Indiana FURNITURE

JOY™

TASK + SWIVEL SEATING (850 SERIES)

The Joy family of seating is both stylish and highly adjustable. Choose from task chairs or stools, mesh or upholstered backs, six arm or armless styles. Find the perfect fit with a back height adjustment, lumber support, seat slider, and standard or synchro-tilt controls. Joy is rated for up to 400lbs, making this series the go-to for a diverse range of users, as well as a broad range of applications and styles.

186

CONSTRUCTION

- Backs are formed with a steel tubular frame with black or white mesh or plywood fully upholstered
- Seats are manufactured of plywood with molded foam, 3" thick in the seat and 1" thick in upholstered backs
- Contoured seat with waterfall edge for ergonomic comfort
- Adjustable backs feature 5-position ratchet adjustment for personalization
- Lumbar adjustment features 4 positions
- Pneumatic lift for simple and easy seat height adjustment
- Synchro tilt control features back tilt, multi-angle and locking recline, tension control
- Seat slider is standard on upholstered back models and optional on mesh back models
- Black polyurethane arms with chrome accent, where applicable
- Black nylon or polished aluminum five star base
- Ships fully assembled
- Rated for up to 400lbs

Indiana FURNITURE

KENNERLY™
SWIVEL + GUEST SEATING (130 SERIES)

Handsome styling with elegant detailing makes Kennerly a mainstay for today's traditional environments. Precisely placed trim nails and button-tufted or plain back models complete the line. Swivels feature swivel-tilt control with pneumatic height adjustment.

CONSTRUCTION

- Exposed wood components and chair frame are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes; base caps are manufactured using select maple
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- If applicable, caster options include hooded casters available in black, brass and silver or choose black soft casters for hard surfaces
- High Grade Polyurethane Foam, 1½" thick in the seat and back
- Textiles are sewn with double stitch seams
- High quality sinuous springs with weight distribution rods ensure a comfortable seating application
- Seating rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

KICKSTART™
LOUNGE + TABLES (550 SERIES)

A modern collection designed to address a wide range of applications for today's social workplaces and community spaces. KickStart's flexible lounge and table offerings combine with collaborative elements to create inviting spaces for people to gather, work, re-energize, and learn.

The collection's classic forms and refined scale are enhanced through precise details, tailored upholstery and a horizontal stitch detail. Two back styles, with or without a pillow, combine with upholstery options to create a versatile aesthetic ranging from sophisticated to casual.

CONSTRUCTION

- Internal wood components and frame are manufactured using Baltic Birch and European Beech
- Frames are individually hand assembled, and all chair joints are mortised and tenoned, screwed and glued for maximum strength and durability
- Metal legs are 9"H and are available in Aluminum or Chrome
- Non-marring Nylon Glides included in each leg at floor level
- High Grade Polyurethane Foam, 3½" thick in the seat and 2" thick in the back
- Optional Accent Pillow Backs, measuring 22½" x 3¼" x 13½" are attached with a nylon hook and loop material
- Modular units and tables connect using pre-installed metal ganging brackets
- Upholstered units ship fully assembled, while tables may require some assembly
- Tablet Arm surface measures 10" x 14" x 1"
- Tablet Arm surface and Tables feature Square edge profile
- Seating rated for users up to 275lbs

UPHOLSTERY RECOMMENDATIONS

Available in single or contrasting upholsteries in a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

The use of upholstery patterns and stripes is highly discouraged as they may result in alignment issues.

HIGH SURROUND UPHOLSTERY OPTIONS

To ensure a proper fit and finish on the High Surround feature of the KickStart models, we will require upholsteries to fit within a specific range of stretch. To make specification easier for you, we have pre-approved upholsteries for the High Surround feature. These are included on the Stinson Revive Card and Momentum Kickstart Card and can be found at www.IndianaFurniture.com. They include:

Ace (GR4)
Artisan (GR3)
Baxter (GR4)
Blip (GR3)
Bryant Park (GR3)
Carson CV (GR1)
Crespo (GR1)
Cush (GR3)
Drift (GR6)
Ego (GR1)
Harrison (GR5)
Highlight (GR4)
Inside Track (GR4)

Indiana FURNITURE

KICKSTART™
HIGH SURROUND APPROVAL FORM

1900 **This form is also available online at www.IndianaFurniture.com on the KickStart product page.**

Not all standard upholsteries are suitable for all of our products. This is due to the range of stretch across textiles and the application and sewing techniques required to effectively upholster the various forms and features.

To ensure a proper fit and finish on the High Surround feature of our KickStart lounge models, we will require upholsteries to fit within a specific range of stretch. Further, upholstery patterns and stripes are highly discouraged on the High Surround as they will result in alignment issues on the feature itself and with other sections of the overall model.

To make specification easier for you, we have pre-approved upholsteries for use on the High Surround feature. These are included on the Stinson Revive Card and Momentum Kickstart Card and can be found under our Textile Program. They include:

Ace (GR4)
Artisan (GR3)
Baxter (GR4)
Blip (GR3)
Bryant Park (GR3)
Carson CV (GR1)
Crespo (GR1)
Cush (GR3)
Drift (GR6)
Ego (GR1)
Harrison (GR5)
Highlight (GR3)
Inside Track (GR3)
Lorelai (GR6)
Moby (GR3)
Nestle (GR1)
Outlander (GR4)
Ritz (GR4)
Sarto (GR5)
Scatter (GR1)
Shift (GR3)
Sprint (GR3)

We recognize that special needs may arise and we are pleased to accommodate customer selections, as long as they are approved through the below process.

Note: if upholstery is customer's own, a COM/COL Form will also need to be completed.

KICKSTART HIGH SURROUND APPROVAL INSTRUCTIONS:

Fill out the form below and attach a 6″x6″ sample. Failure to complete this form and supply samples will delay the scheduling of the purchase order. Orders will not be scheduled and upholstery should not be ordered until Indiana Furniture has verified usage and provided approval.

Dealer Name _____ Phone _____ Email _____

Contact Person _____ City _____ State _____ Zip _____

Indiana FURNITURE

MARQUEE™
GUEST SEATING (420 SERIES)

Marquee guest seating combines the sleek look and feel of metal with unlimited flexibility. The ergonomic contoured back provides lumbar support and promotes circulation. Offered in five powder coat options and with upholstered or wood arm caps. Marquee can blend into any workplace setting – from office and conference rooms to waiting rooms and reception areas.

CONSTRUCTION

- Back is formed with bent plywood, while the seats are made of manufactured plywood
- High Grade Polyurethane Foam, 3" thick in the seat and 1¾" thick in a back
- ⅜" diameter bolts fasten seat to the back
- Non-marring nylon glides included in each leg at floor level
- Textiles are sewn with double stitch seams
- Seating rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

ME, MYSELF & I

GUEST, LOUNGE + TABLES BY PLEDGE (MMI SERIES)

In partnership with Pledge, a UK-based company, we welcome Me, Myself & I.

With the growth of open and breakout areas in the working environments, Me, Myself & I provides a relaxed and collective seating solution. Guest/Lounge seating is available in two back heights and contrasting fabrics. Add one of the perfectly matching tables to complete your setting.

CONSTRUCTION

- Internal wood components are manufactured using Baltic Birch and exposed parts are European Beech
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- Frames are individually hand assembled and sanded prior to being finished; Legs are 9¾"H on the seating and rectangular table and 14"H on the square table
- High Grade Polyurethane Foam, 3¼" thick in the seat and 2" thick in the back
- Non-marring nylon glides included in each leg at floor level
- Tables have 1½" thick HPL surface with 1½ mm PVC edge band and Square edge profile; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims.
- Seating rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

NATTA

BENCHES, STOOLS + TABLES BY PLEDGE (NA SERIES)

In partnership with Pledge, a UK-based company, we welcome Natta.

Natta offers an agile solution for a variety of community spaces and meeting applications. With its simplicity of form, it can achieve a subtle effect and still provide an excellent solution for any meeting and breakout environment. Available in matching benches, stools and tables.

CONSTRUCTION

- Internal wood components are manufactured using Baltic Birch and exposed parts are European Beech
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- Frames are individually hand assembled and sanded prior to being finished; Bench Legs are 14"H and Stool Legs are 29¼"H and are sanded prior to finishing
- High Grade Polyurethane Foam, 1" thick on the Stool seat and back; 3¼" thick on Bench seat
- Non-marring nylon glides included in each leg at floor level
- Tables have 1½" thick HPL surface with 1mm PVC edge band and Square edge profile; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims.
- Stools and benches rated for users up to 275lbs
- Ships fully assembled

PLEDGE

Indiana FURNITURE

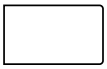
PLUSH
LOUNGE + TABLES (620 SERIES)

Plush Lounge seamlessly brings together the endurance needed for commercial spaces with the relaxed comforts of home. Introducing a smart range of freestanding and modular seating components, along with coordinating tables, that provide the flexibility and comfort needed in today's ever-changing environments.

CONSTRUCTION

- Exposed wood parts are kiln-dried hardwoods, selected from the highest grades of plain sliced hardwood veneers and are free of spirits, discoloration, pits, shakes, and wormholes
- Joints are mortised and tenoned, screwed, and glued for maximum strength and durability
- High Grade Polyurethane Foam in the seat, back, and arms
- Maple Wood Legs are 2"Wx2½Dx6"H; Metal Legs are 2"Wx2"Dx6"H
- Lounge units and tables are connect using pre-installed metal ganging brackets (unless otherwise noted)
- Non-marring adjustable nylon glides included in each leg at floor level
- Table tops are ¾" thick and feature a vertical square profiled edge



- Seating units rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

POLKA

MODULAR LOUNGE BY PLEDGE (PLK SERIES)

Designed by Jason Lansdale in conjunction with our UK partner, Pledge, Polka is a flexible and fun modular seating range with soft curves and gentle waterfall seat edges. Its low, wide stance and asymmetric shapes provide a striking alternative for sitting, relaxing, and touchdown working. Perfect for lobbies, atriums, and collaboration ares.

CONSTRUCTION

- Internal wood components and frame are manufactured using Baltic Birch plywood; frames are individually hand assembled, and all joints are mortised and tenoned, and glued for maximum strength and durability
- Legs are constructed of European Beech; Leg is 1¾"W x 10½"D 8¾"H with glide, Foot is 2¼"D
- High Grade Polyurethane Foam, 3⅜" thick
- Includes non-marring, nylon adjustable glides
- Lounge units rated for users up to 275lbs
- Ships fully assembled

HOW TO ORDER EXAMPLE

Model No.	Description	Example
PLK01L	Leg Finish	BW
	Upholstery	CF Stinson Round Trip Energy

UPHOLSTERY OPTIONS

Available in single upholstery. Select from a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

Upholstery is applied across the roll and Indiana Furniture will make every attempt to apply the upholstery in the same direction on multiple pieces while making the best use of the yardage supplied.

LEG WOOD FINISHES

Indiana Furniture uses a multi-step, hand finishing process on all exposed wood.

Chairs feature a catalyzed varnish finish which offers durability, lasting beauty, and resistance to normal wear.

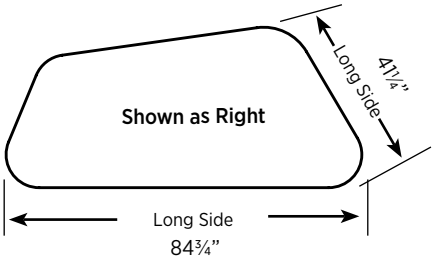
Indiana FURNITURE

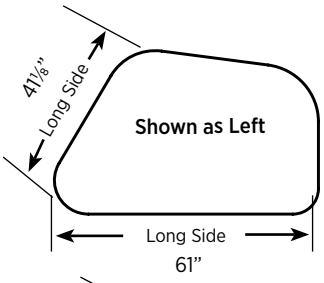
POLKA

IDEA STARTERS + PLANNING

1930 Polka offers five asymmetric shapes, availalbe in left and right models, to easily create extra seating or touchdown areas. The left or right model is determined by which side the longest diagonal is on when facing the longest straight side.

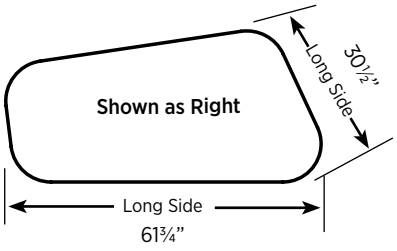
PLK01L/R
84⅝"W
38¼"D
17¾"H

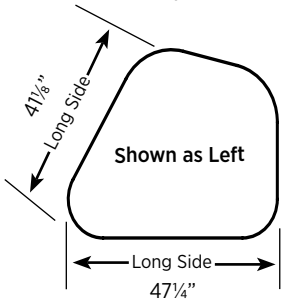




PLK02L/R
61"W
38¼"D
17¾"H

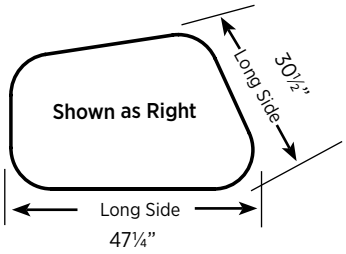
PLK03L/R
61⅜"W
29½"D
17¾"H





PLK04L/R
47¼"W
38¼"D
17¾"H

PLK05L/R
47¼"W
29½"D
17¾"H



Polka's soft curves, wide stance, and asymmetric shapes offer enormous flexibilty when creating seating areas. Polka units fit best when pairing lounge units with the same diagonal measurement together.

See individual products for coordinating measurements and set your imagination free.

PORTIA™
LOUNGE SEATING (570 SERIES)

Clean lines, refined scale, and gracefully angled arms makes Portia an excellent choice for comfortable guest or lounge applications with timeless appeal. Solid hardwood frames provide for a smooth and radiant finish, while loose cushions make these models easy to clean.

CONSTRUCTION

- Internal wood components are manufactured using plywood, while chair frames are manufactured using Maple
- All chair joints are mortised and tenoned, screwed and glued for maximum strength and durability
- Legs are 10" tall
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 5½" thick in the seat and 4¾" thick in the back
- Lounge unist rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

REMINISCE™
SWIVEL + GUEST SEATING (110 SERIES)

Create a timeless foundation for office environments with traditional style that is classic and enduring. Select from tufted or plain backs to best fit your design vision and environment. Swivels feature swivel-tilt control with pneumatic height adjustment. Solid hardwood frames feature carved arm and leg detailing.

CONSTRUCTION

- Exposed wood components and chair frame are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes; base caps are manufactured using select maple
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- If applicable, caster options include hooded casters available in black, brass and silver or choose black soft casters for hard surfaces
- High Grade Polyurethane Foam, 1½" thick in the seat and back
- Textiles are sewn with double stitch seams
- High quality sinuous springs with weight distribution rods ensure a comfortable seating application
- Seating rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

RUNNA

POUFFES/LOUNGE BY PLEDGE (RU SERIES)

With its combination of stylish design and distinctive upholstery, Runna Pouffes express luxury and elegance while being the perfect option for impromptu meetings, additional seating, or the fun component that completes a space. Available in Small and Large Sizes.

CONSTRUCTION

- Internal wood components and frame are manufactured using Baltic Birch plywood; frames are individually hand assembled, and all joints are mortised and tenoned, and glued for maximum strength and durability
- High Grade Polyurethane Foam, 1⅝" thick
- The small pouffe will have a black zipper to assist in creating a snug upholstery fit; this is not necessary on the large pouffe
- Includes non-marring, nylon adjustable glides
- Pouffes rated for users up to 275lbs
- Ships fully assembled

HOW TO ORDER EXAMPLE

Model No.	Description	Example
RU-4	Upholstery	CF Stinson Artisan Seaport

UPHOLSTERY OPTIONS

Available in single upholstery. Select from a wide variety of graded-in or contract options, including fabric, vinyl, and leather.

We recommend avoiding the use of obvious directional patterns due to Runna's multiple seams and panels.

Indiana Furniture will make every attempt to have the upholstery pattern going the same direction while making the best use of the yardage supplied.

PLEDGE

Indiana FURNITURE

SPIRIT

GUEST, LOUNGE + TABLES BY PLEDGE (S SERIES)

In partnership with Pledge, a UK-based company, we welcome Spirit.

Spirit has a refined and inviting form and capitalizes on versatility and comfort. Offered with an outer upholstered or wood shell, adding elegance to the simplicity. Find your perfect fit with Options ranging from Spirit Lite to Spirit High Back Lounge, all offering multiple base options to suit your functional need and design style. Add a coordinating Spirit table to complete your look.

CONSTRUCTION

- Internal wood components are molded plywood
- Frames are individually hand assembled
- High Grade Polyurethane Foam, 2" thick in the seat and back
- Non-marring nylon glides included in each leg at floor level
- Tables have 1" TFL or 1⅛" HPL surface thickness with 1 mm PVC edge band and Square edge profile; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims.
- Black or Aluminum Powder Coat and Chrome wireframes
- Ships fully assembled

Indiana FURNITURE

TRIPLE PLAY™
MULTI-HEIGHT BENCH (3 SERIES)

Triple Play can multi-task from lounge height to sitting height, and all the way up to counter height. This versatile seating line lets people choose how and where they want to work with the ability to join any group, at any height table in the room. Triple Play partners with 18" high tables, 29-30" high tables, and 36" high tables, or any range in between.

CONSTRUCTION

- Fully upholstered product that features a high density, firm polyurethane foam interior that holds its shape; shape is static at the lounge height position and at the sitting height position and has a gentle, flexible motion while sitting at the counter height position
- Foam construction can be used to sit on any of the six sides
- Handle is covered in upholstery
- Zipper included with upholstery cover for easy removal and cleaning
- Benches rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

TRIFT™
GUEST SEATING (980 SERIES)

Trift is an all-inclusive guest collection with abundant options for multiple applications. Carefully contoured frame and enhanced seat design provide hours of seated comfort. Five back options in wood and upholstery, and arm and armless models appeal to a broad base of needs. Specify for conferencing, reception, dining, healthcare, and companion seating. Trift accommodates all work areas with ease in one versatile collection.

CONSTRUCTION

- Exposed wood components and chair frame are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 1½" thick in the seat and 1" thick in the back
- Textiles are sewn with double stitch seams
- High quality resilient sheet webbing ensures a comfortable seating application
- Chairs rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

VIVE™
GUEST SEATING (300 SERIES)

Both comfort and style are achieved in Vive with open or closed arms, and flared leg design, with availability of casters. Solid hardwood frames with a smooth, radiant finish are available in all Indiana Furniture finishes. Double dowel mortise and tenon construction and high-grade polyurethane foam provide superior stability and comfort.

CONSTRUCTION

- Exposed wood components and chair frame are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes; base caps are manufactured using select maple
- All chair joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- All seats feature corner blocking
- Arms are securely attached to the frames with mortise and tenon
- Frames are individually hand assembled and sanded prior to being finished
- Non-marring nylon glides included in each leg at floor level
- High Grade Polyurethane Foam, 2¼" thick in the seat and 1½" thick in the back; foam is contoured to fit the frame and fastened in place
- Textiles are sewn with double stitch seams
- High quality resilient sheet webbing ensures a comfortable seating application
- Seating rated for users up to 275lbs
- Ships fully assembled

Indiana FURNITURE

CUSH
STATEMENT OF LINE

1964

Enhance your space with new Cush Pillows. Available in multiple shapes and sizes, and with or without piping, to bring the comforts of home or add sophistication to any space. Be inspired by our broad range of graded-in fabrics, contract fabrics or use a COM to personalize your Cush pillows.

CONSTRUCTION

- All pillows are sewn shut for added security
- All pillows feature a smooth non-woven fabric pillow insert
- Square and rectangle inserts are filled with a soft moldable poly fiber that simulates the look of down feathers
- Bolster pillows are filled with a resilient poly insert for extra durability

COM/COL & Graded-In Programs

Indiana
FURNITURE

COM/COL FORM

1968

COM - CUSTOMER'S OWN MATERIAL

All Indiana Furniture seating is available with material furnished by the customer. Refer to grade 1 for list prices. Refer to individual model number for COM yardage requirements. The listed COM yardage requirement is based on the use of non-directional upholstery 54" wide for a quantity of one chair. Extra upholstery is required to match any pattern with a repeat, either vertically or horizontally. Use the chart below as a guide to add to plain COM yardage requirements listed in the price list.

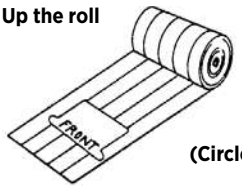
For multiple chair quantities, contact customer service to optimize the yardage per chair at 800-422-5727.

Upholstery Width	Plain Upholstery	2"- 14" Repeat	15"- 27" Repeat	28"- 36" Repeat
54"	0%	10%	25%	30%

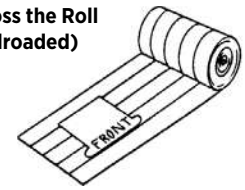
Note: Upholsteries less than 54" wide will not be accepted.

Due to the upholstering process used by Indiana Furniture, some COM upholsteries are considered directional that may not be considered directional by the upholstery supplier. All Upholstery COM's are cut "up the roll" and all vinyls are cut "across the roll" by Indiana Furniture unless otherwise directed by the customer (see below). All directional upholsteries on Indiana Furniture frames match both vertically and horizontally. If you do not desire repeat match, please specify on order.

Up the roll



Across the Roll (Railroaded)



(Circle One)

Note: Directional upholsteries, such as stripes, patterns and plaids may not meet your satisfaction due to contoured shapes and tufting of some models. Should you require such a selection, we will upholster as perfect as possible, but such orders are not subject to return. If in doubt, contact your Indiana Furniture Customer Service Representative prior to placing the order.

COL - CUSTOMER'S OWN LEATHER

Indiana Furniture is pleased to accommodate COL selections whenever this special need arises. Refer to grade 1 for list prices. To calculate COL requirements, multiply the COM yardage required times 18 (1 yard of upholstery = 18 sq. ft. of usable leather). Customer's own leather specifications for Indiana Furniture seating shown within the price list are based on an average hide size of 45-50 square feet.

All square footage requirements are based on usable footage. The shape of a hide and the usable, clean footage may make it necessary for us to request more leather after COL is received.

Please note leather is a natural product, and variation in texture is a pleasing quality belonging exclusively to high grade, full top grain leathers.

Indiana Furniture reserves the right to inspect, approve, or reject any COM/COL upholstery. Once approved, Indiana Furniture cannot assume responsibility for the durability or tailoring quality of COM/COL material.

COM/COL Ordering Instructions:

1. Include a 6" sample of the upholstery stapled to the order indicating which side is to be exposed.
2. If COM has a pattern or stripe, indicate whether to apply vertically or horizontally. All stripes will be applied vertically unless specified otherwise.
3. Specify the upholstery supplier's name, upholstery pattern, pattern color, and pattern number.

For TB 117-2013, the upholstery materials in this product (check one):

_____ contain added flame retardant chemicals

_____ contain NO added flame retardant chemicals

COM/COL ORDERING INSTRUCTIONS:

Fill out the form below and attach sample according to instructions on reverse side of form. **COM's/COL's must meet and include written confirmation from the supplier verifying CALTB 117-2013 compliance and you must designate the flammability materials within for the TB 117-2013 label.** Check the box above to comply with California Business and Professions Code Section 19094. Failure to complete these forms and supply samples will delay the scheduling of the purchase order. Orders will not be scheduled until upholstery is received from the supplier. Upholstery should not be ordered until Indiana Furniture has verified the yardage required.

Check one: ☐ COM ☐ COL

Dealer Name _____ Phone _____ Email _____

Contact Person _____ City _____ State _____ Zip _____

Mill/Supplier _____ Pattern _____ Color _____

Repeat Inches: Horizontal _____ Vertical _____ Directional: ☐ Up the Roll / RailRoad ☐

Note: Required upholstery width is 54".

Face Reversible: ☐ Yes / No ☐

Product COM/COL is to be applied to:

1) Model # _____ Qty* _____ Ydg. Ea. _____ x Repeat _____ = _____ Yds.

2) Model # _____ Qty* _____ Ydg. Ea. _____ x Repeat _____ = _____ Yds.

* For multiple chair quantities, contact customer service to optimize the yardage required.

Occasional Tables

General Tables Information

1992

SURFACE MATERIAL DIGITAL IMAGES & BROCHURE

The finishes represented on Indiana Furniture's Surface Material Finish Brochure were reproduced using the finest technology available. Samples of our finishes and laminates are available for order through our Collateral Store. Please verify your desired finish before ordering as such orders are not subject to return to Indiana Furniture.

Contact your local Indiana Furniture Sales Representative or our Customer Service team should you need assistance.

GLIDES

All tables ship with non-marring glides, some series offering leveling glides as standard. See pricing pages for each series for more information.

FINISH

Indiana Furniture standard occasional table finishes correspond to casegoods and conferencing finishes and laminates. Minor variations in finish color and value may occur due to the natural characteristics of wood. Consult this price list for specific finish availability within each series.

Special Finishes: Indiana Furniture is able to accommodate our customer's needs for specific finish matches. Please submit a 3"x5" sample panel to Customer Service for quotation and lead time.

An overview of our finishes and laminate options can be found on the inside of the back cover of this price list.

Indiana FURNITURE

ARLINGTON™

END, LAMP + MAGAZINE TABLES (2900 SERIES)

Arlington offers all the grace and embellishments associated with traditional styling with an added emphasis on value. Finely crafted in select solids with walnut and cherry veneers and high pressure laminate worksurfaces, Arlington ensures quality and expert craftsmanship with a selection of configurations for today's functional workspaces.

CONSTRUCTION

- Veneers on exposed surfaces feature select grade, plain sliced American Black Walnut or Cherry veneers, carefully selected and matched to assure proper balance and consistency
- Veneer tops have a 5-ply balanced construction, 1³⁄₁₆" thick with solid hardwood rims with butt corners
- HPL tops have a 3-ply balanced construction, 1³⁄₁₆" thick, with solid hardwood rims with butt corners
- Grain direction runs left to right
- All units ship with heavy duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Shipped KD; Some Assembly Required

HOW TO ORDER EXAMPLE

Model No.	Description	Example
29-2124ET	Top Material	W
	Finish	CO

VENEER (W) OPTIONS

Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology. Apron rails and table legs use a multi-step, hand finished process with a catalyzed finish.

Indiana FURNITURE

BAILEY
COCKTAIL + END TABLES (720 SERIES)

From lounge areas, to private office, to conference settings, the Bailey Collection can make a statement. Bailey tables are offered in square and rectangular cocktail tables, as well as end tables, in a wide range of veneers and laminates with two edge profiles. Pair Bailey tables with the collection's chairs, settees, sofas, and ottomans.

CONSTRUCTION

- Bases for tables are manufactured using steel frames with a chrome finish
- The wood veneer tops are made of select grade sliced Black Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- Veneer tops are ¾" with 1mm veneer edge bands
- Laminate tops are ¾" with 1mm PVC edge bands; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims
- Ships fully assembled

Indiana FURNITURE

BRITTA™
END + COCKTAIL TABLES (230 SERIES)

The Britta Collection showcases a Mid-Century Scandinavian aesthetic with an appealing contemporary feel. Available in two edge styles and a broad range of finishes to create an inviting space with warm and energetic sensibility. Pair Britta tables with the collection's guest, single lounge, and settee options, which all feature a wall-saver design, to create an entire setting.

CONSTRUCTION

- The wood veneer table tops are 1" thick and are made of select grade sliced Walnut, Cherry, or Maple veneers for maximum grain and color consistency
- The knife edge profile features a 5-ply balanced construction with a solid hardwood rim; the square edge profile features a 3-ply balanced construction with a 3mm veneer edge band
- The aprons and legs are solid maple hardwood and ship with adjustable glides
- Ships fully assembled

Indiana FURNITURE

JOT™

AUXILIARY, END + COCKTAIL TABLES (410 SERIES)

Discover the perfect table collection that goes anywhere. With a mix of materials, Jot complements a diverse range of interiors from ultra modern to classic. Its metal base, available in five refreshed colors, supports tops in solid surface, veneer, or laminate. Scaled for a perfect fit, Jot makes a great first impression front and center or corner-tucked for convenient storage. Jot's UV Advantage finish features a crystal clear topcoat developed for durability in high traffic areas.

CONSTRUCTION

- Veneer tops are ¾" thick with veneer edge bands; made of select grade, sliced Black Walnut, Cherry, Maple, or Composite species
- TFL tops are ¾" thick with a 1mm PVC edge band; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims
- Solid surface tops are ¾" thick and are available in six colors and two edge profiles
- Bases are manufactured using ¾" steel frames and powder coated in your choice of five standard colors
- Joints on bases are mitered and fully welded for maximum strength and durability
- Tops are securely fastened to the bases with metal screws
- Ships fully assembled

Indiana FURNITURE

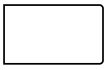
PLUSH™
COCKTAIL TABLE (620 SERIES)

Plush Lounge seamlessly brings together the endurance needed for commercial spaces with the relaxed comforts of home. Introducing a smart range of freestanding and modular seating components, along with coordinating tables, that provide the flexibility and comfort needed in today's ever-changing environments.

CONSTRUCTION

- Exposed wood parts are kiln-dried hardwoods, selected from the highest grades of plain sliced hardwood veneers and are free of spirits, discoloration, pits, shakes, and wormholes
- Joints are mortised and tenoned, screwed, and glued for maximum strength and durability
- Maple Wood Legs are 2"Wx2½Dx6"H; Metal Legs are 2"Wx2"Dx6"H
- Non-marring adjustable nylon glides included at floor level
- Table tops are ¾" thick and feature a vertical square profiled edge



- Ships fully assembled

TABLES + SPACE DIVISION

PRICING EFFECTIVE MARCH 27, 2023
(REV. 11/27/23)

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

2032

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

To learn more, simply go to www.IndianaFurniture.com/resources.

Ease of Specification

Whether you're looking to specify your office spaces or simply to visualize them in the options and surface materials you are desiring, we make it easy. You can find the entire Indiana Furniture portfolio on the following third-party, space-planning platforms.

** Recently launched or new products may still be in testing; Cush Pillows is currently not BIFMA Compliant due to no available compliance test.*

GENERAL INFORMATION + CONDITIONS OF SALE

2034 ORDERING INFORMATION

All orders should be emailed to **neworders@indianafurniture.com**.
Orders can be faxed to 812-482-9035 or mailed to:

Indiana Furniture
P.O. Box 270, 1919 Hospitality Drive, Ste. A
Jasper, IN 47547-0270

ORDER PROCEDURE

All orders must include purchase order number, billing address, ship-to address and phone number, and any special instructions.

When ordering casegoods or tables, give complete quantity, model number, finish and any other options.

When ordering seating, give complete quantity, model number, finish, fabric and any other options.

Within each series, an example of "How to Order" is illustrated at the beginning of each series section. For further clarification of order procedure, contact Customer Service.

PRICING

All prices shown are suggested retail prices F.O.B. Point of Origin, freight prepaid and allowed to one continental US destination. Prices, specifications and materials are subject to change without notice. Possession and/or distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Indiana Furniture dealers. Orders will be billed at prices prevailing at time of shipment, unless acknowledged prior to the effective date of the price change, in which case billing will be at the price acknowledged.

ACKNOWLEDGMENT

All orders will be acknowledged promptly, showing how the order was entered, its approximate shipping date and other pertinent information. This acknowledgment is the final agreement between the customer and Indiana Furniture and is the exclusive statement of the terms thereof. Please examine this acknowledgment carefully and advise Indiana Furniture immediately of any discrepancies.
Note: Shipping fees will not be listed on the acknowledgment.

BUYER'S OBLIGATION: RIGHTS OF SELLER

If Indiana Furniture shall at any time doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. Remedies provided herein shall be in addition to, and not in lieu of other remedies. Buyer agrees to abide by payment terms as listed on invoice. Buyer shall pay all reasonable costs and expenses, including attorney and collection fees, and late fees, incurred by Seller in connection with any amounts due for goods ordered.

CANCELLATIONS AND CHANGES

Due to immediate production on build-to-order items, all orders are considered firm and are not subject to cancellation or change without approval from Indiana Furniture. All approved changes are subject to additional charges and revised lead times.

PRODUCT DESIGN AND SPECIFICATION CHANGES

Indiana Furniture reserves the right to make changes in design and construction or discontinue products without prior notice.

REPAIR CHARGES

Indiana Furniture will only pay repair charges if Customer Service gives prior written authorization. No repair charge will be paid without advance approval at which time you will be issued a repair authorization number that will allow you to invoice Indiana Furniture for the completed work.

WAREHOUSE STORAGE CHARGES

If a shipment is held beyond 14 calendar days at your request, **a .084% per calendar day** (2.52% per month) storage charge will be assessed. The effective date will be 14 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED MERCHANDISE

The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

Obvious Damage/Missing Cartons — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered ⅓ by the carrier and ⅔ by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

RETURN MERCHANDISE

Merchandise will not be accepted for return without a RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGA's for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a $300 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a $600 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Shipments totaling less than $3000 (net value, product only) will be assessed a small order fee of $300 net per shipment. This fee will be reduced for items shipped via small package carriers. For order shipments of $100 or less, shipped by small package carrier, the fee is $18. For order shipments over $100, shipped by small package carrier, the fee is $40. All shipping fees will be added at the time of invoicing.

BIFMA AND ANSI TESTING

Indiana Furniture is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by the BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, Indiana Furniture products within this price list have been tested by an independent verifying body and meet or exceed applicable BIFMA and ANSI standards.

Warranty

Subject to the limitations set forth in this warranty, Indiana Furniture Industries, Inc. ("**Indiana Furniture**") warrants to the original purchaser all product in this price list ("**Product**") to be free from defects in material and workmanship given normal use for a 12-year period from the date of manufacture. During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (in Indiana Furniture's sole discretion) any Product, part, or component covered by this warranty and sold after November 27, 2023, which fails under normal use as a result of a defect in material or workmanship. Normal use is defined as the equivalent of a single shift, 40-hour work week. Indiana Furniture will repair or replace the defective Product, part, or component with a comparable Product, part, or component.

Warranty periods are limited for certain Products and parts as follows:

12-year Warranty (from the date of manufacture)
- Seating Mechanisms
- Veneers
- Laminates
- Casters and Glides

7-year Warranty (from the date of shipment)
- Pneumatic Table Lift
- Electric Table Lift

5-year Warranty (from the date of manufacture)
- Triple Play Series
- Electrical Components
- Pneumatic Cylinders
- Textiles, Foam, and Decorative Trim
- Swivel Arm Pads
- Keyboard Kits
- Lighting
- All Height Adjustable Mechanisms

3-year Warranty (from date of shipment)
- Dock 950 Wireless Charger
- Dock 150 Wireless and USB Charger

THIS WARRANTY DOES NOT COVER:
- Damage caused by a carrier or third party
- Normal or routine wear and tear
- Appearance, durability, quality, behavior, colorfastness, or any other attribute of customer's own materials or any non-standard Indiana Furniture material (including CF Stinson, Maharam, Momentum, Mayer, UltraFabrics, Architex, and other alliance programs) specified by the customer and applied to a Product
- Color, grain or texture of wood, laminate and other covering materials
- Changes in wood or fabric color due to aging or exposure to light

As the manufacturer of the Product, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to reasonably resolve, as quickly as possible, any problems you may have with the Product within the terms and conditions of this warranty.

If you encounter a defect covered by the foregoing warranty, contact the dealer from whom you purchased the Product. If the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the Product.

INDIANA FURNITURE IS NOT PROVIDING, AND SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTIES FOR THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INDIANA FURNITURE SHALL NOT BE LIABLE TO THE PURCHASER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR SPECIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF OR RESULTING IN ANY MALFUNCTIONS, DELAYS, LOSS OF PROFIT, INTERRUPTION OF BUSINESS, PERSONAL INJURY, BODILY INJURY, DEATH, DISMEMBERMENT, OR PROPERTY DAMAGE.

Indiana FURNITURE

ARLINGTON™
TABLES + CONFERENCING (2900 SERIES)

Arlington offers all the grace and embellishments associated with traditional styling with an added emphasis on value. Finely crafted in select solids with walnut and cherry veneers and high pressure laminate worksurfaces, Arlington ensures quality and expert craftsmanship with a selection of configurations for today's functional workspaces.

CONSTRUCTION

Arlington features a Veneer chassis with your choice of a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Exposed surfaces feature select grade, plain sliced American Black Walnut or Cherry veneers, carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer tops are 5-ply balanced construction and 1 3/16" thick with solid hardwood rims with butt corners
- High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1 3/16" thick with solid hardwood rims with butt corners
- Grain direction runs left to right unless noted

CHASSIS
- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Bases are solid hardwood with mitered corners
- Construction offers tight tolerances and long term durability
- Vertical grain direction on chassis

DRAWERS
- Drawer fronts standard with matched veneer faces
- Drawer sides, back and front are woodgrain vinyl-wrapped, and are ½" thick
- 5-sided drawer construction for easy removal of drawer front
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral file drawers feature ¼" thick bottoms and tested for 200lb capacity
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- See locking details for locking door and drawer options
- Lock core available in black or silver and will coordinate with pull selection; See locking details
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

CORD MANAGEMENT
- Grommets are available in black or silver, please specify color
- See optional grommet locations
- Undersurface Wire Managers available for additional cord management; See Accessories

Indiana FURNITURE

CAMEO
TABLES + CONFERENCING (9100 SERIES)

Traditional components echo history and create timeless foundations for meeting rooms that complement our Jefferson and Arlington casegoods collections, and Cameo and Jefferson Reception options. Facilitate presentations with lecterns and visual presentation boards. Mobile serving carts and buffet height credenzas provide additional in-room utility.

CONSTRUCTION

Cameo Tables and Components feature your choice of either a Veneer or HPL top, Veneer bases, and Veneer chassis (where applicable).

VENEERS
- Veneers on exposed surfaces are select grade sliced American Black Walnut and are carefully selected and matched to assure proper balance and consistency

LAMINATES
- Exposed surfaces are produced from wood grained laminates fused to a particle-board core
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS
- Wood Veneer tops are 5-ply balanced construction and High Pressure Laminate (HPL) tops are 3-ply balanced construction
- Tops are 1 3/16" thick with solid hardwood rims
- All buffets, credenzas, serving carts, video cabinets, and storage/wardrobe cabinets are shaped on user side only
- Grain direction runs left to right unless otherwise noted

CHASSIS
- Tops and end panels are securely fastened using high quality
- European fastening systems to ensure maximum strength
- All units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- All drawer fronts are standard with elegant vertically matched walnut veneer faces
- Drawers feature 5-sided construction with ¾" 3-ply fronts, 7/16" thick hardwood sides and 5/32" hardboard bottoms
- Units with 36" wide file drawers feature ¼" thick drawer bottoms for maximum storage strength
- Drawer interiors are sanded, sealed, and finished to provide for a smooth, quality feel and appearance
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- Lateral files are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

STORAGE
- All hinged doors include soft close hinges, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.
- Keyed alike units available upon request at no additional charge
- Lock cores match pull color

POWER 440	01-DATA440A	Aluminum	5⁵⁄₁₆	4⅜	-	5	0.2	$ 931
	01-DATA440B	Black						

Description

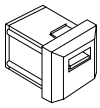
- Two (2) Power Outlets
- Soft Touch Hinged Lid
- 6’ Power Cord
- UL and CSA Recognized

POWER DATA PORT	01-DPORT4A	Aluminum	8	4	-	7	0.2	$ 1056
	01-DPORT4B	Black						

Description

- Retracts into Work Surface to Regain Productive Space; One-Touch Access to Power and Data
- Two (2) Power Outlets and Two (2) Open Ports for Data
- Additional Telecom Plates, See Telecom Plate Options
- Water-Proof Simplex (Outlets)
- Includes a Voice/Data Adapter Kit to Accept Couplers and Jacks When Required
- 6’ Power Cord
- UL and CSA Recognized

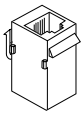
USB PORT	01-USBPORT		-	-	-	-	-	$ 156
								



Description

- Passive USB-A Port wtih Increased Transfer Speed Up to 5 gbs/sec
- Simultaneous Read/Write Capability; Idle Device Power Saving State
- 6’ Cord
- Compatible with 01-DPORT4

VOICE COUPLER	01-VOICE1		-	-	-	-	-	$ 71
								



Description

- 6-Pin Modular Plug
- Molded Black; Cord Not included
- Compatible with 01-DPORT4

DATA PORT	01-RJ4DATA		-	-	-	-	-	$ 161
								

Description

- 8-Pin Modular Plug; Cat6 Ethernet Cable; Pre-terminated Cable
- 10’ Cord
- Compatible with 01-DPORT4

Standard Cutout Types & General Location Information

- Grommets can be specified, at an upcharge, add $11 for a field installed grommet cover or add $50 for a factory installed grommet (unless otherwise noted).
- Power/Data Modules can be specified in standard locations at no additional charge.
- The selection of both the Power/Data Module and Base will determine cutout locations for each table size, as well as placement over or between bases.
- See exact measurements of Module locations.
- For specific locations available by table size see series pages, see Cameo locations.

Cutout Locations Available

OC = On Center
BB = Between Bases *(requires 2 modules)*
CL = Left of Center
CR = Right of Center
EL = End Left
ER = End Right
ML = Middle Left

Indiana FURNITURE

CATALYST
TABLES (8800 SERIES)

Catalyst Tables blend desired aesthetics, functionality, and technology to deliver a comprehensive solution for all types of meeting needs and spaces. The line boasts a broad selection of veneers, laminates, and glass with a variety of top shapes, and a vast range of sizes spanning from 36”D to 60”D and 36”W to 240”W, integrated power/data, and a variety of heights, including work, counter, and bar. Buffets, Credenzas, Waste Bins, and more will help to complete your space.

CONSTRUCTION

VENEER
- Exposed surfaces feature select grade plain-sliced hardwood veneers in Cherry, Maple, American Black Walnut, or composite veneers. Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology

LAMINATE
- Thermally-Fused Laminate (TFL) and High-Pressure Laminate (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS
- Veneer (W) or HPL (P) Tops available in five shapes: Rectangle, Boat, Modern Rectangle, Square and Round with woodgrain patterns following the depth (short) of Veneer (W) table tops while grain patterns follow the width (long) of HPL (P) table tops
- Tops are shaped on all four sides and are available in two thicknesses and five edge profiles
- Double Kerf (F), Duo (G) and Square (Y) available in Veneer (W) and HPL (P) tops with 3-ply balanced construction, 1 3⁄16” thick and matching 3mm wood or PVC rims on profiled edges
- Knife (K) edge profile tops are 1 3⁄16” thick with solid wood rims available on both Veneer (W) or HPL (P) tops
- Vertical Square (H) edge profile tops are 1½” thick with 1.5mm wood edge-banded rims on Veneer (W) tops and 1mm PVC edge-banded rims on HPL (P) tops
- Credenzas, buffets, and other ancillary support models are available in Square (Y), Double Kerf (F), Duo (G), and Vertical Square (H) edge profiles and profiled on approach side only
- All surfaces feature reverse slip matched pattern
- Back Painted, Tempered Glass Tops are ¼” thick and are attached to a substrate topped with black paper covering
- Tempered glass top has a 1⁄16” overhang from the sub-top

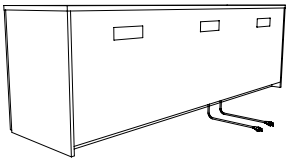
LOCKING
- All box drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core is predetermined by pull color. Black lock cores are used with black and gold pulls while silver lock cores are used with chrome and aluminum pulls
- Optional locking doors available on buffets and credenzas

BASES
- All rectangle bases are available in TFL (T) or Veneer (W), feature vertical grain direction and include L-bracket hardware for easy installation
- Rectangle box bases include removable access panel and wire management and support trough
- Rectangle Accent bases feature 5⁄16” metal accent available in four colors including Aluminum, Black, Gold, and Platinum
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

CHASSIS
- All credenzas are available in TFL (T) or Veneer (W) with vertical grain direction
- Chassis for storage units are securely fastened using high quality European fastening systems and heavy-duty 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- Drawers feature 5-sided drawer construction allowing for easy removal of drawer fronts; All drawer fronts are standard with elegant vertically matched faces
- Drawer sides, back, and front are woodgrain vinyl-wrapped ½” thick with ⅛” thick hardboard bottoms
- Drawer interiors are dovetail construction with 7⁄16” thick hardwood sides and backs, and 5⁄32” thick hardboard bottoms
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box drawers are tested for 100lb capacity
- All suspensions have a limited lifetime warranty

STORAGE
- All hinged doors are soft-close with one piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure
- All Credenzas feature a 2”W wire management channel along back of the interior cabinet for easy accessibility to wall outlets



2”W wire management channel

PULL OPTIONS

Buffets and Credenzas available with pulls on doors. Must specify and select color.

Lock core color is predetermined by pull color.

AST	Studio, Aluminum	CST	Studio, Chrome
BST	Studio, Black	GST	Studio, Gold

Studio (AST) Aluminum - 13" | **Studio (BST)** Black - 13" | **Studio (CST)** Chrome - 13"

Studio (GST) Gold - 13"

GLASS OPTIONS ON TOPS

Back painted tempered glass tops are ¼" thick and available in Black or White with Gloss or Acid Etched finish. Glass top sits 1/16" on top of substrate top. Must specify color and finish.

GWHG	White Gloss	GBLG	Black Gloss
GWHA	White Acid Etched	GBLA	Black Acid Etched

White Gloss (GWHG)

Black Gloss (GBLG)

White Acid Etched (GWHA)

Black Acid Etched (GBLA)

LOCK CORE COLOR OPTIONS

BLK	Black *(Used with Black and Gold Pulls)*
SLV	Silver *(Used with Aluminum and Chrome Pulls)*

Black (BLK) | Silver (SLV)

GROMMET & POWER UNIT OPTIONS

Power units and grommets are available on Rectangle, Modern Rectangle, and Boat shaped tops. Each unit is sold separately and must be specified separately with surface mount location. Multiple locations may be selected. Only one unit per location.

Power units and Grommets Available in Table Surfaces (See Units)

Grommet	$	50

Specify Color: Black = BLK and Silver = SLV

DUO/TRIO BEZEL

01-DUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-TRIOBEZEL	Available in Black (B), Silver (S), or White (W)

DOCK 950, DOCK 800 and DOCK 150

DOCK950	Available in Black or White
DOCK150	Available in Black or White
DOCK800	Available in Black or Silver

Other Power Units

DPORT4	Available in Aluminum or Black
ELLORA	Available in Aluminum or Black
E2X	Available in Aluminum or Black
INTERACTG	Available in Aluminum or Black
OASISM	Available in Aluminum or Black

Power/Data Location Information:

- Designate unit and location when specifying the top model. Power/Data Module need to be ordered separately.
- Power/Data Modules specified at the time of order will be routed for field installation.

E1	Unit on One End
E2	Unit on Each End
OC	Unit on Center

- All power units available **On Center (OC) only** when paired with two (2) or more of the following bases:

Cylinder Base	Square Base
X-Base	Disc
Tubular X-Base	

Grommets and Power Units may be ordered in non-standard locations. Call Customer Service to assist with specification and/or please attach a drawing to the PO showing the location of the grommet. Note additional charges and lead times may apply.

Top Locations

Power units available on Each End (E1 and E2) and On Center (OC) unless otherwise noted, when paired with any Rectangle Panel Base, Rectangle Box Base or Rectangle Accent Box Base.

Power units centered at locations below:

36" Tops	Centered 18"D	54" Tops	Centered 27"D
42" Tops	Centered 21"D	60" Tops	Centered 30"D
48" Tops	Centered 24"D

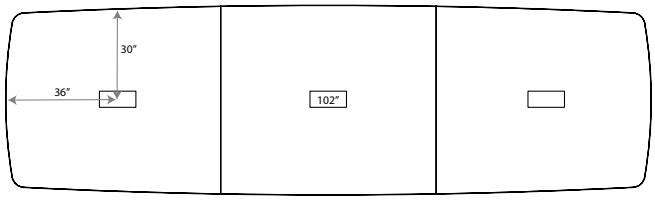
Example: 60x204 Modern Rectangle



DRAWER TRACK OPTIONS

Soft close tracks are available on box drawers. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get pinched. Must specify when ordering.
Pricing is per Drawer, not per Model/Unit

SFTCL	Soft Close Drawer Track	$	33

VENT OPTION FOR CREDENZAS

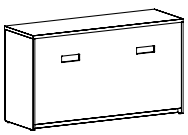
Buffets and Credenzas feature optional ventilation grommets. Includes one vent per compartment.

Vents are 10"Down from top surface on Buffet Credenzas and 2⅞" on Credenzas.

NONE	No Vent Grommet		
VENT	Vented back panel	$	66

Number of vents per unit:

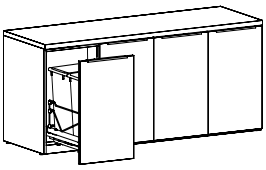
36"	1 vent
72" / 48"	2 vents
96" / 84" / 60"	3 vents



WASTE BIN OPTIONS

Buffet and 24" Credenzas are available with two (2) 41-quart beige waste bins in a pull out cabinet with silver hardware and divider panel. Adjacent cabinet features one (1) adjustable shelf. Studio pulls applied centered on doors when waste bin is selected. Locking not available.

WBL	Waste Bin on Left	$	493
WBR	Waste Bin on Right	$	493



Shown as Left

LOCKING DOORS

Locking doors are available on Buffets and Credenzas. You must specify WITH LOCKING when ordering and add upcharge.

Note: When locking is selected with optional waste bin, locking will not apply to waste bin door.

LKT_BFD	96"W to 84"W Units	$	130
LKT_BFD	72"W to 48"W Units	$	111
LKT_BFD	36"W Units	$	88

Indiana FURNITURE

MADERA™

SMALL MEETING TABLES (1400/1600 SERIES)

Madera creates a variety of looks from rich, refined transitional to fresh, modern contemporary by offering an abundance of options, including premium veneer. Finely crafted in select Cherry, Maple, Walnut, and Oak veneers, Madera features a UV topcoat on all exposed surfaces adding unsurpassed hardness and extreme durability for long lasting office applications.

CONSTRUCTION

Madera features a Veneer chassis with your choice of either a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Choose from premium veneer or select veneer on exposed surfaces in American Black Walnut, White Oak, Cherry, or Maple species
- The American Black Walnut, White Oak, and Cherry veneers are book matched veneer faces, while the Maple is a slip-matched veneer face
- These veneers are carefully selected and matched to assure proper balance and consistency

TOPS
- Wood Veneer tops have a 5-ply balanced construction while High Pressure Laminate (HPL) tops have a 3-ply balanced construction, 1 3/16" thick, with hardwood rims
- Tops featuring the Bullnose (D), Tri-Round (E), Flute (X), and Square (Y) edge profiles have vertical profiles
- Tops featuring the Radius (A) and Bevel (B) edge profiles have the same construction, but provide a matching reverse profile on connecting edge
- Grain direction runs left to right unless otherwise noted

CHASSIS
- Tops, end panels, and modesty panels are securely fastened using high quality European style fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- All drawer fronts are standard with matched faces
- All drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Fronts are 3-ply construction and are ¾" thick with matched grain
- Drawer interiors are dovetail construction with 7/16" thick hardwood sides and backs and 5/32" thick hardboard bottoms
- The drawer interiors are sanded, sealed, and finished to provide a smooth, quality feel and appearance
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box and file drawers are tested for 100lb capacity
- Lateral files are tested for 200lb capacity
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All credenzas feature locking file drawers; optional locking doors is available on select units
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core will match pull color

CORD MANAGEMENT
- Grommets are available in black or silver, please specify color

Indiana FURNITURE

NATTA

MEETING + COLLABORATIVE TABLES (NAT SERIES)

Natta offers an agile solution for a variety of community spaces and meeting applications. With its simplicity of form, it can achieve a subtle effect and still provide an excellent solution for any meeting and breakout environment.

CONSTRUCTION

Natta Tables feature a wood base with HPL top.

TOPS

- High Pressure Laminate (HPL) tops are 3-ply balanced construction, 1½" thick with 1 mm PVC edge band and vertical square edge profile; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Grain direction runs left to right unless otherwise noted

CHASSIS

- All frames are made of solid European Beech with double-doweled or mortised and tenoned joints
- Units are equipped with heavy-duty, adjustable glides to ensure proper leveling and compensation for uneven floors
- All table units ship fully assembled with tops installed

See Natta Overview For Ordering Options

One10 Conference provides a scalable aesthetic with a versatile range of tables that provide solutions for casual to formal meetings that can support individual technology, the sharing of personal technology, or communal technology equipment. From conference tables, meeting tables, and TV stands, the collection provides flexibility for tailored applications, virtually anywhere.

CONSTRUCTION

VENEER

- Exposed surfaces feature select grade plain-sliced hardwood veneers in Cherry, Maple, American Black Walnut, or composite veneers. Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features either our UVAdvantage, an ultra-violet finish, or our Catalyzed finish (where noted)

LAMINATE

- High-Pressure Laminates (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS

- Tops with the Block Edge are 1½" thick while tops with the Knife Edge are 1³⁄₁₆" thick
- Veneer tops offer 3-ply balanced construction with 1.5mm wood edge-banded rims; Laminate tops offer 3-ply balanced construction with 1mm PVC edge-banded rims; Laminate colors Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Credenza tops are ¾" thick, 3-ply balanced construction with 0.5mm wood edge-banded rims on Veneer options and 1mm PVC edge-banded rims on Laminate options
- Veneer accent tops are ¾" thick, 3-ply construction with 0.5mm wood edge-banded rims while Laminate accent tops are ¾" thick, 3-ply construction with 1mm PVC edge-banded rims; Laminate colors Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Grain direction runs left-to-right, unless noted
- The Block Edge profile will be used with Block Bases only, while the Knife Edge profile will be used with Blade Bases only

Block Edge Profile

Knife Edge Profile

CHASSIS

- Chassis for storage units are securely fastened using high quality European fastening systems and heavy-duty 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS

- All drawer fronts are ¾" thick, 3-ply construction with vertical grain direction
- Drawer sides, back, and front are woodgrain vinyl-wrapped ½" thick with ⅛" thick hardboard bottoms
- 5-sided drawer construction allows for easy removal of drawer fronts; All drawer fronts are standard with elegant vertically matched faces
- All drawers feature full extension, progressive action slides with precision steel ball bearings

DRAWERS

- Box and file drawers are tested for 100lb capacity
- All suspensions have a limited lifetime warranty

STORAGE

- All hinged doors are soft-close, unless otherwise noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

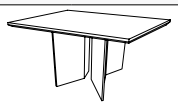
POWER/DATA UNITS & LOCATIONS

Square & Round Shaped Tops with Blade Bases

Models:



Modules Available (See Unit Details):

01-DUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-TRIOBEZEL	Available in Black (B), Silver (S), or White (W)
01-PDUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-PTRIOBEZEL	Available in Black (B), Silver (S), or White (W)

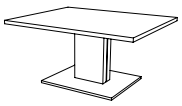
Note: Only one Power/Data Module Per Top.

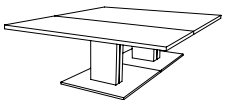
Power/Data Location:

- All Power/Data Modules will be placed **On Center (OC)** of top.
- Designate "OC" when specifying the top model. Power/Data Module will need to be ordered separately.
- Power/Data Modules specified at the time of order will be routed for field installation.

Square & Rectangular Tops for Single and Dual Column Bases

Models:





Modules Available (See Unit Details):

01-DUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-TRIOBEZEL	Available in Black (B), Silver (S), or White (W)

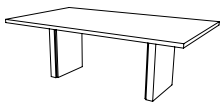
Note: Only one Power/Data Module Per Top. Must Order Two (2) Power/Data Modules for Dual Column Tables.

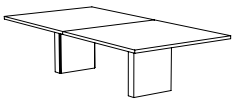
Power/Data Location:

- All Power/Data Modules will be placed **On Center (OC)** of each top and installed directly over the base.
- Designate "OC" when specifying the top model. Power/Data Module will need to be ordered separately.
- Power/Data Modules specified at the time of order will be routed for field installation.

Rectangular 1 or 2 Piece Tops with Block or Blade Bases

Models:





Modules Available (See Unit Details):

Available in Table Surface:

01-DUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-TRIOBEZEL	Available in Black (B), Silver (S), or White (W)
01-PDUOBEZEL	Available in Black (B), Silver (S), or White (W)
01-PTRIOBEZEL	Available in Black (B), Silver (S), or White (W)

Available Under Table Surface:

01-DUO	Available in Black (B), Silver (S), or White (W)
01-TRIO	Available in Black (B), Silver (S), or White (W)
01-PDUO	Available in Black (B), Silver (S), or White (W)
01-PTRIO	Available in Black (B), Silver (S), or White (W)

Power/Data Location:

- Power/Data Modules specified at the time of order will be routed for field installation.
- Modules to be mounted under the table surface may be placed anywhere during field installation - No need to specify location when ordering top.

E1	29" Off One End
ELR	29" Off Each End
OC	On Center
OCELR	29" Off Each End and On Center *OCELR Not Available on Tables 96"W or Less*

Rectangular and Boat Shaped Tops with Center Inlay

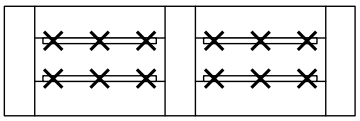
Modules Available (See Unit Details):

01-DUO	Available in Black (B), Silver (S), or White (W)
01-TRIO	Available in Black (B), Silver (S), or White (W)

Power/Data Location:

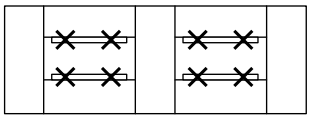
- All troughs, included as standard with the tops, have pre-drilled peck-hole locations from the bottom side of the trough for easy field installation. No need to specify location when ordering top.
- Desired Power/Data Modules will need to be ordered separately.
- Field install Power/Data Modules by selecting any or all of the desired pre-marked locations and drill the hole through.

Locations For: 48”x192” & 60”x192” Models with Center Inlay



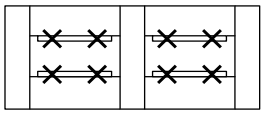
31”, 52”, and 73” off each end

Locations For: 48”x168” & 60”x168” Models with Center Inlay



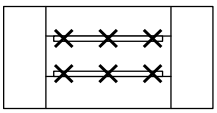
37” and 58” off each end

Locations For: 48”x144” & 60”x144” Models with Center Inlay



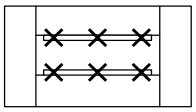
29” and 50” off each end

Locations For: 48”x120” & 60”x120” Models with Center Inlay



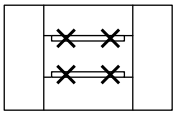
39” and 60” off each end

Locations For: 48”x108” & 60”x108” Models with Center Inlay



33” and 54” off each end

Locations For: 48”x96” & 60”x96” Models with Center Inlay



37½” off each end

Indiana FURNITURE

PHOENIX™
SMALL MEETING TABLES (2100 SERIES)

Crafted in select solids and American veneers, Phoenix's clean, transitional styling is at ease in both contemporary and traditional settings. It is a perfect choice for value-minded companies who want a sophisticated, yet uncomplicated, furniture solution.

CONSTRUCTION

Phoenix features a Veneer chassis with your choice of a Veneer or HPL top.

VENEER
- Exposed surfaces feature select grade sliced American Black Walnut or Cherry veneers carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer tops are 5-ply balanced construction and 1⁵⁄₃₂" thick with solid hardwood rims
- High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1⁵⁄₃₂" thick with solid hardwood rims
- Grain direction runs left to right unless noted

CHASSIS
- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- Units feature finished backs unless otherwise noted
- All units equipped with heavy-duty, adjustable glides to ensure proper leveling and compensate for uneven floors

DRAWERS
- Drawer fronts standard with matched veneer faces
- Drawer sides, back and front are woodgrain vinyl-wrapped, and are ½" thick
- 5-sided drawer construction for easy removal of drawer fronts
- Lateral file drawers feature ¼" thick bottoms and tested for 200lb capacity
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- File drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- Storage credenzas feature standard locking; optional locking on wardrobe/storage cabinets
- Lock core will coordinate with pull selection unless otherwise noted
- Removable lock cylinders allow for units to be re-keyed at a later date if required
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.

Indiana FURNITURE

STRUT
TABLES (8800 SERIES)

Dress up a casual drop-in meeting room or add prestige to an executive suite. Strut Tables are designed with precision minimalist lines and angles to establish modern sensibility in any space. With tops available in round, square, rectangle, modern rectangle, and boat shapes, in a range of veneer, laminate, and glass options, and in sizes ranging from 3.5 square feet to 5 by 20 feet, Strut can accommodate small meeting spaces, cafes, private offices, or even large board rooms.

CONSTRUCTION

VENEER
- Exposed surfaces feature select grade plain-sliced hardwood veneers in Cherry, Maple, American Black Walnut, or composite veneers. Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology

LAMINATE
- Thermally-Fused Laminate (TFL) and High-Pressure Laminate (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance,

TOPS
- Veneer (W) or HPL (P) Tops available in five shapes: Rectangle, Boat, Modern Rectangle, Square and Round with woodgrain patterns following the depth (short) of Veneer (W) table tops while grain patterns follow the width (long) of HPL (P) table tops
- Tops are shaped on all four sides and are available in two thicknesses and five edge profiles
- Double Kerf (F), Duo (G) and Square (Y) available in Veneer (W) and HPL (P) tops with 3-ply balanced construction, 1 3/16" thick and matching 3mm wood or PVC rims on profiled edges; Laminate colors Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Knife (K) edge profile tops are 1 3/16" thick with solid wood rims available on both Veneer (W) or HPL (P) tops
- Vertical Square (H) edge profile tops are 1½" thick with 1.5mm wood edge-banded rims on Veneer (W) tops and 1mm PVC edge-banded rims on HPL (P) tops; Laminate colors Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Tops will include with holes bored on bottom to ensure proper leg placement
- Credenzas, buffets, and other ancillary support models are available in Square (Y), Double Kerf (F), Duo (G), and Vertical Square (H) edge profiles and profiled on approach side only
- All surfaces feature reverse slip matched pattern
- Back Painted, Tempered Glass Tops are ¼" thick and are attached to a substrate topped with black paper covering
- Tempered glass top has a 1/16" overhang from the sub-top

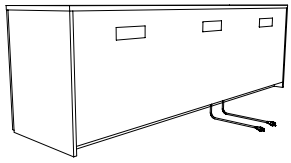
LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge Lock core is predetermined by pull color. Black lock cores are used with black and gold pulls while silver lock cores are used with chrome and aluminum pulls
- Optional locking doors available on buffets and credenzas

LEGS
- Available in aluminum (ALUM) or black (BLK)
- Integrated wire management inside of leg to keep your space clean and free of wires
- Each leg has adjustable glides

CHASSIS
- All credenzas are available in TFL (T) or Veneer (W) with vertical grain direction
- Chassis for storage units are securely fastened using high quality European fastening systems and heavy-duty 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors

DRAWERS
- Drawers feature 5-sided drawer construction allowing for easy removal of drawer fronts; All drawer fronts are standard with elegant vertically matched faces
- Drawer sides, back, and front are woodgrain vinyl-wrapped ½" thick with ⅛" thick hardboard bottoms
- Drawer interiors are dovetail construction with 7/16" thick hardwood sides and backs, and 5/32" thick hardboard bottoms
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- Box drawers are tested for 100lb capacity
- All suspensions have a limited lifetime warranty

STORAGE
- All hinged doors are soft-close with one piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure
- All Credenzas feature a 2" W wire management channel along back of the interior cabinet for easy accessibility to wall outlets



2" wire management channel

TRI-ONE™

MULTI-USE TABLES (8500/8600 SERIES)

Designers Jim Contois and Ramsey Madsen complement existing products with the Tri-One Table Collection. A full offering of training, meeting, and modular tables are available in flexible models that is sure to meet every expectation with integrated power and data capabilities.

CONSTRUCTION

LAMINATE

- Thermally-Fused Laminate (TFL) and High-Pressure Laminate (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

VENEER

- Surfaces feature select-grade, plain-sliced hardwood Cherry, Maple, American Black Walnut, White Oak, and composite veneers; Veneers are carefully selected and matched to assure proper balance and consistency
- Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology

TOPS

- Tops with the Square (Y) edge profile are 1" thick TFL or 1⅜" HPL with a 3mm PVC rim; or 1⅜" Veneer with 1.5mm edge banding
- Tops with the Knife (K) edge profile are 1⅜" HPL with a 3mm PVC rim or 1⅜" Veneer with 1½ mm edge banding
- Laminate colors Designer White, Sugar Maple, and Williamsburg Cherry feature ABS edge bands
- Training and Modular tops feature shaped profiles on the user side while Meeting tops are shaped on all four sides
- Tops are pre-drilled for the specified base assembly and for ganging where applicable
- Grain direction runs left-to-right, unless noted

Knife (K)

Square (Y)

LEGS/BASES

- The Envy and Vantage leg/base styles are powder-coated Aluminum and include a 5mm steel mounting plate
- Envy style legs are aluminum extrusions while Vantage style legs are welded steel
- All legs and bases come standard with adjustable glides

GANGING

- All Modular and Training tops are pre-drilled with threaded inserts for ganging applications
- Ganging brackets include quick release thumb screws for ease of use; No tools required

NESTING

- Training tables offer an exclusive flip mechanism which can be accessed from any position to allow easier nesting of tables
- Optional flip mechanisms are factory installed and must be specified at the time of order

POWER/DATA/CORD MANAGEMENT

- Grommets are available in tops, where noted
- Grommets are 2 ⅜" in diameter and available in black or silver
- Power/Data units available for under-surface mount, routed into tops, or for use in standard grommet holes (e.g., Sand Dollar)
- Power/Data Units comply with FCC Part 15A and UL
- Standard Power/Data plugs and daisy-chain connections are available; daisy chains are non-sequential; connect up to 8 modules

General Occasional Tables Information

2330

SURFACE MATERIAL DIGITAL IMAGES & BROCHURE

The finishes represented on Indiana Furniture's Surface Material Finish Brochure were reproduced using the finest technology available. Samples of our finishes and laminates are available for order through our Collateral Store. Please verify your desired finish before ordering as such orders are not subject to return to Indiana Furniture.

Contact your local Indiana Furniture Sales Representative or our Customer Service team should you need assistance.

GLIDES

All tables ship with non-marring glides, some series offering leveling glides as standard. See pricing pages for each series for more information.

FINISH

Indiana Furniture standard occasional table finishes correspond to casegoods and conferencing finishes and laminates. Minor variations in finish color and value may occur due to the natural characteristics of wood. Consult this price list for specific finish availability within each series.

Special Finishes: Indiana Furniture is able to accommodate our customer's needs for specific finish matches. Please submit a 3"x5" sample panel to Customer Service for quotation and lead time.

An overview of our finishes and laminate options can be found on the inside of the back cover of this price list.

Indiana FURNITURE

ARLINGTON™

END, LAMP + MAGAZINE TABLES (2900 SERIES)

Arlington offers all the grace and embellishments associated with traditional styling with an added emphasis on value. Finely crafted in select solids with walnut and cherry veneers and high pressure laminate worksurfaces, Arlington ensures quality and expert craftsmanship with a selection of configurations for today's functional workspaces.

CONSTRUCTION

- Veneers on exposed surfaces feature select grade, plain sliced American Black Walnut or Cherry veneers, carefully selected and matched to assure proper balance and consistency
- Veneer tops have a 5-ply balanced construction, 1³⁄₁₆" thick with solid hardwood rims with butt corners
- HPL tops have a 3-ply balanced construction, 1³⁄₁₆" thick, with solid hardwood rims with butt corners
- Grain direction runs left to right
- All units ship with heavy duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Some Assembly Required

Indiana FURNITURE

BAILEY
COCKTAIL + END TABLES (720 SERIES)

From lounge areas, to private office, to conference settings, the Bailey Collection can make a statement. Bailey tables are offered in square and rectangular cocktail tables, as well as end tables, in a wide range of veneers and laminates with two edge profiles. Pair Bailey tables with the collection's chairs, settees, sofas, and ottomans.

CONSTRUCTION

- Bases for tables are manufactured using steel frames with a chrome finish
- The wood veneer tops are made of select grade sliced Black Walnut, Cherry, Maple, or composite veneers for maximum grain and color consistency
- Veneer tops are ¾" with 1mm veneer edge bands
- Laminate tops are ¾" with 1mm PVC edge bands; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims
- Ships fully assembled

Indiana FURNITURE

BRITTA™
END + COCKTAIL TABLES (230 SERIES)

The Britta Collection showcases a Mid-Century Scandinavian aesthetic with an appealing contemporary feel. Available in two edge styles and a broad range of finishes to create an inviting space with warm and energetic sensibility. Pair Britta tables with the collection's guest, single lounge, and settee options, which all feature a wall-saver design, to create an entire setting.

CONSTRUCTION

- The wood veneer table tops are 1" thick and are made of select grade sliced Walnut, Cherry, or Maple veneers for maximum grain and color consistency
- The knife edge profile features a 5-ply balanced construction with a solid hardwood rim; the square edge profile features a 3-ply balanced construction with a 3mm veneer edge band
- The aprons and legs are solid maple hardwood and ship with adjustable glides
- Ships fully assembled

Indiana FURNITURE

JOT™

AUXILIARY, END + COCKTAIL TABLES (410 SERIES)

Discover the perfect table collection that goes anywhere. With a mix of materials, Jot complements a diverse range of interiors from ultra modern to classic. Its metal base, available in five refreshed colors, supports tops in solid surface, veneer, or laminate. Scaled for a perfect fit, Jot makes a great first impression front and center or corner-tucked for convenient storage. Jot's UV Advantage finish features a crystal clear topcoat developed for durability in high traffic areas.

CONSTRUCTION

- Veneer tops are ¾" thick with veneer edge bands; made of select grade, sliced Black Walnut, Cherry, Maple, or Composite species
- TFL tops are ¾" thick with a 1mm PVC edge band; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims
- Solid surface tops are ¾" thick and are available in six colors and two edge profiles
- Bases are manufactured using ¾" steel frames and powder coated in your choice of five standard colors
- Joints on bases are mitered and fully welded for maximum strength and durability
- Tops are securely fastened to the bases with metal screws
- Ships fully assembled

Indiana FURNITURE

ME, MYSELF & I

TABLES BY PLEDGE (MMI SERIES)

In partnership with Edge Design, a UK-based company, we welcome Me, Myself & I.

With the growth of open and breakout areas in the working environments, Me, Myself & I provides a relaxed and collective seating and tables solution.

CONSTRUCTION

- Exposed parts are manufactured using European Beech
- Joints are double-doweled or mortised and tenoned, screwed, and glued for maximum strength and durability
- Frames are individually hand assembled and sanded prior to being finished; Legs are 9¾"H on the rectangular table and 14"H on the square table
- Non-marring nylon glides included in each leg at floor level
- Tables have 1½" thick HPL surface with 1mm PVC edge band Square edge profile; Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims
- Ships fully assembled

Indiana FURNITURE

PHOENIX™
END + MAGAZINE TABLES (2100 SERIES)

Crafted in American veneers, Phoenix's clean, transitional styling is at ease in both contemporary and traditional settings. It is a perfect choice for value-minded companies who want a sophisticated, yet uncomplicated, solution.

CONSTRUCTION

- Veneers on exposed surfaces are select grade sliced American Black Walnut and Cherry, and are carefully selected and matched to assure proper balance and consistency
- Veneer tops are 5-ply balanced construction and 1⅝" thick. High pressure laminate (HPL) tops are 3-ply balanced construction and 1⅝" thick
- Grain direction runs left to right
- All units ship with heavy duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Some assembly required

HOW TO ORDER EXAMPLE

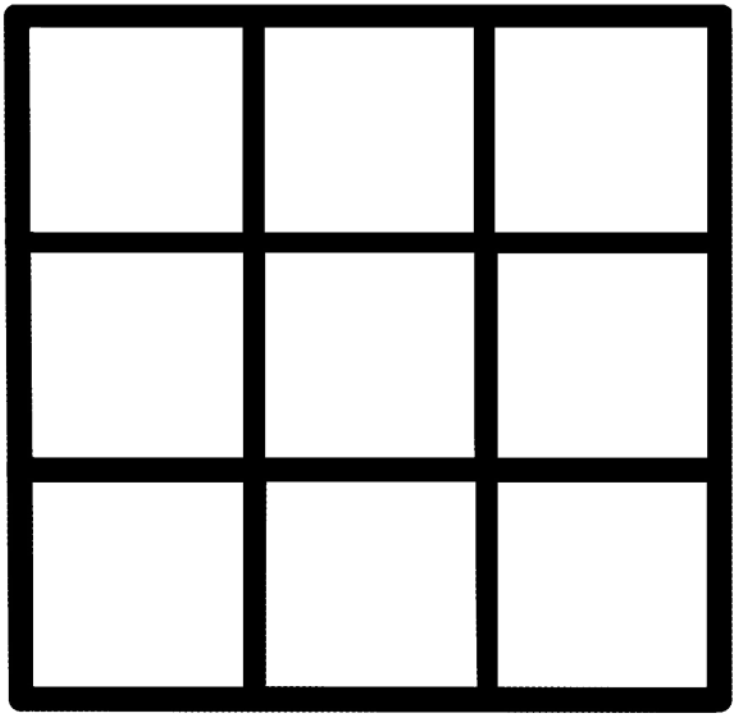
Space Division



Indiana FURNITURE

SCREENS+DIVIDERS
MULTI-USE SPACE DIVISION

Our functional range of screens and dividers make it easy to create space division within any environment, on nearly any product. Simply add screens to your worksfurface, training table, and/or reception desk to create privacy, add protection, or further define personal space.

CONSTRUCTION

ACRYLIC PANELS/SCREENS/DIVIDERS
- Clear and Frosted Acrylics are ¼" thick, while High Gloss Acrylics are ¾" thick; cut to size and machined for a clean finish

TFL PANELS/SCREENS/DIVIDERS
- Made of woodgrain and solid color laminates fused to particle-board core
- Privacy Panels and Above/Below Screens are ¾" thick
- Gallery Screens are 1" thick
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

VENEER PANELS/SCREENS/DIVIDERS
- Made of select-grade, plain sliced hardwood Cherry, Maple, American Black Walnut, White Oak, or composite veneers; selected and matched to assure proper balance and consistency
- Privacy Panels and Above/Below Screens are ¾" thick
- Gallery Screens are 1" thick
- Veneers feature Indiana Furniture's sustainable UVAdvantage, an ultra-violet topcoat finish, on all exposed surfaces by utilizing roll-coat UV technology

WIRE MANAGEMENT
- Grommets may be specified for 51"H Straight Floorstanding Gallery Screens, and are available in black or silver

CERTIFICATIONS & COMPLIANCE
- CAL 117-2013 Compliance

Description

- Constructed of Metal with a Chrome Finish
- For Use with ¼" Thick Clear and Frosted Acrylics
- Provides a Clean Connection For Adjacent Panels and Screens

Pricing Codes: T = TFL W = Veneer

For ordering options, see overview at the beginning of section.

STEP 1: PLANNING FOR SQUARE ONE

Planning for Square One is based on configuring 12"x24" and 24"x24" blocks in nearly any manner to create space dividing walls, coves, work zones, and more within open environments.

Idea Starters/Typicals:

When you select one of our pre-configured Typicals, everything you need comes specified together, including the blocks, caps and posts, hardware, glides, and more.

- Select the typical number (e.g., 17-4), then specify the finish and hardware color.
- Add optional accessories (see Step #5).

Make Your Own Typicals:

There are endless opportunities with Square One, giving you the ability to create unique setups to meet the specific needs of your customers.

- We recommend utilizing our Specification/Drawing Services team, who can help in bringing your vision to life and ensure all the necessary components are included. To get started, just send us a drawing. You can use our easy online request form: Design Request Form
- Steps #2 - #5 outline the process for specifying your own typical. Please provide a drawing with the order to ensure accuracy.

STEP 2: SPECIFYING BLOCKS

When making your own typical, choose the quantity of blocks needed to create your design. We offer single blocks in two styles: 24"x24" and 12"x24".

- Blocks can go up to four high (8') and do runs of five wide (10') without a supporting wall or anchor to create stability.
- We recommend using single 12" x 24" blocks on the top or ends. If placing on the bottom or in the center of the design, using two of them together will ensure alignment with the holes bored on attachment items like End Caps, Corner Posts, etc.
- When creating an "L" or "T" design, we suggest going a minimum of three blocks wide to ensure stability without additional support.

STEP 3: CAPS, POSTS, CONNECTORS, AND SPANNERS

Next, determine what Caps, Posts, Connectors, and Spanners are needed to complete the design.

- End and Top Caps are necessary to ensure a clean and balanced aesthetic (as they hide the attachment hardware/ensure no empty holes are showing where attachments would have been).
- Square One offers connection beams to create 90° turns (Corner Posts), three walls (T-Connectors), four walls (X-Connectors), and span doorways or other openings (Horizontal Beam Spanners).
- End Caps, Posts, and Connectors should always be specified to run longer (taller) than the unit so that the end of the top cap or horizontal rail will not be seen (there are only a few exceptions).

STEP 4: HARDWARE, LEVELING, AND GENERAL ASSEMBLY

Whether connecting square to square or square to post, individual components come with the necessary hardware. Should you need more, we offer separate Bolt Kits to provide proper installation.

We offer heavy-duty, adjustable leveling glides to compensate for uneven floors. A tool (6mm allen driver bit) is also available to insert the glide nuts. The glides must be ordered separately from the blocks.

We do not offer connection methods to anchor to the floor or wall. We recommend discussing this with the building's facility manager for proper connection. Indiana Furniture will not be liable for wall or floor mounts that are not properly installed.

Assembly Instructions may be found on our website.

STEP 5: ACCESSORIES

Add function without sacrificing beauty. Acrylic Inserts, Tackable and Acoustical Panels, Dry Erase Boards, and TV mounts can give your space the ability for more privacy, collaboration, or brainstorming.

- Dry Erase Boards and Tackable Panels have onset installation.
- Dry Erase Boards can be mounted either vertically or horizontally.
- Acoustical Panels are either specified onset or inset, and Acrylic Inserts are inset.
- Tackable Panels are fully upholstered, so a clean aesthetic is seen from both sides of the blocks.
- Acrylic Inserts lock into insert retainers which are installed on top of the hardware, inside of the block, allowing for a quick and tight-fitting installation.
- Frosted Acrylic Inserts can be customized with a logo or image, giving you freedom to create a personal touch. Provide a .CDR, .AI, or .EPS file. Extended lead times may apply.
- We offer the Vesta Power Data Center and other similar items to add power within your Square One spaces created.

Indiana FURNITURE

SQUARE ONE
SPACE DIVISION (1700 SERIES)

Space Division. Redefined.

Square One is the clean, simple way to provide space division, functionality, and architectural design to any zone within the working environment. With individual building blocks that securely connect to one another and accessories like dry erase boards, barn doors, planter boxes, acrylic inserts, and tackable and acoustical panels, your personalization of Square One is only limited to your imagination. Square One is made of solid wood, providing a sustainable material for the workplace and bringing warmth and beauty to any space.

CONSTRUCTION

BLOCKS
- Blocks are manufactured using kiln-dried, solid European Beech and are attached using hardware, available in your choice of nickel or black, for durability and strength

FINISH
- Indiana Furniture uses a multi-step hand finishing process
- Blocks are pre-sanded for smoothness, then stained and finished with a catalyzed varnish finish which offers durability, lasting beauty, and resistance to normal wear
- Square One finishes were selected to complement casegoods, tables, and seating finishes which allows for easy blending of furniture components

END & TOP CAPS
- Measure 1¾"W and 1¾"D and come in a variety of lengths
- Used vertically and horizontally to provide a clean, balanced aesthetic by hiding the attachment hardware
- Caps are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

CORNER POSTS
- Measure 1¾"W and 1¾"D and come in a variety of heights
- Used to create 90° turns
- Corner posts are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

T-CONNECTORS
- Measure 1¾"W and 1¾"D and come in a variety of heights
- Used vertically and horizontally to create an intersection for three wall runs
- T-Connectors are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

X-CONNECTORS
- Measure 1¾"W and 1¾"D and come in a variety of heights
- Used vertically to create an intersection for four wall runs
- X-Connectors are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

HORIZONTAL BEAM SPANNERS
- Measure 1¾"D and 1¾"H and come in a variety of widths
- Used horizontally to provide structural support for doorways and other designed openings
- Spanners are constructed of kiln-dried, solid European Beech and include blind threaded inserts for installation

DRY ERASE BOARDS
- Available in 22½" or 46½" heights and multiple widths
- Installed onset, either vertically or horizontally
- Installation brackets are included; longer bolts for installation on-site are also included

ACOUSTICAL PANELS
- Constructed of 100% polyester made from up to 50% recycled materials without the use of adhesive or other bonding agents, Acoustical Panels are 100% recyclable
- Panels are ½" (12mm) thick and are available in multiple widths and lengths
- Sound absorption is average NRC 0.75 (50mm air gap) 1.0 NRC in mid-high frequencies
- Panels are installed inset with tabs or onset with dual-lock connectors

TACKABLE PANELS
- Tackable Panels are constructed of 7/16" corkboard and then covered, on both sides, in the textile of your choice
- Highly-skilled upholsterers hand tailor each unit to meet individual specifications
- Upholstery options include a broad range of styles, all pre-graded in this price list for ease of use
- Panels are installed onset with dual-lock connectors

ACRYLIC INSERTS
- Acrylic inserts are manufactured using high performance engineering resins and provide translucency, strength, clarity, and versatility
- Inserts are 20½"W and are available in 8½" and 20½" lengths
- Inserts are inset within the blocks with retainers for a tight-fitting installation
- Frosted acrylic options can be customized with logos and other designs as requested

LEVELING GLIDES
- Heavy-duty, adjustable leveling glides are available in black or nickel and are recommended to ensure proper leveling and compensation for uneven floors
- A tool (6mm allen driver bit) to install glides is also available to ensure proper installation

BARN DOOR HARDWARE
- Sliding system tracks are constructed of black powder coated steel
- Hardware includes tracks, hangers, track stops, screws, inserts, bracket, and sliding system
- Installation hardware will be shipped attached to components

PLANTER BOXES
- The planter box is made of ¾" thick thermally-fused laminate (TFL) fused particle-board core
- Grain direction runs horizontal
- Planter boxes are fastened together with screws and heavy-duty metal fasteners
- Optional insert is made of lightweight, fade-resistant, recyclable plastic

PRICING EFFECTIVE MARCH 27, 2023
(REV. 11/27/23)

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

2402

Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards*,
- Meet or exceed BIFMA level® Sustainability standards and certification*,
- Conform to the BIFMA Compliance standards*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

To learn more, simply go to www.IndianaFurniture.com/resources.

Ease of Specification

Whether you're looking to specify your office spaces or simply to visualize them in the options and surface materials you are desiring, we make it easy. You can find the entire Indiana Furniture portfolio on the following third-party, space-planning platforms.

** Recently launched or new products may still be in testing; Cush Pillows is currently not BIFMA Compliant due to no available compliance test.*

GENERAL INFORMATION + CONDITIONS OF SALE

ORDERING INFORMATION
All orders should be emailed to **neworders@indianafurniture.com**.
Orders can be faxed to 812-482-9035 or mailed to:

Indiana Furniture
P.O. Box 270, 1919 Hospitality Drive
Jasper, IN 47547-0270

ORDER PROCEDURE
All orders must include purchase order number, billing address, ship-to address and phone number, and any special instructions.

When ordering casegoods or tables, give complete quantity, model number, finish and any other options.

When ordering seating, give complete quantity, model number, finish, fabric and any other options.

Within each series, an example of "How to Order" is illustrated at the beginning of each series section. For further clarification of order procedure, contact Customer Service.

PRICING
All prices shown are suggested retail prices F.O.B. Point of Origin, freight prepaid and allowed to one continental US destination. Prices, specifications and materials are subject to change without notice. Possession and/or distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Indiana Furniture dealers. Orders will be billed at prices prevailing at time of shipment, unless acknowledged prior to the effective date of the price change, in which case billing will be at the price acknowledged.

ACKNOWLEDGMENT
All orders will be acknowledged promptly, showing how the order was entered, its approximate shipping date and other pertinent information. This acknowledgment is the final agreement between the customer and Indiana Furniture and is the exclusive statement of the terms thereof. Please examine this acknowledgment carefully and advise Indiana Furniture immediately of any discrepancies.
Note: Shipping fees will not be listed on the acknowledgment.

BUYER'S OBLIGATION: RIGHTS OF SELLER
If Indiana Furniture shall at any time doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. Remedies provided herein shall be in addition to, and not in lieu of other remedies. Buyer agrees to abide by payment terms as listed on invoice. Buyer shall pay all reasonable costs and expenses, including attorney and collection fees, and late fees, incurred by Seller in connection with any amounts due for goods ordered.

CANCELLATIONS AND CHANGES
Due to immediate production on build-to-order items, all orders are considered firm and are not subject to cancellation or change without approval from Indiana Furniture. All approved changes are subject to additional charges and revised lead times.

PRODUCT DESIGN AND SPECIFICATION CHANGES
Indiana Furniture reserves the right to make changes in design and construction or discontinue products without prior notice.

REPAIR CHARGES
Indiana Furniture will only pay repair charges if Customer Service gives prior written authorization. No repair charge will be paid without advance approval at which time you will be issued a repair authorization number that will allow you to invoice Indiana Furniture for the completed work.

WAREHOUSE STORAGE CHARGES
If a shipment is held beyond 14 calendar days at your request, **a .084% per calendar day** (2.52% per month) storage charge will be assessed. The effective date will be 14 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

DAMAGED MERCHANDISE
The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

Obvious Damage/Missing Cartons — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

Concealed Damage — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered ⅓ by the carrier and ⅔ by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

RETURN MERCHANDISE
Merchandise will not be accepted for return without a RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGA's for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

DELIVERY AND FREIGHT CHARGES
All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a $300 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a $600 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Shipments totaling less than $3000 (net value, product only) will be assessed a small order fee of $300 net per shipment. This fee will be reduced for items shipped via small package carriers. For order shipments of $100 or less, shipped by small package carrier, the fee is $18. For order shipments over $100, shipped by small package carrier, the fee is $40. All shipping fees will be added at the time of invoicing.

BIFMA AND ANSI TESTING
Indiana Furniture is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by the BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, Indiana Furniture products within this price list have been tested by an independent verifying body and meet or exceed applicable BIFMA and ANSI standards.

Warranty

Subject to the limitations set forth in this warranty, Indiana Furniture Industries, Inc. ("**Indiana Furniture**") warrants to the original purchaser all product in this price list ("**Product**") to be free from defects in material and workmanship given normal use for a 12-year period from the date of manufacture. During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (in Indiana Furniture's sole discretion) any Product, part, or component covered by this warranty and sold after November 27, 2023, which fails under normal use as a result of a defect in material or workmanship. Normal use is defined as the equivalent of a single shift, 40-hour work week. Indiana Furniture will repair or replace the defective Product, part, or component with a comparable Product, part, or component.

Warranty periods are limited for certain Products and parts as follows:

12-year Warranty (from the date of manufacture)
- Seating Mechanisms
- Veneers
- Laminates
- Casters and Glides

7-year Warranty (from the date of shipment)
- Pneumatic Table Lift
- Electric Table Lift

5-year Warranty (from the date of manufacture)
- Triple Play Series
- Electrical Components
- Pneumatic Cylinders
- Textiles, Foam, and Decorative Trim
- Swivel Arm Pads
- Keyboard Kits
- Lighting
- All Height Adjustable Mechanisms

3-year Warranty (from date of shipment)
- Dock 950 Wireless Charger
- Dock 150 Wireless and USB Charger

THIS WARRANTY DOES NOT COVER:
- Damage caused by a carrier or third party
- Normal or routine wear and tear
- Appearance, durability, quality, behavior, colorfastness, or any other attribute of customer's own materials or any non-standard Indiana Furniture material (including CF Stinson, Maharam, Momentum, Mayer, UltraFabrics, Architex, and other alliance programs) specified by the customer and applied to a Product
- Color, grain or texture of wood, laminate and other covering materials
- Changes in wood or fabric color due to aging or exposure to light

As the manufacturer of the Product, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to reasonably resolve, as quickly as possible, any problems you may have with the Product within the terms and conditions of this warranty.

If you encounter a defect covered by the foregoing warranty, contact the dealer from whom you purchased the Product. If the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the Product.

INDIANA FURNITURE IS NOT PROVIDING, AND SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTIES FOR THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INDIANA FURNITURE SHALL NOT BE LIABLE TO THE PURCHASER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR SPECIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF OR RESULTING IN ANY MALFUNCTIONS, DELAYS, LOSS OF PROFIT, INTERRUPTION OF BUSINESS, PERSONAL INJURY, BODILY INJURY, DEATH, DISMEMBERMENT, OR PROPERTY DAMAGE.

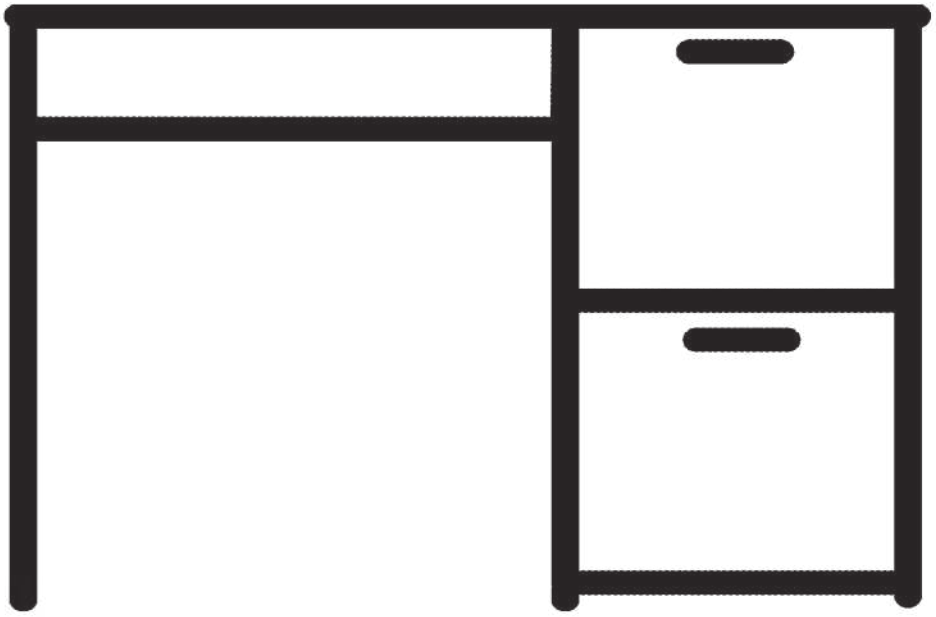
Casegoods



Indiana FURNITURE

ARLINGTON™
CASEGOODS + TABLES (2900 SERIES)

Arlington ensures quality and expert craftsmanship with a selection of configurations for today's functional workspaces including new Height Adjustable options. Providing all the grace and embellishments associated with traditional styling, Arlington features multiple worksurface materials and hand placed decorative and base molding to create a value driven collection with high end elegance.

CONSTRUCTION

Arlington features a Veneer chassis with your choice of a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEER
- Exposed surfaces feature select grade, plain sliced American Black Walnut or Cherry veneers, carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer tops are 5-ply balanced construction and 1 3⁄16" thick with solid hardwood rims with butt corners
- High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1 3⁄16" thick with solid hardwood rims with butt corners
- Grain direction runs left to right unless noted

CHASSIS
- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- Bases are solid hardwood with mitered corners
- Construction offers tight tolerances and long term durability
- Vertical grain direction on chassis

DRAWERS
- Drawer fronts standard with matched veneer faces
- Drawer sides, back and front are woodgrain vinyl-wrapped, and are ½" thick
- 5-sided drawer construction for easy removal of drawer fronts
- Box and file drawers are tested for 100lb capacity
- Lateral files feature ¼" thick bottoms. Drawers are tested for 200lb of equally distributed weight (ex: hanging file folders) and 65lbs of bottom load weight (ex: stacked catalogs)
- All drawers feature full extension, progressive action slides with precision steel ball bearings
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front to back and legal filing side to side
- Lateral file drawers provide legal or letter filing front to back or side to side

STORAGE
- All hinged doors include soft close hinges, unless noted
- One piece hinge and base plate combination
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- Central locking is standard on all desks and optional for credenzas and returns; one key in the lock cylinder locks all drawers in the desk
- Lock core available in black or silver and will coordinate with pull selection; See option details
- Removable lock cylinders allow for units to be re-keyed at a later date if required

LOCKING CON'T
- Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge

CORD MANAGEMENT
- Grommets are standard in back panels of returns, bridge units, credenzas, and hutch units
- Grommets may be ordered in the tops of desks, returns, bridge units, and credenzas
- Grommets are 2⅜" in diameter and available in black or silver, please specify color
- See all grommet options and locations
- Undersurface Wire Manager (01-WMGR4) is available for additional cord management; See Accessories

HEIGHT ADJUSTABILITY
- Electric-powered height adjustable mechanisms are offered in 2-channel for single surface height adjustment and 3-channel for simultaneous, two surface height adjustment
- Height adjustable legs available in black finish only
- Height adjustment range 30"H to 45"H
- 5-year warranty
- Recommended load capacity of 180lbs
- Two control switches are available, including an up/down switch (standard with product, unless noted) and an advanced switch with Bluetooth capabilities, position memory, three stand up reminder intervals, and more; gently adjust worksurface with a one second stop at each memory position
- The standard control switch is factory installed on all units except bridges and 3-channel units
- Bridges and returns will not have a standard grommet on the back panel
- New wire management mesh wrap included when worksurface grommet is selected
- Grommets and one wire management channel provided within kneespace to manage wires from switch and control box; two wire management channels will be shipped with desk shells

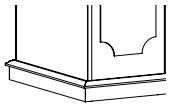
MOLDING LOCATIONS AND OPTIONS

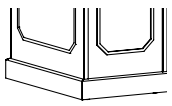
Styles of Base Molding and Decorative Molding cannot be intermixed. For example, when Arlington Base Molding is selected, only the Arlington Decorative may be ordered, while Wilmington Base Molding must also be ordered with Wilmington Decorative Molding.

Base Molding

Arlington and Wilmington Base Molding are skillfully applied on the approach, sides, and user side of Desks and Returns. Lateral Files and Credenzas feature molding on front and both sides with no molding on back for flush wall applications. Bridges will feature molding on approach. Storage Cabinets, Bookcases and Wardrobe/Storage Cabinets will feature base molding on front of unit only.



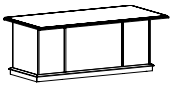
Arlington Base Molding



Wilmington Base Molding

Decorative Molding

Units come standard with no decorative molding. See below for details and locations of optional Arlington or Wilmington Decorative Molding. See next page for ordering options and pricing.



No Decorative Molding Standard

See next page for additional molding information

Current Manufacturer List Pricing Applies.

Indiana FURNITURE

CANVAS™

LAMINATE CASEGOODS + TABLES (6600/6800 SERIES)

Always stylish, comfortable, and effortlessly adaptable, Canvas enlivens environments with refined aesthetics born from an appealing mix of materials, finishes, and components. The redesign and expansion of integrated height adjustable units, white and black glass door options on hutch and storage units as well as a full line of white and black glass marker boards provide opportunities for more elegant and clean styling. Metal accents within the line include a broad scope of aluminum and black finishes with coordinating black, aluminum, chrome, and gold pull give you multiple choices to customize a look and feel for modern office environments.

CONSTRUCTION

Canvas Casegoods feature a TFL chassis with your choice of either a TFL or HPL top. Units ship assembled unless otherwise noted.

LAMINATES
- Exposed surfaces are woodgrain and solid color laminates fused to particle-board core
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance

TOPS
- Worksurfaces are 1" thick Thermally-Fused Laminate (TFL) or High Pressure Laminate (HPL) with 3mm matching PVC rims on profiled edges and 1mm PVC rims on self edges. Designer White, Sugar Maple, and Williamsburg Cherry feature ABS rims.
- Optional 1½" thick HPL worksurfaces are available in select colors. Please contact Customer Service or your local Sales Rep for pricing and lead times.
- Grain direction runs left-to-right unless otherwise noted

CHASSIS
- Chassis is securely fastened using high-quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- All desks, non-lateral credenzas, and returns have wire management access from pedestal to kneespace

DRAWERS
- Drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Drawer fronts are 3-ply construction, ¾" thick with matched grain
- Drawer sides, back, and front are ½" thick, woodgrain vinyl wrapped construction with mitered corners
- Box and file drawers feature full extension, progressive action slides with precision steel ball bearings with optional soft close
- Optional wood dovetail construction with 7/16" thick hardwood sides and backs, and 5/32" thick hardboard bottoms
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral files feature ¼" thick bottoms. Drawers are tested for 200lb of equally distributed weight (ex: hanging file folders) and 65lbs of bottom load weight (ex: stacked catalogs)
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front-to-back and legal filing side-to-side
- Lateral file drawers provide legal or letter filing front-to-back or side-to-side

STORAGE
- All hinged doors include soft close hinges, unless noted
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core is predetermined by pull color. Black lock cores are used with black and gold pulls while silver lock cores are used with chrome and aluminum pulls

CORD MANAGEMENT
- Grommets may be ordered in the tops of all assembled desks, returns, bridges, credenzas, and component worksurfaces
- All desks, returns, and credenzas (except lateral pedestals) have standard wire openings from inside the pedestal to the kneespace allowing quick access to technology below
- Additionally, returns, bridge units, kneespace credenzas, and hutch units have standard grommets in back panels
- Grommets are also standard in the tops of corner units and extended corner units
- Grommets are 2⅜" and are available in black or silver, must specify color
- See all grommet options and locations
- Undersurface Wire Manager (01-WMGR4) is available for additional cord management; See Accessories

HEIGHT ADJUSTABLE MECHANISMS
- Optional center drawer, Dock 950 and Dock 150, ¾ modesty panels, and kneespace options are not available with height adjustable units
- Height adjustment range 30"H-45"H
- 5-year warranty
- See additional Height Adjust information
- Height Adjustable units begin on here

STUDIO LEGS
- For each of the Studio models, standard or shared legs will need to be specified
- Choose to use four standard, a combination of standard or shared, or all shared legs on each unit
- The below images will provide a guide to the aesthetics of single, double, and shared legs
- Studio components begin on here

Single Standard Leg

Shared Leg (used between two models)

Double Standard Leg (standard legs used on each model)

DRAWER CONSTRUCTION OPTIONS

Drawers come standard with woodgrain vinyl-wrapping and mitered corners. Optional wood dovetail construction for all box, file, and lateral file drawers is available. Must Specify when ordering.

Pricing is per Drawer, not per Model/Unit

MITER	Mitered Fold Construction		STD
DOVE	Wood Dove Tail Construction	$	43

DRAWER TRACK OPTIONS

Soft close tracks are available on box and file drawers only. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get hurt. Must specify when ordering.

Pricing is per Drawer, not per Model/Unit

SFTCL	Soft Close Drawer Track (**Box & File Drawers Only**)	$	33

LOCK CORE COLOR OPTIONS

BLK	Black *(Used with Black and Gold Pulls)*
SLV	Silver *(Used with Aluminum and Chrome Pulls)*

GROMMET OPTIONS & POWER UNIT LOCATIONS

Note: Wire Management Options for Integrated and Modular Height Adjustable Models may be found in their specific area within this section.

Grommets are standard in the back panels of returns, bridges, and credenzas, and may be ordered without grommets at no additional charge. Please specify NO GROMMET on order.

Grommets are available on hutches in standard locations for task light management at no additional charge. Please specify WMHUBL (Black) or WMHUSV (Silver).

Power units, Dock 950 and Dock 150 must be specified separately with surface mount location. Dock 950 and Dock 150 are available on Modular Benching Desk Tops, Modular Cabinet Tops, Work Tables, and Media Peninsula Tops, and where otherwise noted.

Grommets are available in standard locations. Please specify using info below. Multiple locations may be selected. Only one unit per location.

GROMMET LOCATIONS (Black = BLK and Silver = SLV)

GC	Grommet, Center	$	50
GL	Grommet, Left	$	50
GR	Grommet, Right	$	50
GAL	Grommet, Approach Left - D-Tops Only	$	50
GAR	Grommet, Approach Right - D-Tops Only	$	50

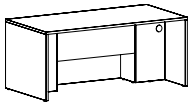
HEIGHT ADJUSTABLE MECHANISMS

Height Adjust method that increases user kneespace, offers more stability for overall unit and top construction, and two worksurfaces can move from sitting to standing simultaneously with or without moving modesty panel.

- Maximum height is 45"
- Recommended load capacity of 180lbs
- Gently adjust worksurface with a 1 second stop at each memory position
- Two leg configuration options include the standard 2-channel for Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface or 3-channel option for two height adjustable worksurfaces to raise simultaneously
- Two height adjustable switches available. Standard up/down switch (SWCH) and advanced switch features Bluetooth capabilities, three stand-up reminder intervals and four height memory positions (MSWCH)
- Moving Modesty (MOVMOD) option creates a clean aesthetic when seated or standing
- Height adjust control switch is factory installed on all units except Desk and Credenza Shells or 3-Channel units
- Bridges, returns, and credenzas will have an optional grommet on the back panel
- Black wire management mesh wrap included when worksurface grommet is selected
- Black wire management mesh wrap is made of polyester braided fabric, 10' long, expands up to 1¾"
- Grommets and one Latch Duct wire management channel provided within kneespace to manage wires from switch and control box. Two Latch Duct wire management channels will be shipped with Desk Shells



Height Adjustable User Side

Studio Components

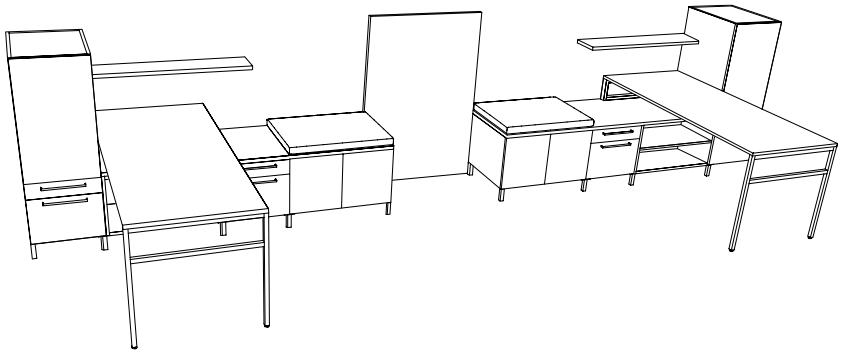
Boutique-inspired options to give all your working environments a fresh look with a subtle touch of home. Integrated into our ever-popular Canvas and Gesso Casegood lines, Studio models build upon simplicity and flexibility while allowing you to create eye-catching spaces. Whether you're looking to outfit an executive's office, team space, collaborative area, or anything in between, our Studio desk and storage components have the look and feel you desire.



Studio components work with existing Canvas Tops, Peninsula Tops, and accessories such as Tackboards, Work Walls, Marker Boards, and Cushions to build the perfect workspace. The slim leg design provides an upscale feel for all of the Studio components. Storage units such as standard height pedestals offer the flexibility to build single or double pedestal desks or credenzas and low height pedestals allow you to create bench style credenzas.

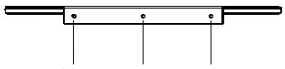
The Studio pull features a clean application.

Studio (AST)
Aluminum - 13"

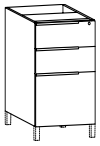
Studio (BST)
Black - 13"

Studio (CST)
Chrome - 13"

Studio (GST)
Gold - 13"

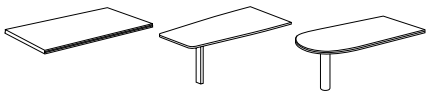


Studio Pulls are attached on the back side of the drawer front and installed in the left aligned position giving it a clean and sophisticated finish.

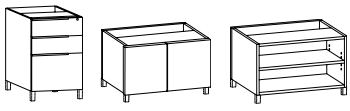


How to Use Studio

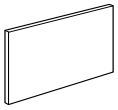
Start with a Modular Top to build a Desk, Peninsula Desk, Benching or Credenza (*See Modular Tops*)



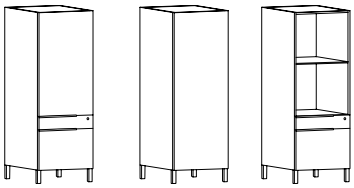
Next, choose from a number of Studio Pedestals options in Standard or Low Height. (*See Studio Peds*)



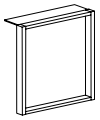
Kneespace Modesty Panels are available in standard height in TFL or High Gloss Acrylic or low height in TFL (*See Modesty Panels*)



Add additional storage with Studio Storage Cabinets and the full door storage cabinet features high gloss acrylic and dry erase door options (*See Storage Cabinets*)



Single and Shared Stanchions offer a layer of support for workstations and single or dual sided hutches (*See Stanchions*)



Studio Single and Shared Legs images below provide a simple and clean aesthetic. See below for a guide to the aesthetics of single, double, and shared legs (See Leg Options)

Single Standard Leg

Shared Leg (used between two models)

Double Standard Leg (standard legs used on each model)

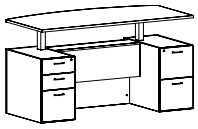
Height Adjustable Components

We've enhanced our height adjustable options to include a better integrated and easier to specify solution. These new models coupled with our existing modular height adjustable, and all of our standard models and storage options, provide you with the ultimate flexibility to meet the needs of your space and, more importantly, the needs of the user. And, we've made these new models more cost effective for you and more functional and spacious for the user.

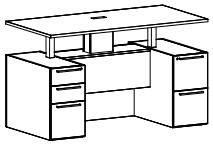
Some Highlights of Our Integrated Solutions:

- Adjustable from 30"H to 45"H, with a load capacity up to 180lbs
- Gently adjust one worksurface or multiple worksurfaces with a 1 second stop at each memory position
- Two leg configuration options include the standard 2-channel for Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface or a 3-channel option for two height adjustable worksurfaces to raise simultaneously
- Two height adjustable control switches available. Standard up/down switch (SWCH) and advanced switch features Bluetooth capabilities, three stand-up reminder intervals and four height memory positions (MSWCH)
- Moving Modesty (MOVMOD) option creates a clean aesthetic when seated or standing
- Height adjust control switch is factory installed on all units except Desk Shells, Bridges or 3-Channel units
- Bridges, returns, and credenzas have an optional grommet on the back panel
- New black wire management mesh wrap included when worksurface grommet is selected
- Grommets and one Latch Duct wire management channel provided within kneespace to manage wires from switch and control box. Two Latch Duct wire management channels will be shipped with Desk Shells

Black wire management mesh sleeve included with worksurface grommet



Standard 2-Channel Height Adjustable



2-Channel Height Adjustable with Box

Standard (SWCH) and Advanced Switch (MSWCH)

Bring the Open Plan and Shared Spaces to Life!

Modular Height Adjustable components make it easy to create the perfect work environment for any space. Select from an array of sizes of worksurfaces, pedestals, filing units and more to connect teams together so collaborating can be easy and productive.

If you prefer our original solution or have specified it previously, and would like to do so again, simply contact our Customer Service team for assistance. We can make that happen for you!

Indiana FURNITURE

GESSO™

CASEGOODS + TABLES (6500/6700 SERIES)

A foundational suite of casegoods primed to evolve with your needs. Gesso allows you to combine luxurious veneers, top grade laminates, metal accents, and other materials to create stylish, reconfigurable work spaces and storage options. With integrated height adjustable units, white and black glass door options on hutch and storage units as well as a full line of white and black glass marker boards provide opportunities for more elegant and clean aesthetic.

CONSTRUCTION

Gesso Casegoods feature a Veneer chassis with your choice of either a Veneer or HPL top. Units ship assembled unless otherwise noted.

VENEERS
- Exposed surfaces feature select grade plain sliced hardwood Cherry, Maple, American Black Walnut, White Oak, or composite veneers
- Veneers are carefully selected and matched to assure proper balance and consistency

TOPS
- Veneer and standard High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1 3/16" thick, with 3mm wood edge-banded rims contoured to the selected profile
- Optional 1½" thick HPL worksurfaces are available in select colors. Please contact Customer Service or your local Sales Rep for pricing and lead times.
- Tops are shaped on user and approach sides
- Grain direction runs left to right unless otherwise noted

CHASSIS
- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- All desks, non-lateral credenzas, and returns have wire management access from pedestal to kneespace

DRAWERS
- Drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Drawer fronts are 3-ply construction, ¾" thick with matched grain
- Drawer sides, back, and front are ½" thick, woodgrain vinyl wrapped construction with mitered corners
- Box and file drawers feature full extension, progressive action slides with precision steel ball bearings with optional soft close
- Optional wood dovetail construction with 7/16" thick hardwood sides and backs, and 5/32" thick hardboard bottoms
- Box and file drawers have ⅛" thick hardboard bottoms and tested for 100lb capacity
- Lateral files feature ¼" thick bottoms. Drawers are tested for 200lb of equally distributed weight (ex: hanging file folders) and 65lbs of bottom load weight (ex: stacked catalogs)
- All suspensions have a limited lifetime warranty

FILING
- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Letter width file drawers provide letter filing front-to-back and legal filing side-to-side
- Lateral file drawers provide legal or letter filing front-to-back or side-to-side

STORAGE
- All hinged doors include soft close hinges, unless noted
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

LOCKING
- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core is predetermined by pull color. Black lock cores are used with black and gold pulls while silver lock cores are used with chrome and aluminum pulls

CORD MANAGEMENT
- Grommets may be ordered in the tops of all assembled desks, returns, bridges, credenzas, and component worksurfaces
- All desks, returns, and credenzas (except lateral pedestals) have standard wire openings from inside the pedestal to the kneespace allowing quick access to technology below
- Additionally, returns, bridge units, kneespace credenzas, and hutch units have standard grommets in back panels
- Grommets are also standard in the tops of corner units and extended corner units
- Grommets are 2⅜" and are available in black or silver, must specify color
- See all grommet options
- Undersurface Wire Manager (01-WMGR4) is available for additional cord management; See Accessories

HEIGHT ADJUSTABLE MECHANISMS
- Optional center drawer, Dock 950 and Dock 150, ¾ modesty panels, and kneespace options are not available with height adjustable units
- Height adjustment range 30"H-45"H
- 5-year warranty
- See Height Adjust Information and Options
- Height Adjustable units begin here

STUDIO LEGS
- For each of the Studio models, standard or shared legs will need to be specified
- Choose to use four standard, a combination of standard or shared, or all shared legs on each unit
- The below images will provide a guide to the aesthetics of single, double, and shared legs
- Studio components begin here

Single Standard Leg

Shared Leg (used between two models)

Double Standard Leg (standard legs used on each model)

DRAWER CONSTRUCTION OPTIONS

Drawers come standard with woodgrain vinyl-wrapping and mitered corners. Optional wood dovetail construction for all box, file, and lateral file drawers is available. Must Specify when ordering.
Pricing is per Drawer, not per Model/Unit

MITER	Mitered Fold Construction		STD
DOVE	Wood Dove Tail Construction	$	43

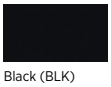
DRAWER TRACK OPTIONS

Soft close tracks are available on box and file drawers only. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get hurt. Must specify when ordering.
Pricing is per Drawer, not per Model/Unit

SFTCL	Soft Close Drawer Track (**Box & File Drawers Only**)	$	33

LOCK CORE COLOR OPTIONS

BLK	Black *(Used with Black and Gold Pulls)*
SLV	Silver *(Used with Aluminum and Chrome Pulls)*



Black (BLK)

Silver (SLV)

GROMMET OPTIONS & POWER UNIT LOCATIONS

Note: Wire Management Options for Integrated and Modular Height Adjustable Models may be found in their specific area within this section.

Grommets are standard in the back panels of returns, bridges, and credenzas, and may be ordered without grommets at no additional charge. Please specify NO GROMMET on order.

Grommets are available on hutches in standard locations for task light management at no additional charge. Please specify WMHUBL (Black) or WMHUSV (Silver).

Power units, Dock 950 and Dock 150 must be specified separately with surface mount location. Dock 950 and Dock 150 are available on Modular Benching Desk Tops, Modular Cabinet Tops, Work Tables, and Media Peninsula Tops, and where otherwise noted.

Grommets are available in standard locations. Please specify using info below. Multiple locations may be selected. Only one unit per location.

GROMMET LOCATIONS (Black = BLK and Silver = SLV)

GC	Grommet, Center	$	50
GL	Grommet, Left	$	50
GR	Grommet, Right	$	50
GAL	Grommet, Approach Left - D-Tops Only	$	50
GAR	Grommet, Approach Right - D-Tops Only	$	50
GSL	Grommet, Seat Side Left - D-Tops Only	$	50
GSR	Grommet, Seat Side Right - D-Tops Only	$	50

DUO/TRIO BEZEL LOCATIONS

PDC-C	Bezel, Center
PDC-L	Bezel, Left
PDC-R	Bezel, Right

DOCK 950 and DOCK 150 LOCATIONS (See Dock Units)

DOCK950-L	D950 Wireless Charger, Left	$	256
DOCK950-C	D950 Wireless Charger, Center	$	256
DOCK950-R	D950 Wireless Charger, Right	$	256
DOCK150-L	D150 Wireless and USB Charger, Left	$	391
DOCK150-C	D150 Wireless and USB Charger, Center	$	391
DOCK150-R	D150 Wireless and USB Charger, Right	$	391

Verify Grommet Option is available on the model(s) you are specifying using the following location information. Grommets, Power Units, Dock 950 and Dock 150 may be ordered in non-standard locations. Call Customer Service to assist with specification and/or please attach a drawing to the PO showing the location of the grommet. Note additional charges and lead times may apply.

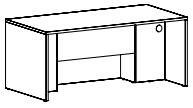
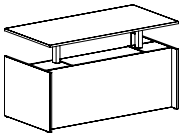
HEIGHT ADJUSTABLE MECHANISMS

Height Adjust method that increases user kneespace, offers more stability for overall unit and top construction, and two worksurfaces can move from sitting to standing simultaneously with or without moving modesty panel.

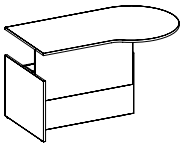
- Maximum height is 45"
- Recommended load capacity of 180lbs
- Gently adjust worksurface with a 1 second stop at each memory position
- Two leg configuration options include the standard 2-channel for Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface or 3-channel option for two height adjustable worksurfaces to raise simultaneously
- Two height adjustable switches available. Standard up/down switch (SWCH) and advanced switch features Bluetooth capabilities, three stand-up reminder intervals and four height memory positions (MSWCH)
- Moving Modesty (MOVMOD) option creates a clean aesthetic when seated or standing
- Height adjust control switch is factory installed on all units except Desk Shells, Bridges or 3-Channel units
- Bridges, returns, and credenzas will have an optional grommet on the back panel
- Black wire management mesh wrap included when worksurface grommet is selected
- Black wire management mesh wrap is made of polyester braided fabric, 10' long, expands up to 1¾"
- Grommets and one Latch Duct wire management channel provided within kneespace to manage wires from switch and control box. Two Latch Duct wire management channels will be shipped with Desk Shells



Height Adjustable User Side



2-channel Configuration

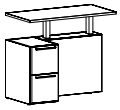


Moving Modesty

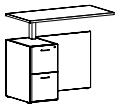
Black wire management mesh sleeve

HEIGHT ADJUST LEG CONFIGURATION

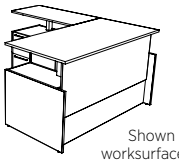
The 2-channel leg configuration is standard on height adjustable Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface. Select models offer an optional 3-channel leg configuration for use with 3-channel Returns to allow two worksurfaces to raise and lower simultaneously.



2-channel Configuration Raise Single Surface



3-channel Configuration Raise Multiple Surface

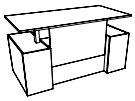


Shown with two worksurfaces raised and optional moving modesty.

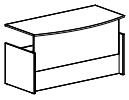
STS2	2-channel configuration (for one height adjustable worksurface)		STD
STS3	3-channel configuration (for two height adjustable worksurfaces)	$	N/C

HEIGHT ADJUST MOVING MODESTY PANEL

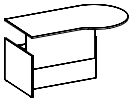
Height adjustable moving modesty panel available on double and single pedestal, D-top and P-Top desks. Moving modesty panels offer a clean aesthetic when seated or standing while giving more privacy to the user.



Stepped Front Desk with Moving Modesty



Recessed Front Desk with Moving Modesty



P-Top with Moving Modesty

MOVMOD	Moving Modesty Panel	$	212

HEIGHT ADJUST MODESTY PANEL GROMMET

Height adjustable credenza, bridge and return units feature a modesty panel grommet option for accessing power to a wall.

2-Channel units feature grommet centered on modesty only, 3" down from top. 3-Channel units feature grommets centered on pedestal only, 3" down from top.
