with adjustable glides
- Rated for users up to 275lbs
- Chairs and tables ship fully assembled

Indiana FURNITURE

CLUTCH™

TASK + SWIVEL SEATING (580 SERIES)

For private office, conference, or in an open collaborative space, Clutch is designed to fit your exact need. Choose the height that fits the environment, the arm that supports the task, and the base that works best for the project. Contoured lumbar support and flexible suspension provide all day comfort. A selection of arm and base styles offer the right adjustment. Spec the appropriate final touches for highbrow environments or scale for casual office settings.

CONSTRUCTION

- Backs are formed with a steel tubular frame
- Seats are manufactured of plywood
- ⅜" diameter bolts fasten back to seat
- High Grade Polyurethane Foam, 3" thick in the seat and 1" thick in the back; seat polyurethane is a molded fabrication and is highly resilient
- Contoured seat with waterfall edge for ergonomic comfort
- Textiles are sewn with double stitch seams
- Rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

DAB

MULTI-PURPOSE SEATING (900 SERIES)

The Dab collection of multi-purpose, stackable seating offers a broad range of functionality and style and is ideal for personal and shared offices, teaming and collaborative areas, training and learning spaces, meeting and huddle rooms, break rooms and cafés, and so much more. With upholstery, mesh, and poly options for seats and backs, as well as armless models, tasking options, and ganging brackets, this line has what it takes to bring a variety of spaces to life.

CONSTRUCTION

- All seats and backs are 0.2" thick mold-injected plastic polypropylene made from 70% recycled material
- Upholstered seats feature 1" thick high grade polyurethane foam
- Upholstered backs have ½" high grade polyurethane foam
- Black mesh backs are made of woven polypropylene
- Powder coated steel leg frames are ⅞" diameter and available in black or aluminum
- Chairs without casters include black non-leveling plastic glides; chairs with casters feature 60mm black soft wheels for hard surfaces
- Gang black plastic arm and armless models together with the black steel ganging bracket; We advise against combining chairs with casters and glides
- Ships fully assembled
- Rated for up to 275lbs

MORE THAN JUST A GREAT CHAIR

Dab is more than just a great chair. By using recycled content, this chair is all about being sustainable and reducing our carbon footprint. And with every Dab chair ordered, we will donate a percentage of the sales to The Common Thread for The Cure, a foundation dedicated to the battle against breast cancer.

Extend the generosity even further by exploring a variety of patterns from Mayer Fabrics and Momentum Textiles & Wall Coverings, both have partnered with The Common Thread For The Cure to offer donations from specific patterns, allowing Dab to contribute even more to the cause.

the common thread for the cure

Indiana FURNITURE

DELPHI™

GUEST + HIGH OCCUPANCY SEATING (260 SERIES)

Clean lines, five back styles, and beautiful hardwood frames form a versatile collection of guest seating to outfit any environment. From contemporary to traditional, corporate to healthcare, Delphi adds style without sacrificing comfort. The ability to mix and match back styles gives you design freedom to create the perfect look, and provide lasting comfort, for a diverse range of users. High Occupancy models support users up to 400lbs.

CONSTRUCTION

- Exposed wood components are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 1½" thick in the seat and back
- High quality resilient sheet webbing ensures a comfortable seating application
- Standard units support users up to 275lbs and High Occupancy units support users up to 400lbs
- Ships fully assembled

Indiana FURNITURE

FIFTEEN LOUNGE

LOUNGE + TABLES BY PLEDGE (15 SERIES)

Fifteen Lounge, created by Pledge, is a mix of freestanding and modular components designed to create shared and private moments for a broad range of applications. With the ease and flexibility you desire, Fifteen fits today's needs.

CONSTRUCTION

- Lounge units are manufactured using Baltic Birch plywood for internal wood components and frame; individually hand assembled with joints mortised and tenoned, screwed, and glued for maximum strength and durability
- High Grade Polyurethane Foam, 2¼" thick in the seat and 1" thick in the back
- Lounge units connect using pre-installed metal ganging brackets (unless otherwise noted)
- View Tables feature square edge profile and are available in Veneer, HPL, and TFL
- Veneer table tops are 1⅜" thick with a 3mm veneer edge banding and are made of select-grade sliced Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- HPL tops are 1⅜" thick with a 3mm PVC edge bands and TFL tops are 1" thick with a 3mm PVC edge bands; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims
- Each unit includes non-marring, nylon adjustable glides
- Upholstered units ship fully assembled, while tables require some assembly
- Seating rated for users up to 275lbs

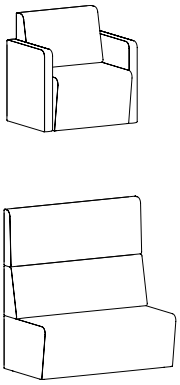
01-0603TVBR	1	TV Bracket	

UPHOLSTERY OPTIONS + RECOMMENDATIONS

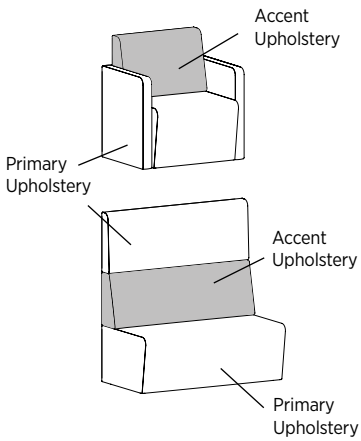
Available in single or contrasting upholsteries in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

When using contrasting upholstery, note that the Accent Upholstery will be shown on the front and back side of the unit.

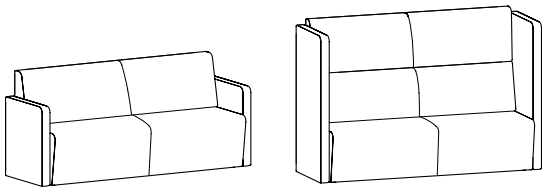
Single Upholstery



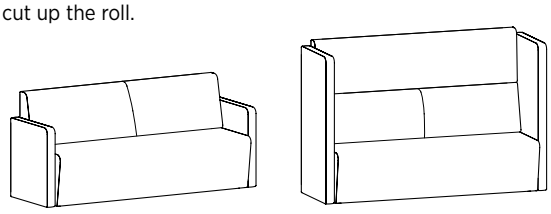
Contrasting Upholstery



Some upholsteries are considered directional, such as stripes, patterns and plaids. Customer may specify how fabric is cut (up the roll or across the roll). If not specified, upholsteries are reviewed by production for the best application. Certain upholsteries may require the pattern to be applied up the roll, which creates additional seams in the seat and backs of select units. When contrasting upholstery is specified and any fabric direction selection is requested or deemed best applied up the roll then all fabric direction selections will be applied up the roll. See the COL/COM Form for additional details.



Additional seams for the three seat models (15-31N, 15-31L/R, 15-31LR, 15-32N, 15-32L/R and 15-32LR) when upholstery is cut up the roll.



Shown with Accent Upholstery cut Up the Roll and applied with the seam. Primary Upholstery cut Across the Roll and applied with no seam. This will apply to 15-31N, 15-31L/R, 15-31LR, 15-32N, 15-32L/R and 15-32LR.

CREATING A BOOTH

At the time of specifying Lounge units, we ask that you also designate whether or not you'll be creating a booth. Please note that some lounge units are not available for use when creating a booth.

To insure all necessary hardware is factory installed when creating a booth:

- Order the correct number of Lounge units to support the Center Panel specified:
  - Single-sided Center Panels require two Lounge units of any combination model/width
  - Dual sided Center Panels require four lounge units in any combination of model/width
- Each Lounge unit specified must indicate which end will connect to the Center Panel. Left end and right end are determined as you are standing looking at the Lounge unit. For example a single-sided Center Panel requires one Lounge unit specified as a left connection and one Lounge unit specified as right connection.
- Tables and TV Brackets must be ordered separately, however, the Center Panel must be ordered with the corresponding options for connection. Please pay close attention to the dual-sided Center Panels and how the options are specified for one or both sides.
- Tables are not freestanding and must be supported by a Center Panel.
- Keep users connected by specifying and ordering power/data units for the Lounge units and Table!

CENTER PANEL DESIGNATORS

Lounge units will be modified to accept Center Panels as specified. We ask that all Lounge units designate if a Center Panel will be used and which side of the unit will need to be attached. Left or Right location is based on facing the Lounge Unit.

Note: Center Panel must be ordered separately.

NONE	No Center Panel
LEFT	Center Panel on Left
RIGHT	Center Panel on Right

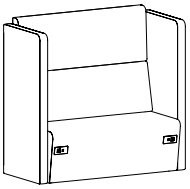
POWER/DATA OPTIONS

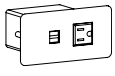
Note: Specified by Facing the Pod

Power ports are installed on the front of the unit 11¼" up from glide and 6⅝" in from the outside of the arm. Armless units have power ports are installed on the front of the unit 11¼" up from glide and 3¾" in from the outside of the unit.

Each Power Port comes with 1 Outlet and 2 USB

ECSL	ECA Cove, Left Port, Silver (1 Unit)	$ 942
ECSR	ECA Cove, Right Port, Silver (1 Unit)	$ 942
ECSLR	ECA Cove, Left and Right Port, Silver (2 Units)	$ 1884
ECBL	ECA Cove, Left Port, Black (1 Unit)	$ 942
ECBR	ECA Cove, Right Port, Black (1 Unit)	$ 942
ECBLR	ECA Cove, Left and Right Port, Black (2 Units)	$ 1884





ECA Cove

Power installed on front left and/or front right

CENTER PANEL TABLE OPTIONS

When ordering a Center Panel, we ask that you also designate whether or not you plan to use a View Table with it. This will ensure that the table attachment bracket and a grommet are factory installed for your convenience.

Note: Table must be ordered separately.

SINGLE-SIDED CENTER PANELS:

NO TBLBKT	No Table Bracket
TBLBKT	Table Bracket

DUAL-SIDED CENTER PANELS:

NO TBLBKT	No Table Bracket
L-TBLBKT	Table Bracket on Left Side
R-TBLBKT	Table Bracket on Right Side
LR-TBLBKT	Table Bracket on Left & Right Sides

CENTER PANEL TV ATTACHMENT OPTIONS

When ordering a High Center Panel, we ask that you also designate whether or not you plan to use a TV with it. This will ensure that the attachment hardware and a grommet are factory installed for your convenience. The Bracket and Grommet are always centered. TV Bracket not available on Low Center Panels.

Note: Actual TV Bracket must be ordered separately.

SINGLE-SIDED CENTER PANELS:

NO TVBKT	No TV Bracket
TVBKT	TV Bracket

DUAL-SIDED CENTER PANELS:

NO TBLBKT	No Table Bracket
L-TBLBKT	Table Bracket on Left Side
R-TBLBKT	Table Bracket on Right Side
LR-TBLBKT	Table Bracket on Left & Right Sides

Note: If you are using a TV Bracket, we do not recommend using a TV larger than 40"

Indiana FURNITURE

FIFTEEN PODS

PODS + TABLES BY PLEDGE (15 SERIES)

Fifteen Pods, another line inspired by Pledge, provides users with a personal getaway space, private meeting, or collaboration location, and can be placed anywhere in a facility. Designed around the science of acoustics, Fifteen Pods helps to keep conversations contained within and external noises out.

CONSTRUCTION

- Pods are manufactured using Baltic Birch plywood for internal wood components and frame; individually hand assembled with joints mortised and tenoned, screwed, and glued for maximum strength and durability
- High Grade Polyurethane Foam, 2¼" thick in the seat and 1" thick in the back
- View Tables feature square edge profile and are available in Veneer, HPL, and TFL
- Veneer table tops are 1³⁄₁₆" thick with a 3mm veneer edge banding and are made of select-grade sliced Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- HPL tops are 1³⁄₁₆" thick with a 3mm PVC edge bands and TFL tops are 1" thick with a 3mm PVC edge bands; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims
- Each unit includes non-marring, nylon adjustable glides
- Upholstered units ship fully assembled, while tables require some assembly
- Seating rated for users up to 275lbs

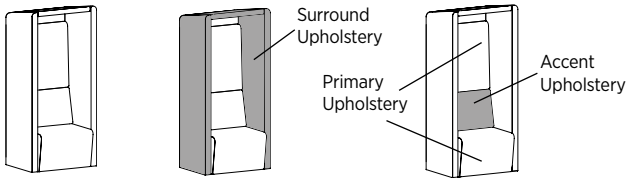
UPHOLSTERY OPTIONS + RECOMMENDATIONS

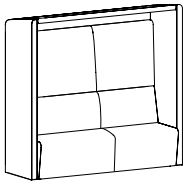
Available in single or contrasting upholsteries in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

When using contrasting upholstery, note that the Accent Upholstery will be shown on the front and back side of the unit.

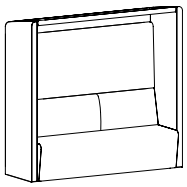
Single Upholstery **Contrasting Upholstery**



Some upholsteries are considered directional, such as stripes, patterns and plaids. Customer may specify how fabric is cut (up the roll or across the roll). If not specified, upholsteries are reviewed by production for the best application. Certain upholsteries may require the pattern to be applied up the roll, which creates additional seams in the seat and backs of select units. When contrasting upholstery is specified and any fabric direction selection is requested or deemed best applied up the roll then all fabric direction selections will be applied up the roll. See the COL/COM Form for additional details..



Additional seams for the 15-P33 when upholstery is cut up the roll.



Shown with Accent Upholstery cut Up the Roll and applied with the seam. Primary Upholstery cut Across the Roll and applied with no seam. This will only apply to 15-P33.

FIFTEEN PODS

PODS + TABLES BY PLEDGE (15 SERIES)

1818

CREATING A BOOTH

At the time of specifying a Pod, we ask that you also designate whether or not you'll be creating a booth.

To insure all necessary hardware is factory installed when creating a booth:

- Order the correct number of Pods to support the Center Panel specified. Single-sided Center Panels require two Pods of any combination model/width
- Each Pod specified must indicate which end will connect to the Center Panel. Left end and right end are determined as you are standing looking at the Pod. For example a single-sided Center Panel requires one Pod specified as a left connection and one Pod specified as right connection.
- Tables and TV Brackets must be ordered separately, however, the Center Panel must be ordered with the corresponding options for connection.
- Tables are not freestanding and must be supported by a Center Panel.
- Keep users connected by specifying and ordering power/data units for the Pods and Table!

CENTER PANEL DESIGNATORS

Pods will be modified to accept Center Panels as specified. We ask that all Pods designate if a Center Panel will be used and which side of the Pod will need to be attached. Left or Right location is based on facing the Pod.

Note: Center Panel must be ordered separately.

NONE	No Center Panel
LEFT	Center Panel on Left
RIGHT	Center Panel on Right

CENTER PANEL TABLE OPTIONS

When ordering a Center Panel, we ask that you also designate whether or not you plan to use a View Table with it. This will ensure that the table attachment bracket and a grommet are factory installed for your convenience.

Note: Table must be ordered separately.

NO TBLBKT	No Table Bracket
TBLBKT	Table Bracket

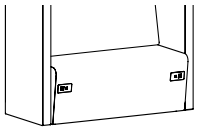
POD POWER/DATA OPTIONS

Note: Specified by Facing the Pod

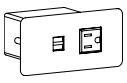
Power ports are installed on the front of the unit 11¼" up from glide and 6⅝" in from the outside of the arm.

Each Power Port comes with 1 Outlet and 2 USB

ECSL	ECA Cove, Left Port, Silver (1 Unit)	$ 942
ECSR	ECA Cove, Right Port, Silver (1 Unit)	$ 942
ECSLR	ECA Cove, Left and Right Port, Silver (2 Units)	$ 1884
ECBL	ECA Cove, Left Port, Black (1 Unit)	$ 942
ECBR	ECA Cove, Right Port, Black (1 Unit)	$ 942
ECBLR	ECA Cove, Left and Right Port, Black (2 Units)	$ 1884



Power installed on front left and/or front right



ECA Cove

CENTER PANEL TV ATTACHMENT OPTIONS

When ordering a Center Panel, we ask that you also designate whether or not you plan to use a TV with it. This will ensure that the attachment hardware and a grommet are factory installed for your convenience. The Bracket and Grommet are always centered.

High Center Panels feature optional High TV bracket which allows for use a larger TV.

Note: Recommend using TVs up to 40". Actual TV Bracket must be ordered separately.

NO TVBKT	No TV Bracket
TVBKT	TV Bracket (Placed at 42"H)
HI-TVBKT	High TV Bracket (Placed at 60½"H)

CHM	Chrome Leg

VIEW BOOTH TABLE POWER/DATA OPTIONS

Grommets are available in View Tables for an upcharge or they may be ordered without grommets (specify NO GROMMET on order).

Power/Data units and Wireless Chargers must be ordered separately and specified with a surface mount location. Multiple locations may be selected (End & Center). Only one unit per location.

GROMMET LOCATIONS (Specify Black = BLK or Silver = SLV)

GE	Grommet, End - BLK or SLV	$ 50
GC	Grommet, Center - BLK or SLV	$ 50
GEC	Grommet, End & Center - BLK or SLV	$ 100

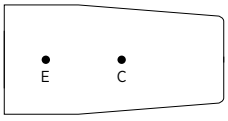
DUO/TRIO BEZEL LOCATIONS

PDC-E	Bezel, End
PDC-C	Bezel, Center
PDC-EC	Bezel, End & Center

WIRELESS CHARGER LOCATIONS

D950-E	Dock 950, End
D950-C	Dock 950, Center
D950-EC	Dock 950, End & Center
D150-E	Dock 150, End
D150-C	Dock 150, Center
D150-EC	Dock 150, End & Center

Grommets, Power Units, Dock 950 Wireless Charger, and Dock 150 Wireless & USB Charger may be ordered in non-standard locations. Call Customer Service to assist with specification and/or please attach a drawing to the PO showing the location of the grommet. Note additional charges and lead times may apply.



Power locations for the View Table are End, Center, or End & Center

E = End C = Center EC = End & Center
E = 12" from monitor end
C = Centered

Indiana FURNITURE

GLEEM™

GUEST + HIGH OCCUPANCY SEATING (390 SERIES)

Experience the staying power of classic design paired with keen, modern interiors. Available in three arm styles, fully-upholstered or with clean out backs, and in standard and high occupancy sizes, Gleem's proven steam bending technique and handcrafted construction create a long lasting, superior chair. Create the perfect look, and provide lasting comfort for a diverse range of users. High Occupancy models support users up to 400lbs. And the entire collection features a wall saver design, preventing the chair back from hitting and marring walls.

CONSTRUCTION

- Exposed wood components are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 1½" thick in the seat and 1" thick in the back
- High quality resilient sheet webbing ensures a comfortable seating application
- Standard units support users up to 275lbs and High Occupancy units support users up to 400lbs
- Ships fully assembled

Indiana FURNITURE

GLEEM+™

BARIATRIC GUEST + TANDEM SEATING (390 SERIES)

Gleem+ is a collection inspired by the staying power and classic design of the Gleem series. With high traffic areas, healthcare and education in mind, the freestanding, tandem seating and table solutions are available with or without a clean out back, optional arm cap, and single or contrasting upholstery. Gleem+ models support users 400-600lbs and feature models specifically for patient care with increased seat heights and support. The entire collection features a wall saver design, preventing the chair backs from marring walls.

CONSTRUCTION

- Exposed chair components are manufactured using European Beech and are free of discoloration, pits, shakes, and wormholes
- All chair joints are mortise and tenon construction with screws and glue for maximum strength and durability
- High Grade Polyurethane Foam, 1½" thick in the seat and 1" thick in the back; high quality resilient sheet webbing ensures a comfortable seating application
- Optional black polyurethane arm cap, increases arm height ½"
- Veneer and HPL tops have a 3-ply balanced construction, 1⅛" thick, and TFL tops have a 3-ply balanced construction are 1" thick
- Veneer table tops feature UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology
- Apron rails and legs feature a catalyzed varnish finish which offers durability, lasting beauty, and resistance to normal wear
- Apron rails are 3-ply Maple Veneer construction and steam bent to create a clean aesthetic
- Table legs are solid maple
- 397HP and 399HH ship with non-maring nylon glides. All other units ship with non-maring adjustable glides.

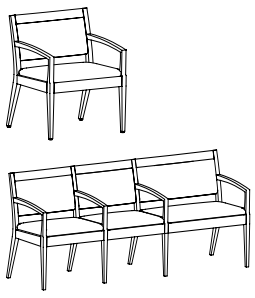
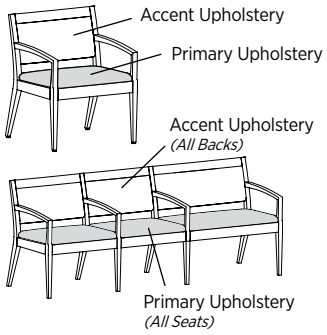
UPHOLSTERY OPTIONS

Available in single or contrasting upholsteries in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

Single Upholstery



Contrasting Upholstery



WALL SAVER DESIGN

All of the Gleem+ chairs feature a wall saver design. With Gleem+'s contoured frame, any unit can be placed against a wall without concern of scrtaching or scuffing.

WS

SEATING FINISH OPTIONS

Indiana Furniture uses a multi-step, hand finishing process on all exposed wood frames. Chairs feature a catalyzed varnish finish which offers durability, lasting beauty, and resistance to normal wear.

Indiana FURNITURE

HALSTED™
GUEST SEATING (160 SERIES)

Carved arm accents and optional button tailoring make Halsted a handsome and versatile addition to office, lounge, or conference environments. Select caster models for easy mobility.

CONSTRUCTION

- Exposed wood components and chair frame are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level

ISLA™

LOUNGE + TABLES (370 SERIES)

Open spaces really come together with the modular, ganging components from the Isla Lounge Collection. Create conversation settings or private areas by mixing components to fit the space and needs of the environment. Optional arm caps make Isla Lounge the solution for high traffic seating. Power and data options keep everyone working on-the-go.

CONSTRUCTION

- Exposed wood parts are kiln-dried hardwoods and structurally engineered hardwood plywood; selected from the highest grades of hardwoods and are free of spirits, discoloration, pits, shakes, and wormholes; European Beech on legs and arm caps
- Joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- High Grade Polyurethane Foam, 3¼" thick in the seat and 2" in the back; Stretch webbing ensures a comfortable sit
- Non-marring adjustable nylon guides included in each leg at floor level
- Ganging and Freestanding Table Surfaces are ¾" thick with a square edge profile; Available in TFL (T), Veneer (W) and Solid Surface (S)
- Tablet Arm Surfaces are ¾" thick with a square edge profile; Available in Black Melamine, Veneer (W) and Solid Surface (S)
- Bistro/Stadium Table feature a 42½"H surface with a square edge profile and are available with 1" thick HPL (P) and TFL (T) surfaces and 1³⁄₁₆" Veneer (W) surfaces
- Bistro/Stadium Tables are partially installed with exposed nickle plated hardware, black hardware also included; some assembly required
- Bistro/Stadium Tables feature horizontal/left-to-right grain direction on backpanel and worksurface; TFL backpanel available with TFL or HPL worksurface and Veneer backpanel available with Veneer or HPL worksurface; Backpanel and worksurface may be specified in contrasting colors
- Seating rated for users up to 275lbs and ships fully assembled
